MORE THAN INVOICES

One network for the whole purchase cycle

01 Catalogue — Products and prices

02 Order — What the buyer wants

03 Order Response — Accepted or changed

04 Despatch Advice — What was shipped

05 Invoice — And credit notes

Message Level Response confirms each document was received and accepted.

CONNECT YOUR SYSTEMS API · EDI · Own format · E-mail · FTP / SFTP

Country formats and networks: hubbroker.com/e-invoicing-country

GETTING STARTED

From connection to go-live

1. **Get in touch** — Contact us or sign up online.
2. **Agreement** — Scope and pricing agreed.
3. **Registered** — We register you on Peppol.
4. **Connected** — Flows set up, ERP linked.
5. **Go live** — Send and receive with partners.

WHAT WE NEED FROM YOU

- Company or VAT number
- Documents to send and receive
- Sample files from your ERP
- Partners to start with

COMMON QUESTIONS

Answers before you ask

Do we need our own Peppol ID?
Yes, based on your company number. We register it.

Is our partner on Peppol?
We check the network for you before go-live.

What if a document is not delivered?
SMP errors retry automatically; we help with the rest.

Do we need to change our ERP?
No. We work with the format it already sends.

SUBSCRIPTION Quoted for your scope: jurisdictions, document volume and support tier.
