Here's what a recent customer has to say

I used Settle Easy and I highly recommend their services to others.

They provide you with simple responses and all documents relating to your matter can be found on their online portal. This was a big selling point for me. Easy to engage, easy to use and well priced. I'll never go back to a traditional conveyancer.

Our team is delighted to extend this special thank you offer to all customers, friends and family. We look forward to helping you settle easy.

Fee does not include disbursements/out of pocket expenses. These are fees we might have to pay third parties to complete your conveyancing transaction which can vary from \$300-\$600 depending on the type of property involved. Settle Easy has a commercial relationship with your service provider to bring the best conveyancing services to those who matter most - our customers.
