The image shows a login form on a dark blue background. The form is light gray and contains two input fields. The first field is labeled 'Username' and contains the letter 'c'. The second field is labeled 'Password' and is empty; it is highlighted with a thick orange border. Below the password field, there is a link 'Forgot your password?' and a blue button with a right-pointing arrow and the text 'Login'.

 C'est ça. Vous vous êtes connecté avec succès et êtes de retour sur votre tableau de bord.

The screenshot shows a dashboard for the DISH Order system. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, and USERS. The main area displays six summary cards in a 2x3 grid:

Metric	Value
Total Orders	0
Total Pick-up Orders	€0.00
Total Sales	€0.00
Total Delivery Orders	€0.00
Total Orders Completed	0
Total Lost Sales	€0.00

Below the cards is a 'Reports Chart' section with a date range selector set to 'September 14, 2020 - October 13, 2020'. A legend indicates that the blue bars represent 'Orders'. The chart area is currently empty.
