Agora **ajuste** o nome do menu.

The screenshot displays the DISH MenuKit web application interface. The top navigation bar includes the 'DISH MENUKIT' logo, a dropdown menu for 'Test Bistro Training', a search bar, and user information 'HD*Max' with a language selector set to 'EN'. The left sidebar contains navigation icons for 'Dashboard', 'Recipes', and 'Ingredients'. The main content area is titled 'Settings' and features tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active, showing a 'New Menu' card. A context menu is open over the 'New Menu' card, with the 'Edit' option selected. This action has triggered a modal dialog box titled 'Edit menu'. The dialog contains a text input field labeled 'MENU NAME' with the text 'New Menu' entered. Below the input field, a message asks 'Do you want to add and remove recipes?' and provides instructions: 'Visit the corresponding recipe and adjust the information under "Recipe details"'. At the bottom of the dialog are 'Cancel' and 'Save' buttons. In the background, the 'Categories' section is visible, and a status message at the bottom indicates 'All changes have been saved'.

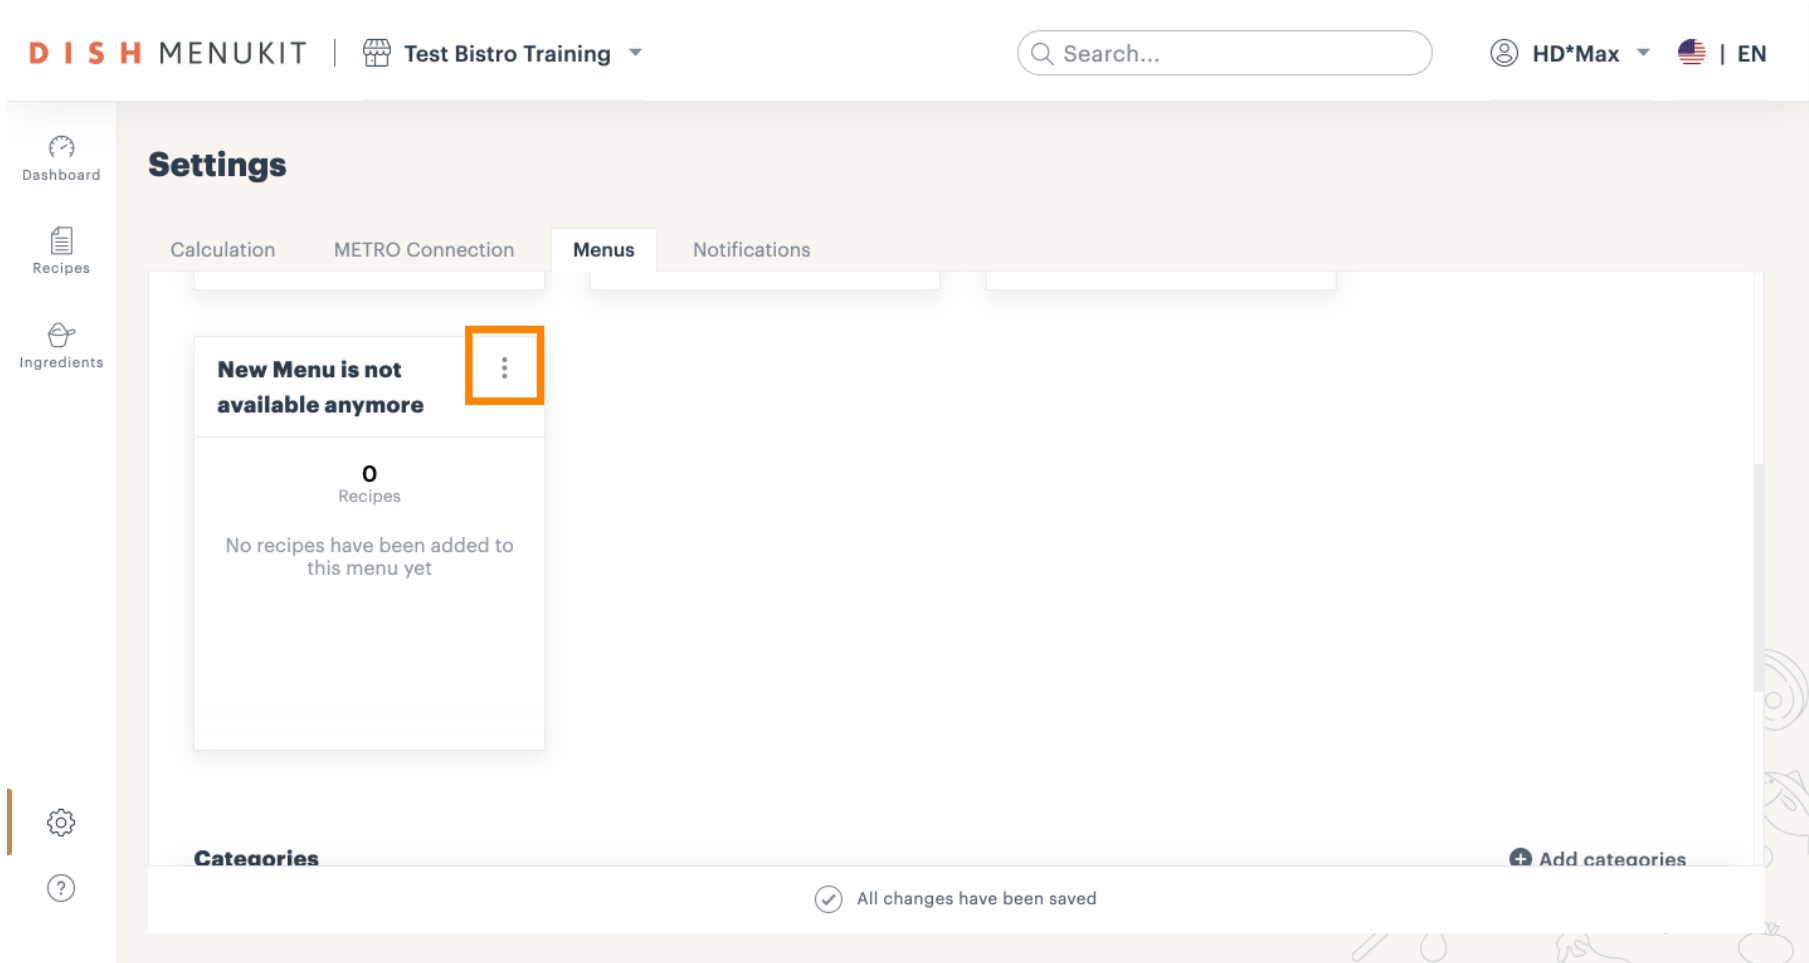

Quando terminar, confirme clicando em **salvar**.

The left sidebar contains navigation icons for 'Dashboard', 'Recipes', and 'Ingredients'. The main content area is titled 'Settings' and features tabs for 'Calculation', 'METRO Connection', 'Menus', and 'Notifications'. The 'Menus' tab is active, showing a 'New Menu' section with a message: '0 Recipes. No recipes have been added to this menu yet'. A modal dialog box titled 'Edit menu' is open in the center, containing a 'MENU NAME' field with the text 'New Menu is not available anymore'. Below this, a question asks 'Do you want to add and remove recipes?' with a subtext: 'Visit the corresponding recipe and adjust the information under "Recipe details"'. At the bottom of the dialog are 'Cancel' and 'Save' buttons, with the 'Save' button highlighted by an orange rectangle. At the bottom of the main interface, a status message reads 'All changes have been saved' with a checkmark icon, and a '+ Add categories' button is visible on the right.

The screenshot shows the DISH MenuKit interface. At the top, there's a header with the DISH MENUKIT logo, a dropdown menu for 'Test Bistro Training', a search bar, and user information 'HD*Max' with a language selector 'EN'. On the left, a sidebar contains icons for Dashboard, Recipes, and Ingredients. The main content area is titled 'Settings' and features a 'Categories' section. This section has a table with columns for category names, the number of recipes assigned, and action icons (delete and edit). The categories listed are Desserts (0 Recipes assigned), Main courses (10 Recipes assigned), Other (0 Recipes assigned), Partial recipes (0 Recipes assigned), and Starters (1 Recipe assigned). Below the table, there's a text input field containing 'Cocktails'. To the right of this field are two buttons: 'Cancel' and 'Create categories'. The 'Create categories' button is highlighted with an orange border. At the bottom of the settings area, a confirmation message states 'All changes have been saved' with a checkmark icon. The footer contains links for Legal Information, Data Privacy Policy, General Terms and Conditions, FAQ, and Help-videos.
