The screenshot displays the DISH MenuKit web application interface. The top navigation bar includes the 'DISH MENUKIT' logo, a dropdown menu for 'Test Bistro Training', a search bar, and user information 'HD*Max' with a language selector set to 'EN'. The left sidebar contains navigation icons for 'Dashboard', 'Recipes', and 'Ingredients'. The main content area is titled 'Settings' and features tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active, showing a 'New Menu' card with an 'Edit' button. A modal dialog box titled 'Edit menu' is open, featuring a text input field for 'MENU NAME' containing 'New Menu', a confirmation message 'Do you want to add and remove recipes?' with instructions to visit the recipe details, and 'Cancel' and 'Save' buttons. At the bottom of the interface, a status message indicates 'All changes have been saved'.

The screenshot shows the DISH MenuKit interface. The top navigation bar includes the DISH MENUKIT logo, a dropdown menu for 'Test Bistro Training', a search bar, and user information 'HD*Max' with a language selector set to 'EN'. The left sidebar contains icons for 'Dashboard', 'Recipes', and 'Ingredients'. The main content area is titled 'Settings' and has tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active, showing a 'New Menu' section with a message: '0 Recipes. No recipes have been added to this menu yet'. A modal dialog titled 'Edit menu' is open in the center. It contains a 'MENU NAME' field with the text 'New Menu is not available anymore'. Below this, it asks 'Do you want to add and remove recipes?' and provides instructions: 'Visit the corresponding recipe and adjust the information under "Recipe details"'. At the bottom of the dialog are two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with an orange border. At the bottom of the main content area, there is a status message: 'All changes have been saved' with a checkmark icon, and a '+ Add categories' button.

 Das ist es. Sie haben Ihre Menüs und Kategorien erfolgreich verwaltet.

The screenshot shows the DISH MenuKit interface. At the top, there's a header with the DISH MENUKIT logo, a dropdown menu for 'Test Bistro Training', a search bar, and user information 'HD*Max' with a language selector 'EN'. On the left, a sidebar contains icons for Dashboard, Recipes, and Ingredients. The main content area is titled 'Settings' and features a 'Categories' section with a '+ Add categories' button. Below this, a table lists five categories: Desserts (0 Recipes assigned), Main courses (10 Recipes assigned), Other (0 Recipes assigned), Partial recipes (0 Recipes assigned), and Starters (1 Recipe assigned). Each category has delete and edit icons. At the bottom of the settings area, a green checkmark icon and the text 'All changes have been saved' are visible. A prominent orange-bordered box highlights a green checkmark icon and the text 'Category deleted successfully' with a close button (X).

Categories	Recipes assigned	Actions
Desserts	0 Recipes assigned	Delete, Edit
Main courses	10 Recipes assigned	Delete, Edit
Other	0 Recipes assigned	Delete, Edit
Partial recipes	0 Recipes assigned	Delete, Edit
Starters	1 Recipe assigned	Delete, Edit

Category deleted successfully
