

There are **TWO** options to integrate Google Classroom with Education Galaxy. Teachers must follow steps 1-4 to either import or export their class roster.

1. Click on Student Center, and select Manage Users
2. Select the Google Classroom option, then click "Sign In with Google"

3. Login with your Google account to link your accounts
4. Click allow in each of the permission prompts to grant Education Galaxy authorization to sync with your Google Classroom account.

There are TWO options to integrate Google Classroom with Education Galaxy.

OPTION
1

Export EG Class to Create a NEW Google Classroom

Students must have EG accounts and an EG class created before syncing with Google Classroom

This will create a separate Google Classroom for your students' Education Galaxy assignments.

5. Click Student Center, then click Manage Users
6. Select the Google Classroom option.
7. Once in the Google Classroom Center the Education Galaxy classes will populate.

NOTE: If the Education Galaxy classes do not populate, filter by grade level or class name.
