

Nazwa pola	Is it required?	Field description
Loading-country	yes	Country of loading
Loading-postal	yes	Loading postal code
Loading-city	yes	Loading city
Loading-street	no	Loading street
Loading-number	no	Loading number
Unloading-country	yes	Country of unloading
Unloading-postal	yes	Unloading postal code
Unloading-city	yes	Unloading city
Unloading-street	no	Unloading street
Unloading-number	no	Unloading number
Loading-date	yes	Loading date
Unloading-date	yes	date of unloading
external_shipment_id	no	Optional ID number
capacity	yes	Vehicle capacity
publication_price_currency	yes	Offer currency
publication_price_value	no	Offer price
payment_type	no	Payment method
payment_period_days	no	Date of payment
Vehicle-size	yes	Vehicle size
Vehicle-type	yes	Body type
Freight_type	yes	Freight type
Description	no	Additional description
Loading-type	no	Loading method
Load-name	no* if the "quantity" field is completed, the field cannot be empty	Load name
Load-type	no	Load type
Load-amount	no	Load quantity
Load-length	no	Load length
Load-width	no	Load width
Load-height	no	Load height
Load-volume	no	Load volume
Load-weight	no * if the "Settlement" field is set to "ton", then the field cannot be empty	Load weight
Additional-requirements	no	Additional requirements
ADR	no	ADR
OtherOperationType	no	Another operation type
Settlement	no	settlement unit
Settlement-basis	no** if the "Settlement" field is set to "ton", then the field cannot be empty	settlement basis
total_weight	no* if the "Freight_type" field has value "MULTI_FTL" then the field cannot be empty	Total weight of the load
schedule_type	no* if the "Freight_type" field has value "MULTI_FTL" then the field cannot be empty	Schedule of haulages
count	no* if the "Freight_type" field has value "MULTI_FTL" then the field cannot be empty	Number of loads
per_order_min	no* if the "Freight_type" field has value "MULTI_FTL" then the field cannot be empty	Minimum number of haulages
per_order_max	no* if the "Freight_type" field has value "MULTI_FTL" then the field cannot be empty	Maximum number of haulages
proposed_count	no* if the "Freight_type" field has value "MULTI_FTL" then the field cannot be empty	Number of haulages
quantity	no	Quantity of a given load type
