

Sole Source Letter

DATE: 01/01/2019

To Whom It May Concern:

Sphero, Inc. is the sole source provider of the Sphero BOLT® Power Pack™, and has exclusive rights and abilities to make and sell this product in North America. Purchase orders can be submitted to orders@sphero.com for processing.

As the industry leader in Connected Play, we are defining the future of fun. Founded by Ian Bernstein and Adam Wilson, passionate robotics and software engineers, we create connected toys, fusing emerging technology with the latest innovations in robotics.

Unlike traditional toys, our robots and software allow us to create ever-evolving experiences – changing the way people play, learn and explore.

Sincerely,

A handwritten signature in blue ink that reads "Jim Booth". The signature is written in a cursive style with a large initial "J".
