The screenshot displays the DISH MenuKit interface. At the top, the header includes the DISH MENUKIT logo, the user profile 'Test Bistro Training', a search bar, and the user name 'HD*Max' with a language selector set to 'EN'. The left sidebar contains navigation icons for Dashboard, Recipes, and Ingredients. The main content area is titled 'Settings' and has tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active, showing a list of three menu cards. The first card, 'Menu 1', displays '12 Recipes' and '36% food cost' in green, with a list of items: Schnitzel, Rinderroulade, Seezunge, Lachsbrötchen, and Flammkuchen. The other two cards, 'Menu 2' and 'Menu 3', both show '0 Recipes' and a message: 'No recipes have been added to this menu yet'. A '+ Add menu' button is highlighted with an orange border in the top right corner of the menu list.

The screenshot shows the DISH MenuKit interface. At the top, there's a header with the logo, 'Test Bistro Training', a search bar, and user information 'HD*Max' with a language selector 'EN'. The main content area is titled 'Settings' and has tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active. A card titled 'New Menu is not available any' is visible, with a dropdown menu open showing 'Edit' and 'Delete' options. The 'Delete' option is highlighted with an orange box. Below the card, there's a message: 'No recipes have been added to this menu yet'. At the bottom, there's a 'Categories' section with an 'Add categories' button and a confirmation message: 'All changes have been saved'.

 Y confírmelo haciendo clic en el **menú eliminar**.

También se pueden crear categorías. Para ello, haz clic en **añadir categorías**.

The screenshot shows the DISH MenuKit interface. At the top, there is a search bar and user information (HD*Max, EN). The left sidebar contains navigation options: Dashboard, Recipes, and Ingredients. The main content area is titled 'Settings' and features a 'Categories' section. A table lists five categories: Desserts (0 Recipes assigned), Main courses (10 Recipes assigned), Other (0 Recipes assigned), Partial recipes (0 Recipes assigned), and Starters (1 Recipe assigned). Each category has delete and edit icons. A '+ Add categories' button is highlighted with an orange border. A green box highlights a notification at the bottom: 'Menu successfully deleted'. A status message at the bottom of the settings area reads 'All changes have been saved'.

Category	Recipes assigned	Actions
Desserts	0 Recipes assigned	Delete, Edit
Main courses	10 Recipes assigned	Delete, Edit
Other	0 Recipes assigned	Delete, Edit
Partial recipes	0 Recipes assigned	Delete, Edit
Starters	1 Recipe assigned	Delete, Edit

T Escriba el **nombre** de la nueva categoría en el campo de texto creado.

The screenshot shows the 'Settings' page in the DISH MenuKit application. The 'Categories' section is active, displaying a list of existing categories and a form to create a new one. The new category form is highlighted with an orange border.

Category	Recipes assigned	Actions
Desserts	0 Recipes assigned	Trash, Edit
