

Premium Home Buyer Service

In conjunction with our service partner MyConnectPlus, we are proud to offer you a premium home buyer service.

How it works

- 1** MyConnectPlus is a free utility connection service, offering choice of retailers and discounted rates for electricity and gas.
- 2** We also assist with your internet, phone and pay tv connections.
- 3** Our specialist connections team will call you, discuss your requirements and find you the best retailers and plans to suit your needs.
- 4** We'll then book in all connections, ready for the move into your new home.
