1.9.2.1

Release Notes

Copyright © Advanced Computer Software Group Ltd 2025

This document contains confidential and / or proprietary information. The content must not be disclosed to third parties without the prior written approval of Advanced Computer Software Group Limited or one of its subsidiaries as appropriate (each referred to as “Advanced”). External recipients may only use the information contained in this document for the purposes of evaluation of the information and entering discussions with Advanced and for no other purpose.

Whilst Advanced endeavors to ensure that the information in this document is correct and has been prepared in good faith, the information is subject to change, and no representation or warranty is given as to the accuracy or completeness of the information. Advanced does not accept any responsibility or liability for errors or omissions or any liability arising out of its use by external recipients or other third parties.

No information set out or referred to in this document shall form the basis of any contract with an external recipient. Any external recipient requiring the provision of software and/or services shall be required to enter into an agreement with Advanced detailing the terms applicable to the supply of such software and/or services and acknowledging that it has not relied on or been induced to enter into such an agreement by any representation or warranty, save as expressly set out in such agreement.

The software (if any) described in this document is supplied under license and may be used or copied only in accordance with the terms of such a license. Issue of this document does not entitle an external recipient to access or use the software described or to be granted such a license.

The development of Advanced software is continuous, and the published information may not reflect the status. Any release of the software may not contain all the facilities described in this document and / or may contain facilities not described in this document.

Advanced Computer Software Group Limited is a company registered in England and Wales with registration number 05965280 whose registered office is at The Mailbox, 7 Commercial Street, Birmingham, B1 1RS.

A full list of its trading subsidiaries is available at www.oneadvanced.com/legal-privacy.

INTRODUCTION

This document contains an overview of the fixes included in version 1.9.2.1 of Business Cloud Essentials.

DEFECTS

STOCK ENQUIRY – FREE STOCK DEMAND

Following upgrades from MySQL version 5.7 to 8.0 stricter data validation rules prevented users from drilling down to view stock demand from the Stock Enquiry.

Code changes have been implemented in the stock controller to ensure full compatibility with MySQL version 8.0 allowing error free operation using the updated database version.
