It is highly advised to enter the VAT number. Without a VAT number we will not be able to add the sales tax to the invoice. If you still want to proceed without, click on **continue**.

The screenshot shows the DISH Starter purchase interface. At the top left is the ISH by METRO logo. The navigation menu includes 'Our solutions', 'Addons', 'Pricing', and 'Resources'. The user is identified as 'Test Max Trainer'. A modal dialog box is displayed in the center, containing the following text: 'Your VAT number is valid, but does not allow for VAT-exempt European transactions. As a result, VAT may be charged when purchasing a paying product. You can contact your local tax adviser to inquire about how to enable VAT-exempt transactions with other EU countries.' Below the text are two buttons: 'Back' and 'Continue'. The 'Continue' button is highlighted with an orange border. Below the dialog box, the form fields for 'Street name*', 'Additional', 'Postal code*' (with value '14772'), and 'City*' (with value 'Brandenburg') are visible.

The order will now be displayed summarized.
