

# The A & A Referral Program

*"Your Referrals Are Our Greatest Compliment"*

A & A has been fortunate to have been provided so many great referrals from our customers, suppliers, carriers, and more. **Referrals account for over 75% of our business thanks to people like you.**

Anyone qualifies for the A & A Referral Program. You can earn a fantastic passive income by referring one of the following to A & A:

An exporter / importer **into Canada** that ships **10 or more shipments** per month

An exporter / importer **into the USA** that ships **10 or more shipments** per month

The A & A Referral Program creates a **win/win outcome** for people involved in the industry surrounding cross border trade.

## Here's how it works:

Referral Type	Referral Fee	Explanation
Importer into <b>Canada</b>	<b>\$5.00</b> Per Shipment	Get \$5.00 per shipment that crosses into Canada that A & A clears, <b>up to \$5,000 per importer</b>
Importer into <b>the USA</b>	<b>\$5.00</b> Per Shipment	Get \$5.00 per shipment that crosses into the USA that A & A clears, <b>up to \$5,000 per importer</b>

## Fine print

- ✓ If an importer is just starting out and has less than 10 shipments per month and is planning to grow, **they will still qualify.** (A & A works with repeat, high volume importers and is not looking for one-time referrals.)
- ✓ We will pay **\$5.00 per shipment** up to **max \$5,000 per customer.**
- ✓ We will send you a statement and a cheque **by the 15th of each month.**
- ✓ We will pay you in your **domestic currency** - CAD or USD
