

E-Signature

Accelerate the turnaround of signed agreements, and capturing secure credit card authorization forms to increase your definite bookings. Powered by DocuSign, our built in E-Signature tool converts contracts, BEO's and other select documents into e-signable formats, sent to client direct via email from your STS Cloud or ProposalPath module for easy online processing. We also offer a convenient link for clients with existing Sertifi accounts too.

Features

- ✓ Prepare documents from STS Cloud or ProposalPath, and click send for E-Signatures
- ✓ PCI Compliant secure CC authorization form
- ✓ Documents incorporate DocuSign electronic fields
- ✓ Confirm document packet and send an email to client immediately

Benefits

- ✓ Increase conversions to bookings faster
- ✓ Eliminate need for downloading, scanning & email
- ✓ User defined access to see full card data
- ✓ No set up fee
- ✓ Nominal monthly rate for licensing database

"We've seen reduction in contract cycle time from 4 days to 1 day!"

Large Hotels & Resorts Chain

How to Get Started
