The screenshot shows the DISH website management interface for "John's bakery". The top navigation bar includes the bakery name, address, a "VISIT WEBSITE" button, and a language selector set to "English". A left-hand sidebar contains various management options such as Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area features a large green checkmark and the text: "Congratulations, your website is now successfully up and running." Below this, it states: "Your new website has just been created and is instantly available at the following internet address: <https://johns-bakery.acc.eatbu.com/>. You can now continue editing the websites' content and images using the navigation on the left-hand side. Please note that your establishment description has been automatically generated. Please go under the [Description](#) to edit or deactivate it." At the bottom, there is a preview of the website's header, which includes the bakery logo and the name "JOHN'S BAKERY" over a background image of wheat and bread. A yellow question mark icon is visible in the bottom right corner of the preview area.

Isso é tudo para a configuração. Seu site foi criado com sucesso e seu estabelecimento pode ser encontrado online.
