The screenshot shows the DISH MenuKit interface. At the top, the header includes 'DISH MENUKIT', 'Test Bistro Training', a search bar, and user information 'HD\*Max' with a language selector 'EN'. The left sidebar contains navigation icons for 'Dashboard', 'Recipes', and 'Ingredients'. The main content area is titled 'Settings' and has tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active, displaying a list of menu items under 'Menu 1' with 12 recipes and a 36% food cost. A 'Create menu' dialog box is open in the center, featuring a text input field with 'New Menu' and two buttons: 'Cancel' and 'Save'. The 'Save' button is highlighted with an orange border.

 Pour modifier un menu existant, cliquez sur l' **icône de menu** .

The screenshot shows the DISH MenuKit interface. At the top, there is a search bar and user information (HD\*Max, EN). The left sidebar contains navigation options: Dashboard, Recipes, and Ingredients. The main content area is titled 'Settings' and has four tabs: Calculation, METRO Connection, **Menus**, and Notifications. Under the 'Menus' tab, there is a 'New Menu' card. This card displays '0 Recipes' and the message 'No recipes have been added to this menu yet'. A vertical menu icon (three dots) on the right side of the 'New Menu' card is highlighted with an orange square. Below the 'New Menu' card, there is a 'Categories' section with an 'Add categories' button. At the bottom of the page, a status message reads 'All changes have been saved' with a checkmark icon.

The screenshot shows the DISH MenuKit interface. At the top, there is a search bar and user information (HD\*Max, EN). The main content area is titled 'Settings' and has tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active. A 'New Menu' card is displayed, showing a list of menu items. The 'Edit' button on the card is highlighted with an orange border. Below the card, there is a 'Categories' section with an 'Add categories' button. A status message at the bottom indicates 'All changes have been saved'.

 **Ajustez** maintenant le nom du menu.

The screenshot displays the 'Settings' interface for 'DISH MENUKIT' under the 'Test Bistro Training' account. The 'Menus' tab is active, and a 'New Menu' card is visible. A context menu is open over the 'New Menu' card, with the 'Edit' option selected. This triggers an 'Edit menu' dialog box. The dialog box contains a 'MENU NAME' field with the text 'New Menu' and a blue border. Below the field, it asks 'Do you want to add and remove recipes?' and provides instructions: 'Visit the corresponding recipe and adjust the information under "Recipe details"'. At the bottom of the dialog are 'Cancel' and 'Save' buttons. The background shows the 'Settings' page with tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. A sidebar on the left contains 'Dashboard', 'Recipes', and 'Ingredients' sections. At the bottom, a status bar indicates 'All changes have been saved'.

The screenshot shows the DISH MenuKit interface. At the top, there's a header with the logo, the text "DISH MENUKIT | Test Bistro Training", a search bar, and user information "HD\*Max | EN". The main content area is titled "Settings" and has tabs for "Calculation", "METRO Connection", "Menus", and "Notifications". The "Menus" tab is active. A card titled "New Menu is not available any" is visible, with a dropdown menu open showing "Edit" and "Delete" options. The "Delete" option is highlighted with an orange box. Below the card, there's a message: "No recipes have been added to this menu yet". At the bottom, there's a "Categories" section with an "Add categories" button and a status message "All changes have been saved".

Et confirmez-le en cliquant sur le **menu de suppression**.

Des catégories peuvent également être créées. Pour cela, cliquez sur **ajouter des catégories**.

The screenshot shows the 'Settings' page in the DISH MenuKit interface. The page title is 'Settings' and the user is logged in as 'HD\*Max'. The main content area is titled 'Categories' and contains a table with the following data:

Category	Recipes assigned	Actions
Desserts	0 Recipes assigned	Trash, Edit
Main courses	10 Recipes assigned	Trash, Edit
Other	0 Recipes assigned	Trash, Edit
Partial recipes	0 Recipes assigned	Trash, Edit
Starters	1 Recipe assigned	Trash, Edit

An orange box highlights the '+ Add categories' button in the top right corner of the categories list. A green box highlights a notification message at the bottom of the page: 'Menu successfully deleted'.

The screenshot shows the 'Settings' page in the DISH MenuKit application. The top navigation bar includes the 'DISH MENUKIT' logo, the user profile 'Test Bistro Training', a search bar, and the user name 'HD\*Max' with a language selector set to 'EN'. The left sidebar contains navigation icons for 'Dashboard', 'Recipes', and 'Ingredients'. The main content area is titled 'Settings' and features a 'Categories' section. This section contains a table of existing categories and a form for creating a new one. The table lists categories like 'Desserts', 'Main courses', 'Other', 'Partial recipes', and 'Starters' with their respective recipe counts and edit/delete actions. The 'Create categories' form at the bottom of the table has a text input field labeled 'Category name' which is highlighted with an orange border. To the right of the input field are 'Cancel' and 'Create categories' buttons. A confirmation message at the bottom of the settings area states 'All changes have been saved'. The footer contains links for 'Legal Information', 'Data Privacy Policy', 'General Terms and Conditions', 'FAQ', and 'Help-videos'.
