

Cross-Tenant Access Request Form

As outlined in the SaaS Agreement Section 1.6, each tenant must have an assigned administrative user. Only the administrative user has the power to grant an agent user access to more than one LoanPro tenant (account).

Agent User Needing Access

Agent User Name: _____ **Company Name:** _____

LoanPro Tenant ID: _____ **Date:** _____

Company To Access

Company Name: _____ **LoanPro Tenant ID:** _____

Signature

In order to facilitate granting cross-tenant access to the agent user listed above, a copy of this document must be signed by the administrative user for both companies, and provided to Simnang.

I certify that I am the authorized administrative user of the LoanPro accounts referenced by the Tenant IDs shown above. I am requesting this additional tenant access be granted to the agent user listed. I understand the consequences of granting cross-tenant access.

Administrative User Signature _____
Date

Second Administrative User Signature (If Applicable) _____
