

Once you are logged in to your Facebook page click on **add a button**.

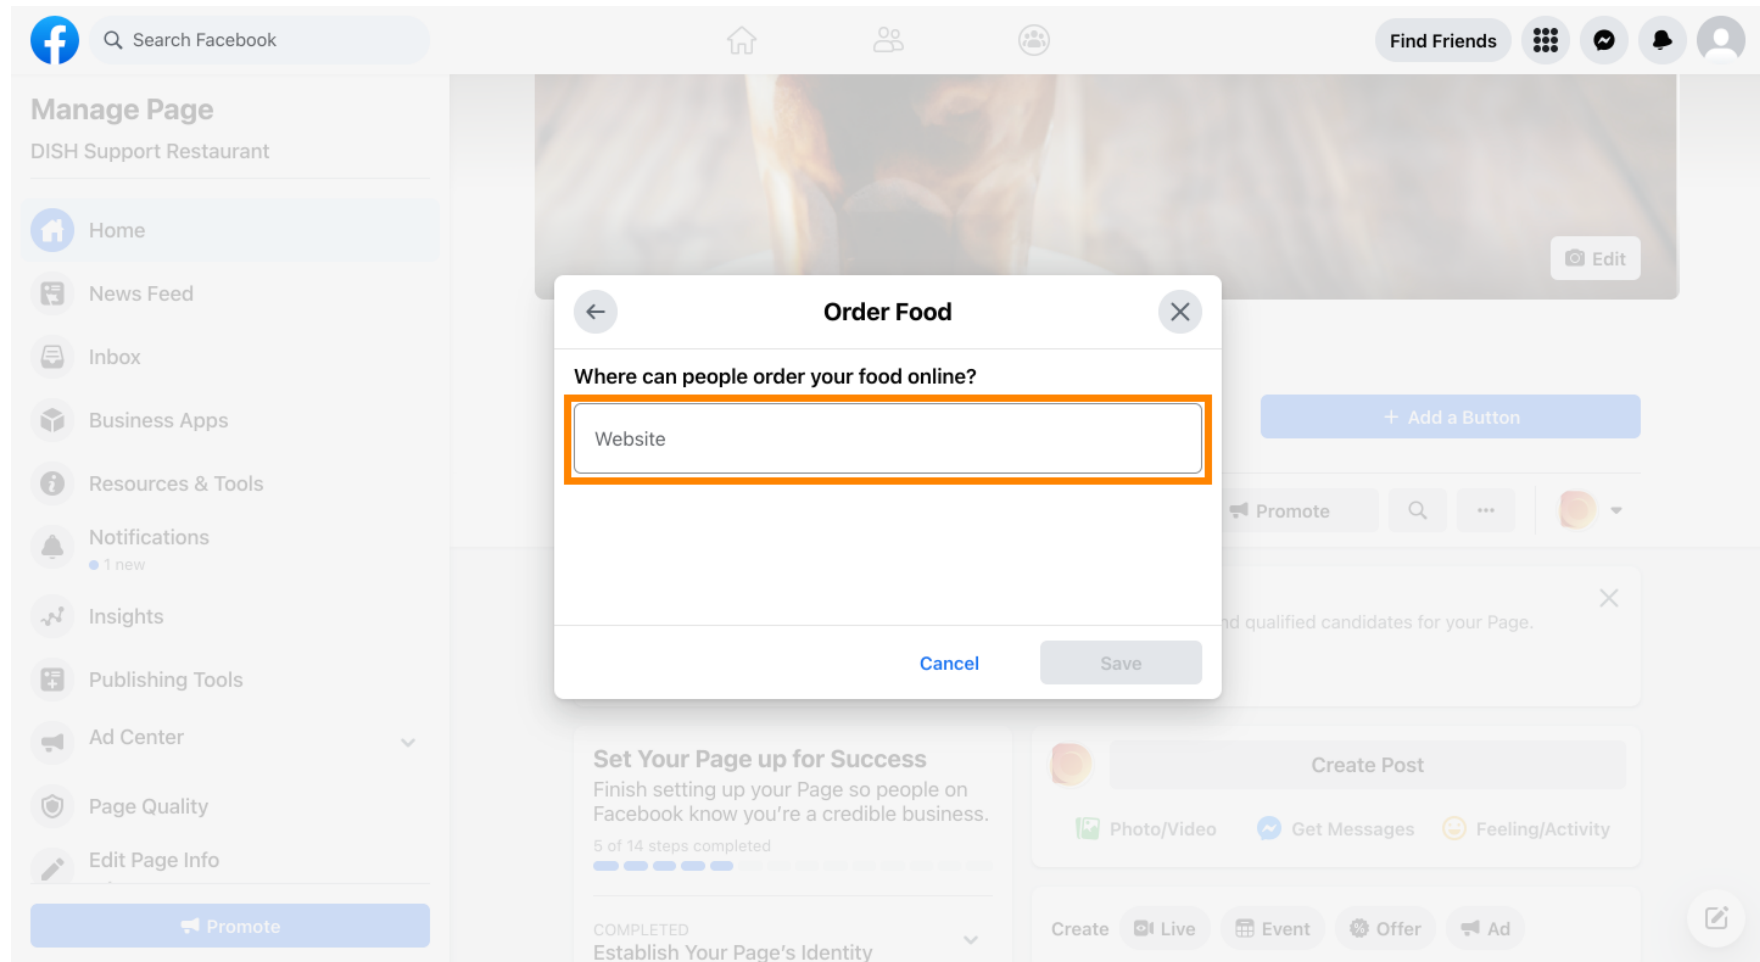

The screenshot shows the Facebook interface for a business page named 'DISH Support Restaurant'. On the left is a 'Manage Page' sidebar with various tools like Home, News Feed, and Insights. The main content area features a cover photo of food, a profile picture, and the page name. Below the name, a blue button labeled '+ Add a Button' is highlighted with an orange rectangular box. Underneath this, there are tabs for 'Home', 'Menu', 'Offers', 'Reviews', and 'More'. A notification banner about posting job openings is visible. At the bottom, there's a 'Set Your Page up for Success' section with a progress bar and a 'Create Post' section with options like Photo/Video, Get Messages, and Feeling/Activity.

A pop-up will open with different options. Then select **start order**.

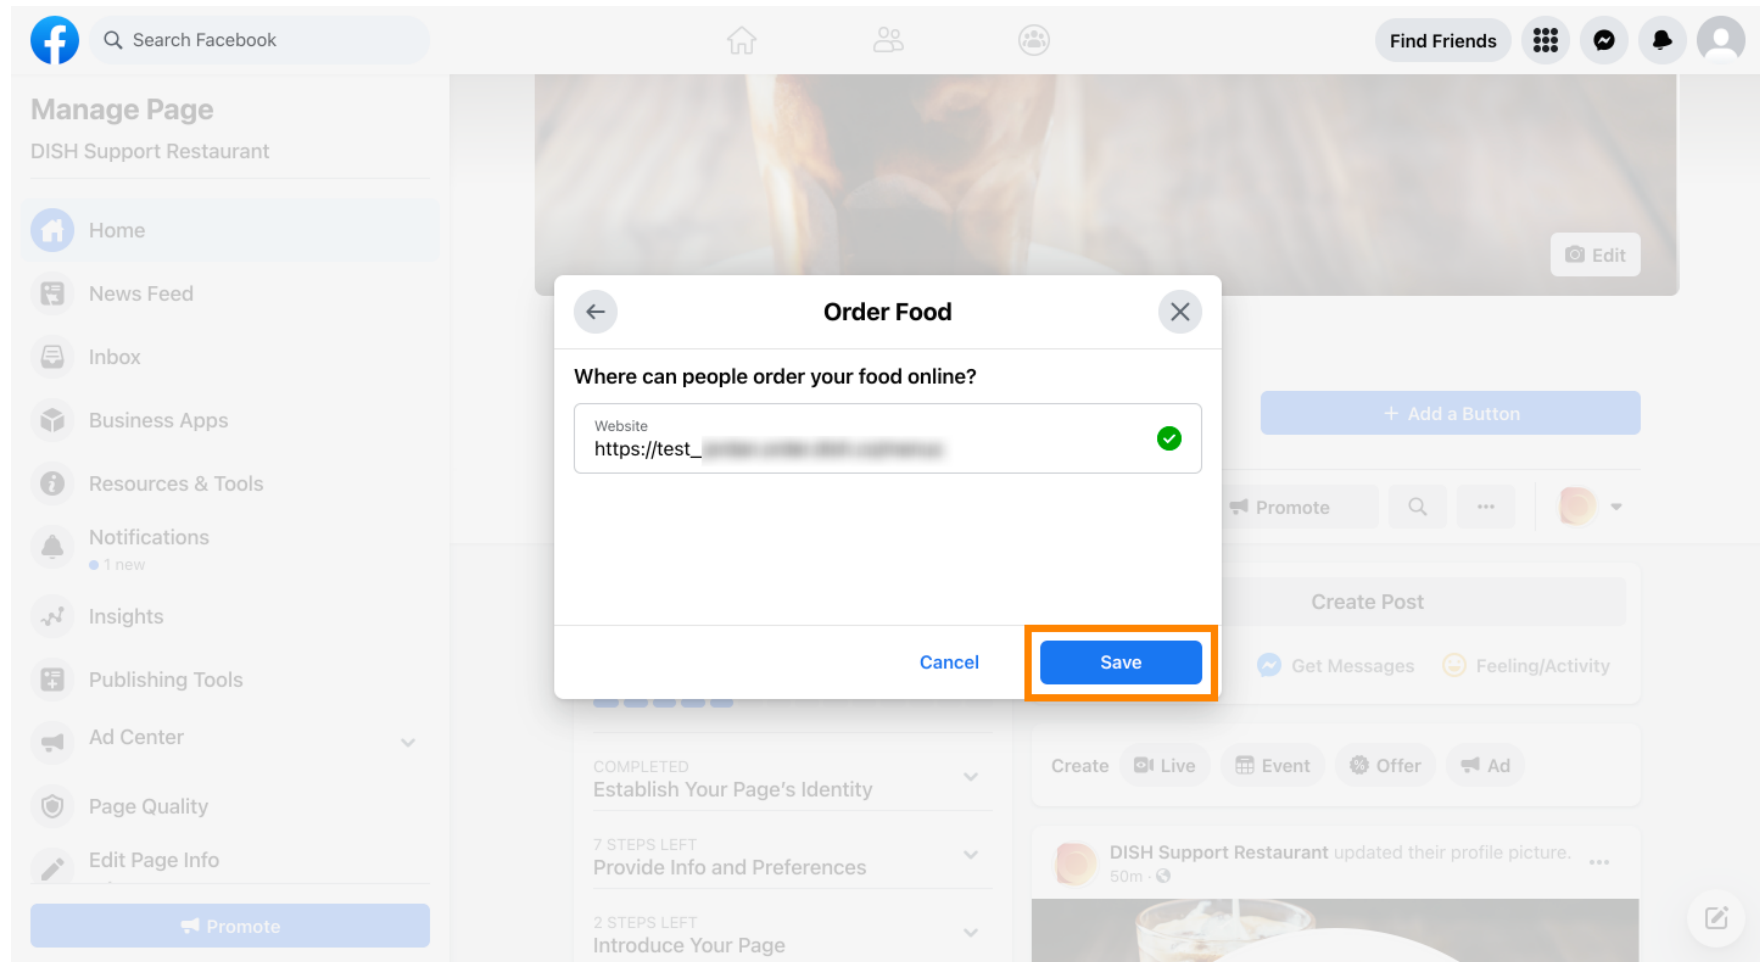

Now enter your DISH Order menu **URL**.

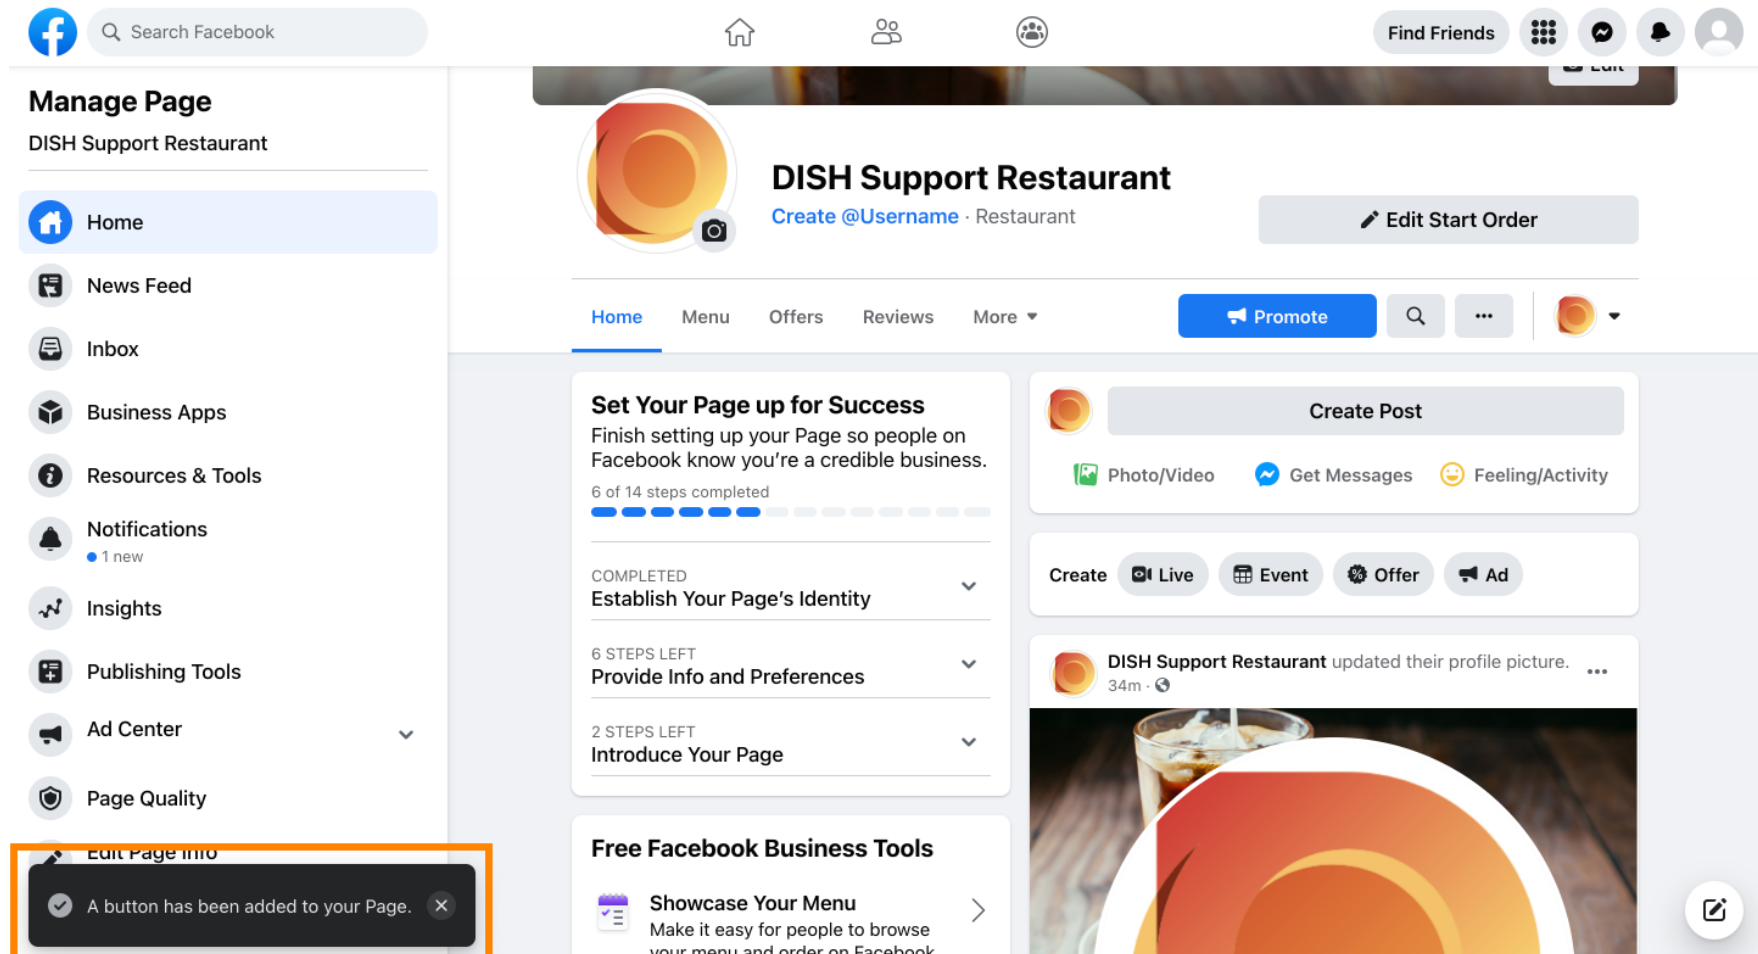

And click on **save** to proceed.

The small **pop-up** in the bottom left corner indicates that the button was successfully added.

The screenshot shows the Facebook page for 'DISH Support Restaurant'. The left sidebar contains the 'Manage Page' menu with options like Home, News Feed, Inbox, Business Apps, Resources & Tools, Notifications, Insights, Publishing Tools, Ad Center, and Page Quality.
