

Canvas Integrates with existing Education Galaxy Accounts

There are two **OPTIONS** to integrate Canvas with Education Galaxy

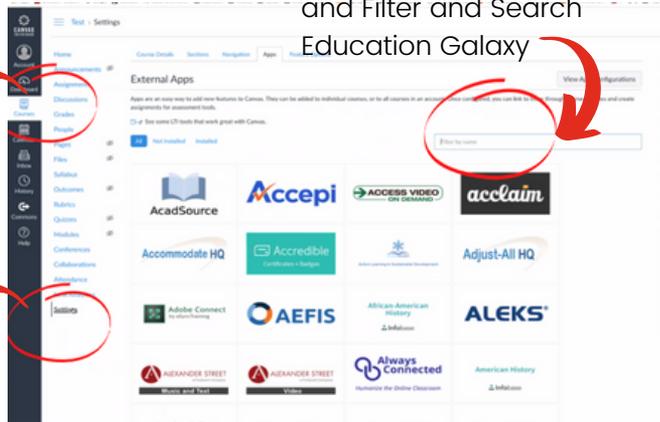

OPTION

Add to a Course in Canvas

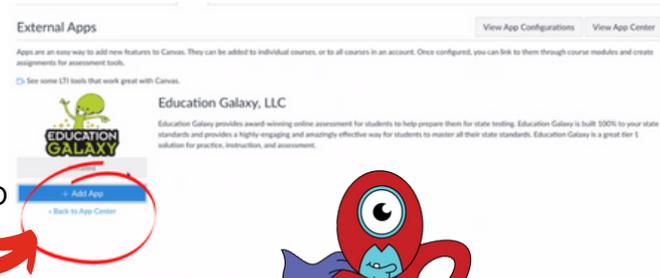

3.Go to the Apps Tab and Filter and Search Education Galaxy

1.Click a Course

2.Click Settings in the Course

4.Click Add App

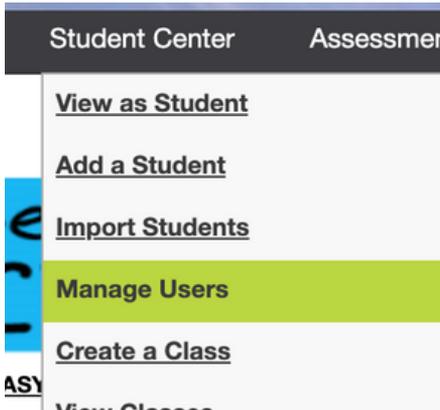

OPTION

Import Canvas IDs with Education Galaxy

2

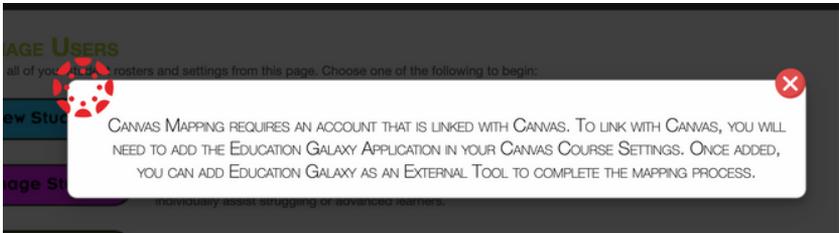

1. Click Student Center
2. Click Manage Users

3. Click Canvas Mapping

This option allows you to map Education Galaxy users to their Canvas logins. You can export your classes, add their Canvas logins and import the updated spreadsheet. Once imported students will have Single Sign-On capability from Canvas.

4. Follow Steps to Complete Mapping Process

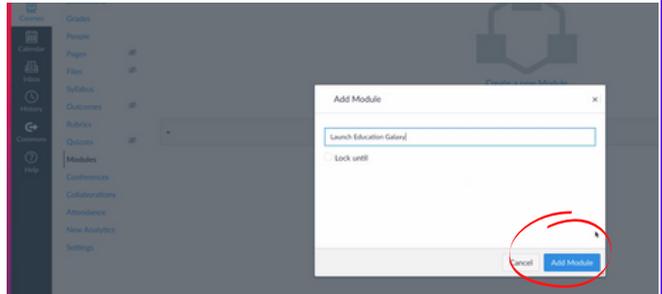

*Your district may need to add or enable Education Galaxy to the course directory to be downloaded

Adding Education Galaxy as a Module in Canvas

1. Click Courses

2. Click Modules and Click Add Modules

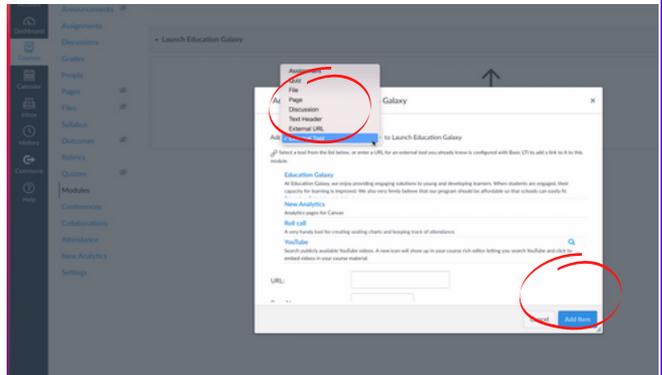

3. Click (+) sign

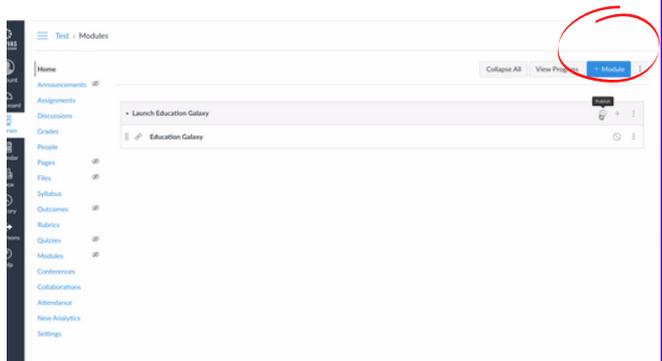

4. Click External Tool

5. Click Education Galaxy

6. Click Load in New Window

7. Click Add Items

8. Click Publish next to Education Galaxy once added to Modules

canvas

Add External Tool to Launch Education Galaxy

Select a tool from the list below, or enter a URL for an external tool you already know is configured with Black LTI to add a link to it to this module.

Education Galaxy
At Education Galaxy, we enjoy providing engaging solutions for young and developing learners. When students are engaged, their capacity for learning is improved. We also very firmly believe that our program should be affordable so that schools can easily fit into their budgets.
