1. If, during the Tenant term, a defect which is not minor in nature becomes apparent in Landlord Property 1 or Landlord Property 2 or it becomes necessary to take precautions against anticipated damages or hazard to the Landlord properties of the building, the Tenant shall immediately notify Landlord 1 and 2 thereof.
 2. The Tenant shall be liable for any damages which result from the culpable breach of his or her duty of care and duty to notify. This also applies to damage caused by improper operation and handling of equipment and technical facilities as well as by inadequate heating or ventilation, or insufficient protection against frost.
 3. The Tenant is also liable for the negligence of family members, visitors, lodgers and all persons residing with his or her consent in the building or in the apartment.

- In the event of damage to these for which the Tenant is liable, Landlord 1 and/or Landlord 2 may, after unsuccessfully requesting that said damages be remedied and giving the Tenant a deadline to do so, make good the damages at the latter's expense.
5. In addition, the Landlord advises the Tenant to take out homeowner's insurance for his or her personal items since the Tenant may potentially have to bear any costs associated with damage that has not been caused by the landlord.

§ 11 Tenant regulations

The tenant regulations attached to this contract as Annex 3 are an integral part of the Tenant agreement. The tenant regulations may be changed unilaterally by Landlord 1 if necessary to maintain order or for management reasons. 4. Section 1, paragraph 2 of this agreement applies to the return of the set of keys. § 15 Right of entry

In order to determine the need to perform work or the condition of the Landlord property, Landlord 1 is entitled to enter Landlord Property 1 after arranging a date for viewing with the Tenant. Landlord 1 may include other persons for this purpose or solely have a third party conduct the visit. 2. In the event of termination and re-Tenant, or if the apartment is intended to be sold, the Tenant shall permit inspection on business days between the hours of 9am-1pm and 3pm-7pm, as well as between 11am-1 pm on Sundays and public holidays. When work is being carried out, this obligation shall be in effect during the working hours of the relevant laborers and, in cases of imminent danger, at any time of day or night. 3. If the Tenant intends to remain away from the apartment for several days, the keys must be kept in an easily accessible location which Landlord 1 is informed of in writing. § 16 Landlords' liability

1. The strict liability of Landlords 1 and 2 for damages for material defects, which exist as of the conclusion of the contract (warranty liability) for their respective Landlord property, is excluded. Section 536, paragraph 1, 1st alternative German Civil Code does not apply in this respect.
2. Landlord 1 and 2 and their vicarious agents shall be liable for intent and gross negligence. For slight negligence, they are liable only for the breach of essential or typical contractual obligations. Furthermore, the exclusion of liability does not apply if the Landlords warrant certain features of the Landlord property or fraudulently conceal a defect.
3. The exclusion of liability shall not be in effect for damages for which the Landlords have insurance cover or for which the Landlords can successfully seek recourse against a third party.

§ 17 Data privacy and declaration of informed consent pursuant to Section 4 Federal Data Protection Act

Processing of personal data is done on the basis of Section 28 of the Federal Data Protection Act specifically in order to fulfil the business purposes of the Landlords. The Tenant has been informed that, as part of contract management, the Landlord saves contractually pertinent data on data storage media and that the data is stored, processed and transmitted to third parties (e.g. Owner (being the main Lessor as well) of Leased Property 1, property management, accounting services, estate agents, prospective buyers, tax advisors, affiliates within the meaning of Section 15 et seq. Federal Data Protection Act) in line with the provisions of the Federal Data Protection Act (BDSG). Said storage and transmission may be revoked at any time with future effect. In the event that this is not precluded by regulations on retention under the tax code or other laws, this personal data will then be deleted or otherwise blocked.

§ 18 Video monitoring

1. According to judicial rulings, Landlord 1 must inter alia ensure that the Tenant is not harassed or potentially endangered by "unwanted visitors" in the stairwell, underground car parks or empty apartments. In light of cases of vandalism in the Landlord's FIZZ buildings and underground car parks and/or at its affiliated companies, Landlord 1 had decided to monitor the entrance area

and the common areas of The FIZZ and underground parking by means of a video camera.

2. This monitoring will be clearly announced on signs in the entrance areas of The FIZZ and in the underground car park, as well as in the monitored public areas. Unfortunately, due to the large number of tenants and visitors entering and exiting each day, a less restrictive measure of ensuring the safety of The FIZZ and its residents is not tenable.
3. The Landlord space and the doors to the Landlord space are not monitored. The latest survey of tenants by Landlord 1 and its affiliated companies revealed that no one Tenant agreement THE FIZZ Bremen (Version 14.1) Page 6 of 7 objects to video monitoring. On the contrary, tenants even request/welcome video surveillance since it makes them feel safer.
4. Video monitoring only records images, and no sound recordings of the aforementioned areas are created. Recorded images will be stored electronically for a period of up to 14 days and then immediately overwritten.
5. The recorded images will only be reviewed and stored for a longer period of time in case of suspicion that crimes have been committed. The electronic storage location for recorded images is password protected. Access to these recordings is limited to solely the house manager and/or his or her representative(s) as well as the IT service provider of Landlord 1, all of whom are sworn to secrecy. In the event that there is suspicion that a crime has been committed, the house manager reports solely to the management of Landlord 1, which can then inspect the video recordings.
6. The Tenant consents to the recording of video images and the electronic storage of recordings of the entrance area and the public areas of The FIZZ and the underground garage by means of video cameras, and shall ensure that the people who enter The FIZZ with his or her consent/at his or her behest are informed of the video surveillance.

§ 19 Legal venue

Legal venue is the head office of the respective Landlord unless the Tenant has no general legal venue in Germany or the party to be pursued via litigation transfers their domicile or habitual residence abroad following the conclusion of the contract or their domicile or habitual residence at the time legal action is brought is unknown.

House Rules

Living together in THE FIZZ requires special mutual consideration on the part of residents. Annoying and disturbing co-residents must be avoided. Mutual consideration, the willingness to jointly control conflicts and tolerance are all indispensable prerequisites for living together in THE FIZZ.

1. Living in THE FIZZ.

- 1.1 Persons may only live in the building after a valid Tenant agreement has been concluded. The same applies to the use of all communal areas and the use of the underground car park. - 1.4 The Tenant agrees to open a German bank account and provide the Landlord with a SEPA direct debit authorization for the collection of rent which is due.
- 1.5 The Landlord or his designated agent may enter the Landlord premises following prior arrangement or posted notice. In the event of imminent danger, access is permitted at any time and must be allowed.

2. Use of the Landlord living area.

The Landlord premises entrusted to the Tenant for use must be treated with care and protected from damage. Among others, the following rules are in effect in this respect:

- 2.1 Furnishings may not be removed or installed in the Landlord premises without the consent of the Landlord. In the event that the owner gave permission to install the Tenant's own furniture or other fixtures, all such items must be removed from the building no later than the expiration of the Tenant term. In the event that the Tenant fails to fulfill this responsibility, the owner will remove such items at the expense of the Tenant.
- 2.2 The Tenant must immediately notify the house manager of necessary repairs and defects.
- 2.3 Tenants must keep rooms sufficiently neat to permit visitors to be shown around at any and all times.
- 2.4 Technical equipment in the Landlord premises must be used in accordance with the operating instructions which are handed out during move-in.
- 2.5 Damage to furnishings in rooms must be immediately reported to the house manager.
- 2.6 The installation of lock cylinders not issued by the building is prohibited.
- 2.7 Posters, stickers etc. may not be placed on room doors.
- 2.8 Carpets may not be glued or nailed to the floor.
- 2.9 Tenants are prohibited from placing signs, photos and stickers, banners, labels, etc. on the walls/ceilings in the Landlord residential unit.
- 2.10 Floors, windows, doors and co-Landlord furnishings may only be cleaned with commercial cleaners suitable for this purpose. Natural wood must be regularly treated with the appropriate polishes. Cleaning and care instructions must be observed.
- 2.11 No objects/food remnants which could cause blockages may be thrown into the toilet or other drains. Discharge siphons are to be maintained in usable condition at the Tenant's expense.
- 2.12 The use of caustic pipe cleaners is prohibited due to resulting acute danger to drainage pipes.
- 2.13 Washing or drying laundry in the rooms is not allowed.
- 2.14 During storms or when absent, doors and windows must be kept properly locked.
- 2.15 The Tenant is liable for damages caused by negligence.
- 2.16 The Tenant must immediately file a report with the house manager if vermin or pests are detected in the Landlord premises. A delay or failure to file the report shall result in the loss of the Tenant's potential claims against the Landlord.
- 2.17 Installing and operating additional household appliances such as cooking plates, washing machines, dishwashing machines, electric clothes dryers, refrigerators and electric heaters of any type is prohibited.
- 2.18 Clothing, suits and similar items may not be hung in front of or out of windows. Liquids, refuse and the like may not be emptied and/or thrown from windows or the balcony into the courtyard, the yard, onto the roof or into the gutters.
- 2.19 The balcony may solely be used in the normal manner. The storage of refuse, junk etc. and usage as a storage area is not permitted.
- 2.20 Barbecuing is not allowed on the balcony.

- 2.22 The Tenant is liable for the completeness and intact condition of the room furnishings.

- 2.26 Care should be taken to be economical when consuming water, electricity, hot water and space heating. For extended absences, the Tenant must turn down the heat and keep windows closed.
- 2.27 The Tenant must ensure adequate ventilation. During hot weather, this can be suitably accomplished by a full airing several times a day to replace the air. Continuously tilting the window sash causes significant energy loss, which should be avoided.
- 2.28 Subletting and/or relinquishing the Landlord living area to third parties by the Tenant is prohibited.

3. Communally accessible building facilities must be treated with care when used, and damage should be avoided. The Tenant is therefore obligated to observe the following:

- 3.1 The Tenant must take care to avoid unnecessary consumption of water and electricity in communally used areas of the building. The Tenant must also prevent unauthorized use of building facilities.
- 3.2 Communal spaces must be cleaned immediately following their use. This also applies to technical equipment which has been provided in the communally used facilities.
Refrigerators must be periodically cleaned, and defrosted at least once every 4 weeks. Stoves (including ovens), washing machines and dryers in the central washing machine room must be cleaned immediately after use (wipe up spilled detergent!).
- 3.3 Sweepings and trash may only be emptied into the trash cans or trash chute provided for this purpose. Official regulations regarding trash separation (organic waste, residual waste, waste paper bins, etc.) must be observed in this context. Bulky or highly flammable waste must be disposed of by other means.
- 3.4 Tenants are prohibited from placing signs, photos and stickers, banners, labels, etc. on the walls/ceilings in all communal areas.
- 3.5 The Tenant is liable for all damages caused by himself or herself in all publicly accessible areas of the building.
- 3.6 The house manager will place the respective room numbers on the mailboxes in the building. For reasons of data privacy and to maintain the uniform appearance of THE FIZZ, name plates are not permitted to be attached.

- 3.7. Installation of outdoor antennas and satellite systems is not allowed. Drilling holes in the walls, ceiling and balcony is strictly prohibited since utility lines are partially embedded in the concrete and the Tenant does not know their location. The lines are easily damaged. The Tenant must reimburse the owner for any costs incurred in connection with the unlawful drilling of holes, in particular in the building wiring.
- 3.8. Structural and technical modifications, as well as work which impacts safety and utility services (e.g. locking systems, gas, water and sanitary areas, electrical network) are not permitted. All electrical devices used by the Tenant must bear the EU's CE conformity marking.
- 3.9. Communal spaces and study rooms may only be used for parties and celebrations after prior consultation with the house managers.
- 3.10. Floor hallways and escape routes may not be used for parties or celebrations.
- 3.11. Bicycles may not be parked in living areas and/or on the balconies. If provided, a special storage area for bicycles and baby carriages is to be used. In addition, bicycles may not be parked in the courtyard.
