WHY HUBBROKER

E-invoicing, without the complexity

Stay compliant

Each country's format and rules, handled.

Keep your ERP

Your current format, converted for you.

Get paid faster

Invoices arrive validated and ready to process.

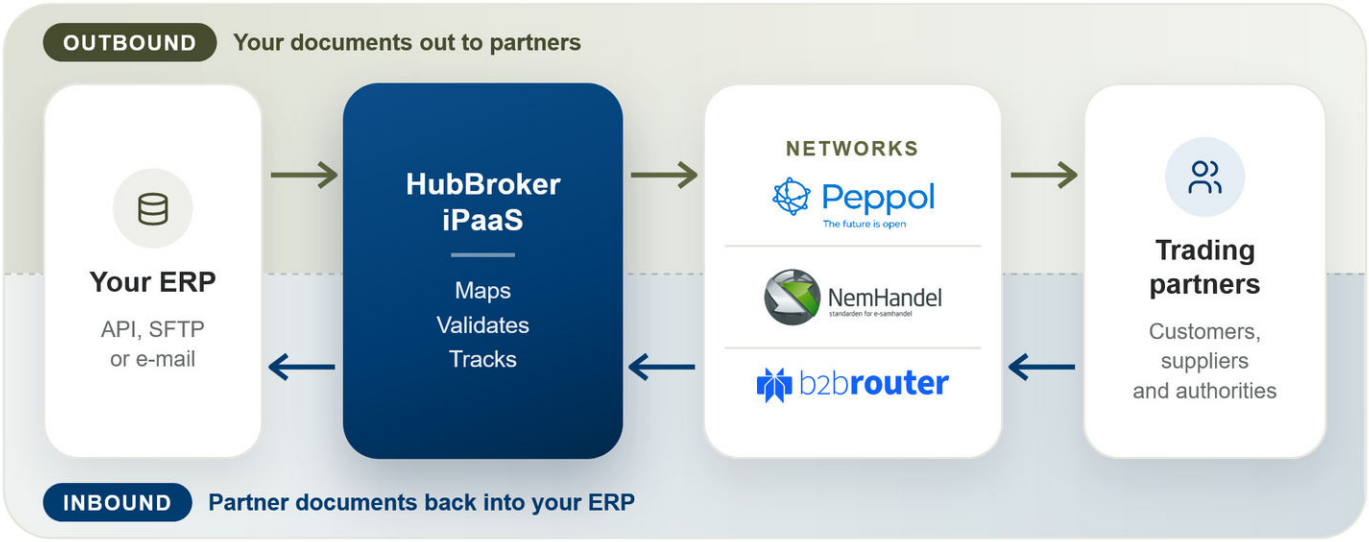

Full visibility

Every document tracked and confirmed.

15+	100+	40+	120K+
Years of experience	Clients	Countries	Transactions per month

HOW IT WORKS

One connection, every network

YOUR SITUATION

One service, whatever your footprint

Single market
One country, set up end to end.

Multiple markets
Several countries, one integration.

Partner request
Connected to your partner's network.

KEY FLOWS

Send and receive supported documents

OUTBOUND

Send
Validated, then delivered in each partner's format.

INBOUND

Receive
Collected, checked and mapped for your ERP.

DOCUMENTS Invoice · Credit Note · Order · Order Response · Despatch Advice · Catalogue · Message Level Response

NOTIFICATIONS

Know where every document stands

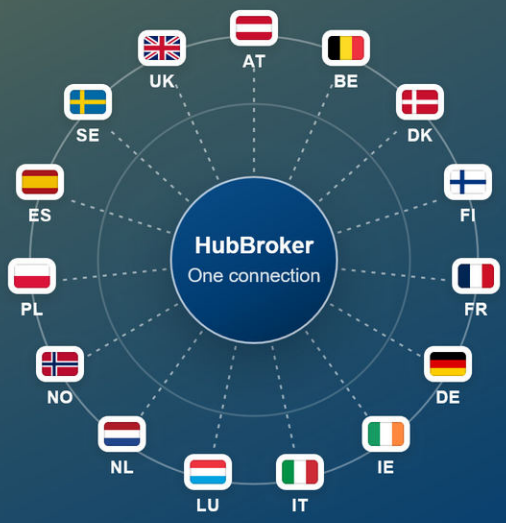

Delivered · Received into ERP · Rejected by validation · Recipient not found

COUNTRY COVERAGE

Formats and networks by country

Through our Peppol Access Point, NemHandel and partner B2Brouter.

Your tax adviser confirms your obligations.

GETTING STARTED

From first call to go-live

1. **Scoping call** — Countries, partners, documents.
2. **Registration** — Handled by HubBroker.
3. **Connect** — Your ERP, as it is today.
4. **Test** — Checked before going live.
5. **Go live** — First live exchange.

WHAT WE NEED FROM YOU

- Company and VAT numbers
- Countries and trading partners
- Sample invoices from your ERP
- Access to your ERP or files

COMMON QUESTIONS

Answers before you ask

Do we need to change our ERP?
No. We work with the format it already sends.

What if a partner is not on Peppol?
Delivery runs through national platforms or EDI.

Can we test before going live?
Yes. Testing is part of every onboarding.

Who handles Peppol registration?
We do, plus any set-up your networks require.

SUBSCRIPTION Quoted for your scope: jurisdictions, document volume and support tier.
