

You are now at the **dashboard**. Click on **tools** to start setting up a new device.

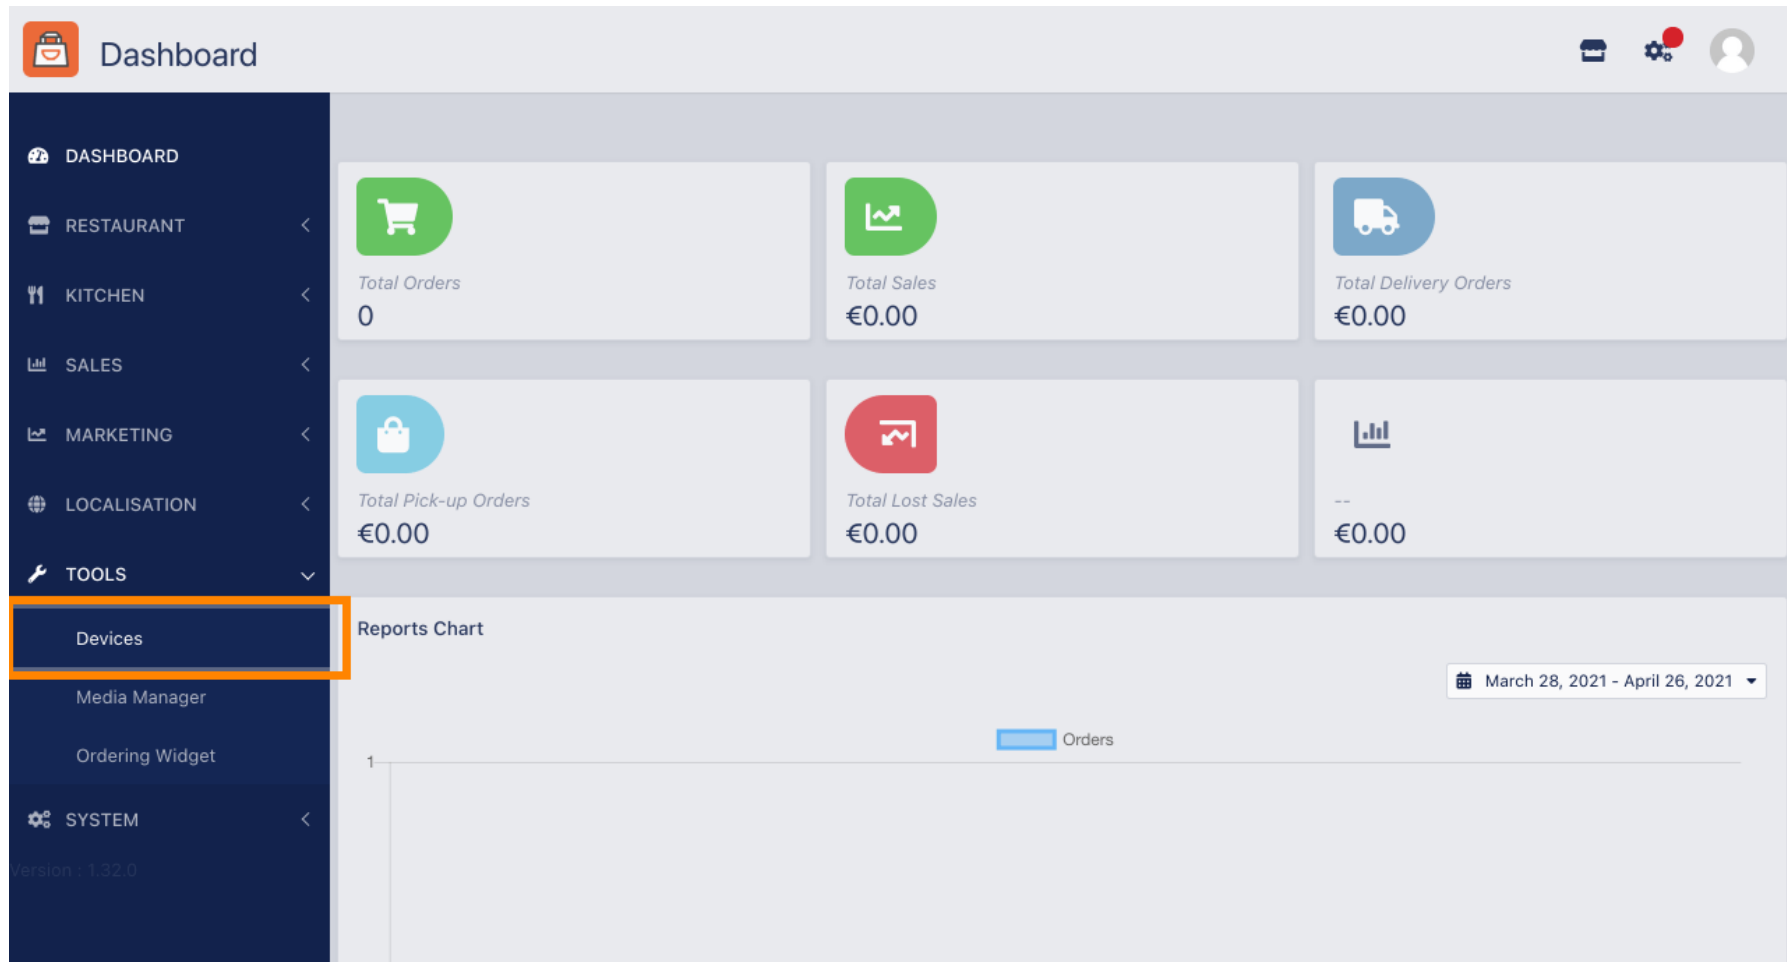

The screenshot shows the DISH Order dashboard. On the left is a dark blue sidebar with a menu. The 'TOOLS' option, represented by a wrench icon, is highlighted with an orange rectangle. The main area of the dashboard is light gray and contains several summary cards and a reports chart.

Icon	Label	Value
	Total Orders	0
	Total Sales	€0.00
	Total Delivery Orders	€0.00
	Total Pick-up Orders	€0.00
	Total Lost Sales	€0.00
	--	€0.00

Below the summary cards is a 'Reports Chart' section. It includes a date range selector set to 'March 28, 2021 - April 26, 2021' and a legend with a blue bar representing 'Orders'. The chart area is currently empty.

Click on **devices** to proceed.

The screenshot shows the DISH Order Dashboard interface. On the left is a dark blue sidebar with a menu. The 'Devices' option is highlighted with an orange rectangle. The main area displays a 'Dashboard' header with a shopping bag icon and user controls. Below the header are six summary cards: 'Total Orders' (0), 'Total Sales' (€0.00), 'Total Delivery Orders' (€0.00), 'Total Pick-up Orders' (€0.00), 'Total Lost Sales' (€0.00), and an empty card. At the bottom is a 'Reports Chart' section with a date range of 'March 28, 2021 - April 26, 2021' and a legend for 'Orders'.

Orders

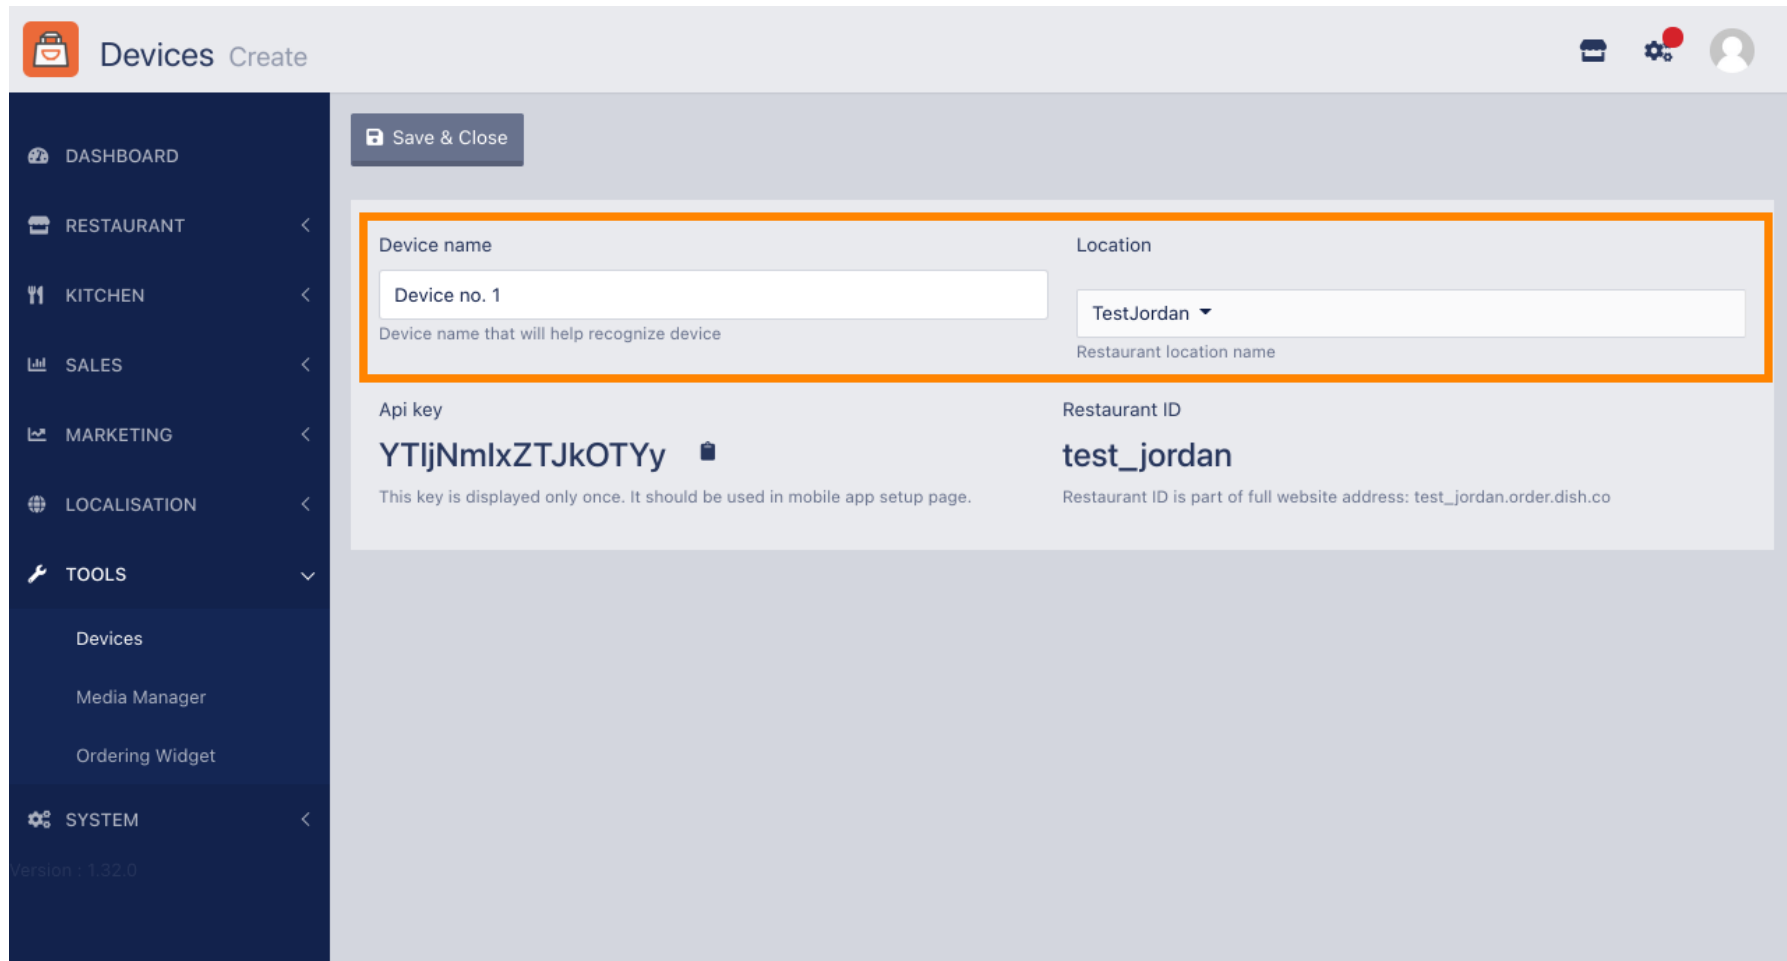

Then click on **new** to add a device.

The screenshot displays the 'Devices allowed to use API' section of the DISH Order interface. On the left, a dark blue sidebar contains a menu with items: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, and TOOLS. The TOOLS section is expanded, showing sub-items: Devices, Media Manager, and Ordering Widget. The main content area has a light gray header with a title 'Devices allowed to use API' and a search icon. Below the header, there are two buttons: '+ New' (highlighted with an orange box) and 'Delete'. The main content area is currently empty, displaying 'Nothing found.'.

Enter the **devices name** and select the **location** you would like to connect it to.

The screenshot shows the 'Devices Create' interface in the DISH Order system. On the left is a dark blue sidebar with navigation links: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, and TOOLS. The 'TOOLS' section is expanded, showing 'Devices', 'Media Manager', and 'Ordering Widget'. The main content area has a 'Save & Close' button at the top left. The form contains two rows of fields. The first row, highlighted with an orange border, has a 'Device name' field with the text 'Device no. 1' and a 'Location' dropdown menu showing 'TestJordan'. The second row has an 'Api key' field with the text 'YTljNmIxZTJkOTYy' and a 'Restaurant ID' field with the text 'test_jordan'. Below the API key is a note: 'This key is displayed only once. It should be used in mobile app setup page.' Below the Restaurant ID is a note: 'Restaurant ID is part of full website address: test_jordan.order.dish.co'.

Restaurant ID

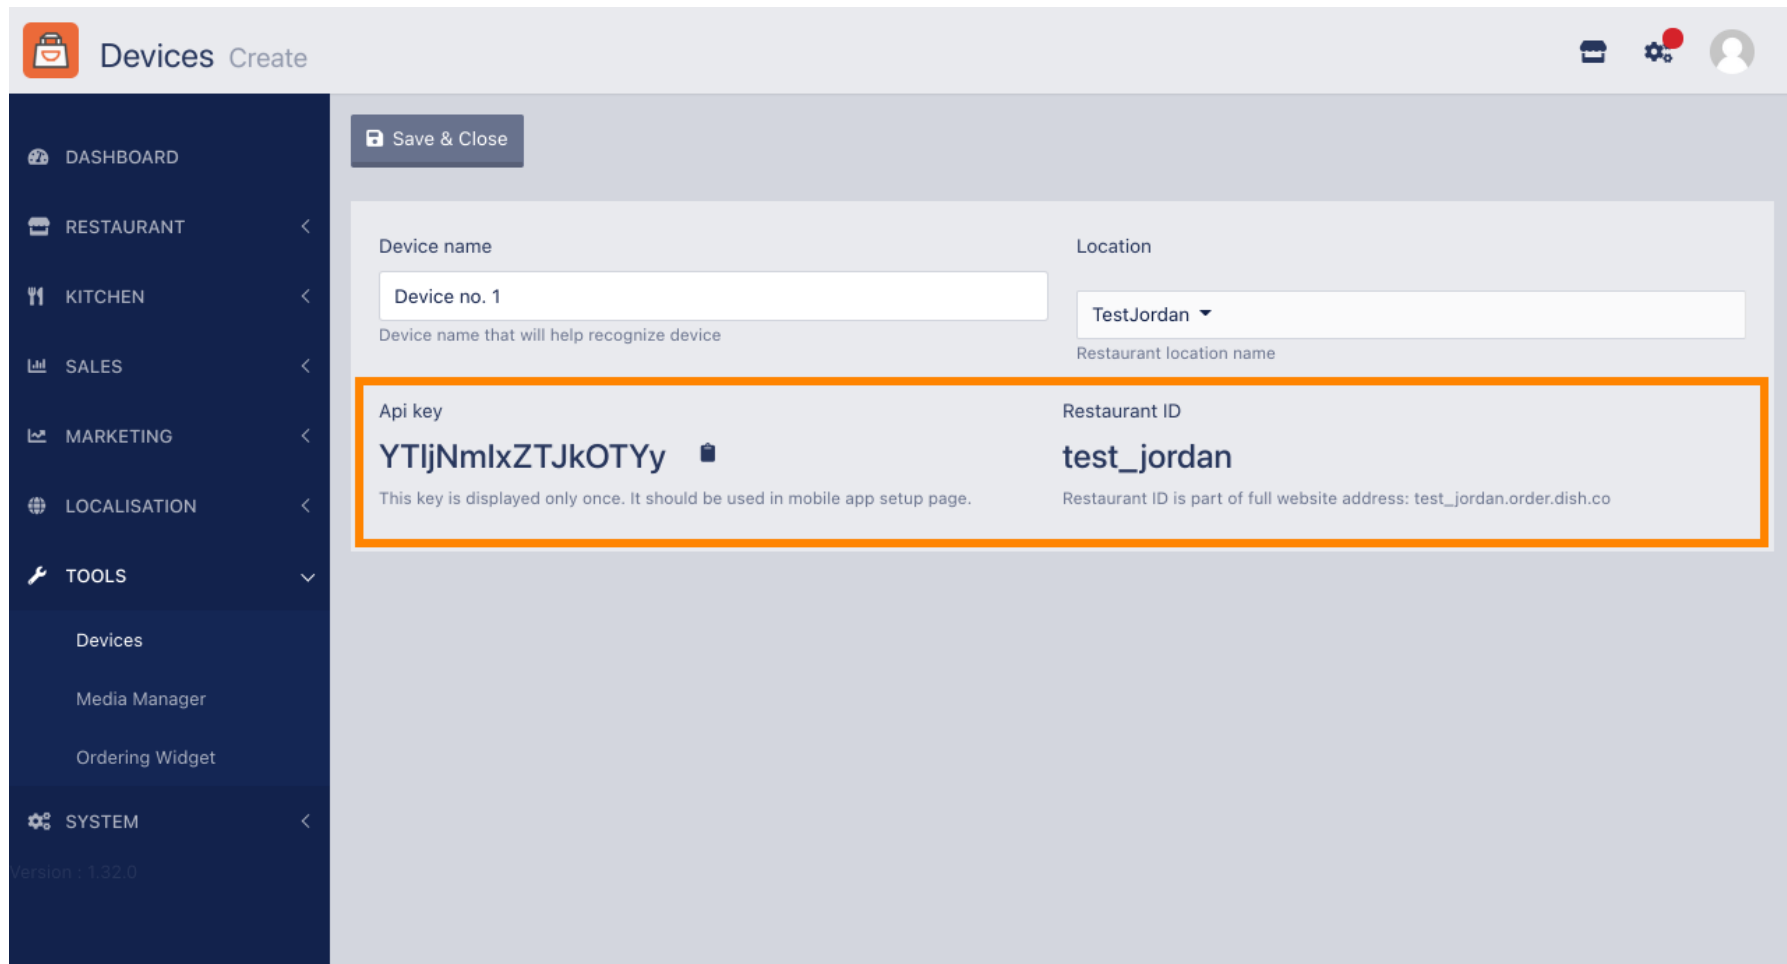

test_jordan

Restaurant ID is part of full website address: test_jordan.order.dish.co

version : 1.32.0

Secure the **API key** and **restaurant ID**. You need to enter them in your order terminal. **Note: Here you find the corresponding tutorial <https://bit.ly/3s0OuFq>.**

The screenshot shows the 'Devices Create' form in the DISH Order system. The form is divided into two main sections: 'Device name' and 'Location' at the top, and 'Api key' and 'Restaurant ID' at the bottom. The 'Api key' and 'Restaurant ID' fields are highlighted with an orange border. The 'Device name' field contains 'Device no. 1' with a note below it: 'Device name that will help recognize device'. The 'Location' field is a dropdown menu showing 'TestJordan' with a note below it: 'Restaurant location name'. The 'Api key' field contains 'YTljNmlxZTJkOTYy' with a note below it: 'This key is displayed only once. It should be used in mobile app setup page.' The 'Restaurant ID' field contains 'test_jordan' with a note below it: 'Restaurant ID is part of full website address: test_jordan.order.dish.co'. A 'Save & Close' button is located at the top left of the form area. The left sidebar contains a navigation menu with options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (expanded), and SYSTEM. The 'TOOLS' menu is expanded, showing 'Devices', 'Media Manager', and 'Ordering Widget'. The version number 'Version : 1.32.0' is displayed at the bottom of the sidebar.

Navigation Menu:

- DASHBOARD
- RESTAURANT
- KITCHEN
- SALES
- MARKETING
- LOCALISATION
- TOOLS
 - Devices
 - Media Manager
 - Ordering Widget
- SYSTEM

Version : 1.32.0

Now click on **save & close** to apply the changes.

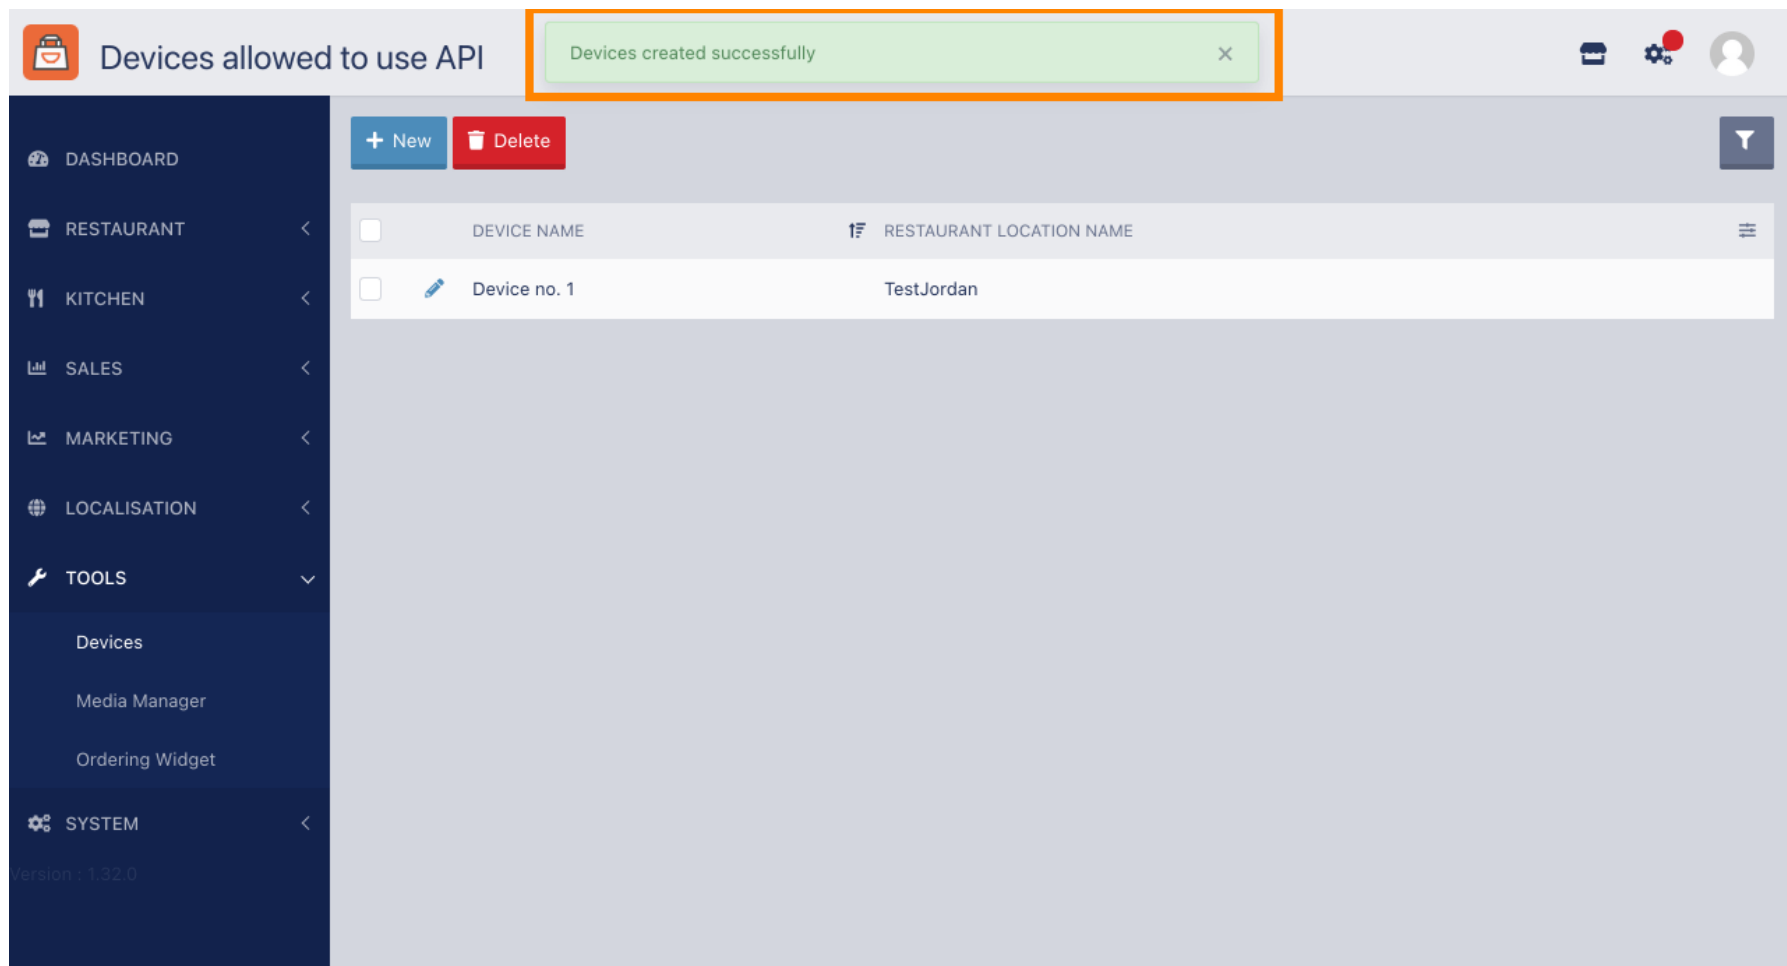

The screenshot shows the 'Devices Create' interface in the DISH Order system. On the left is a dark blue sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (expanded), and SYSTEM. The 'TOOLS' section is active, showing 'Devices', 'Media Manager', and 'Ordering Widget'. The main content area is titled 'Devices Create' and contains a form with the following fields:

- Device name:** A text input field containing 'Device no. 1'. Below it is a note: 'Device name that will help recognize device'.
- Location:** A dropdown menu showing 'TestJordan' with a downward arrow. Below it is a note: 'Restaurant location name'.
- Api key:** A text input field containing 'YTljNmlxZTJkOTYy' followed by a copy icon. Below it is a note: 'This key is displayed only once. It should be used in mobile app setup page.'
- Restaurant ID:** A text input field containing 'test_jordan'. Below it is a note: 'Restaurant ID is part of full website address: test_jordan.order.dish.co'.

At the top of the form area, there is a 'Save & Close' button with a floppy disk icon, which is highlighted with an orange border. In the top right corner of the interface, there are icons for a printer, settings, and a user profile.

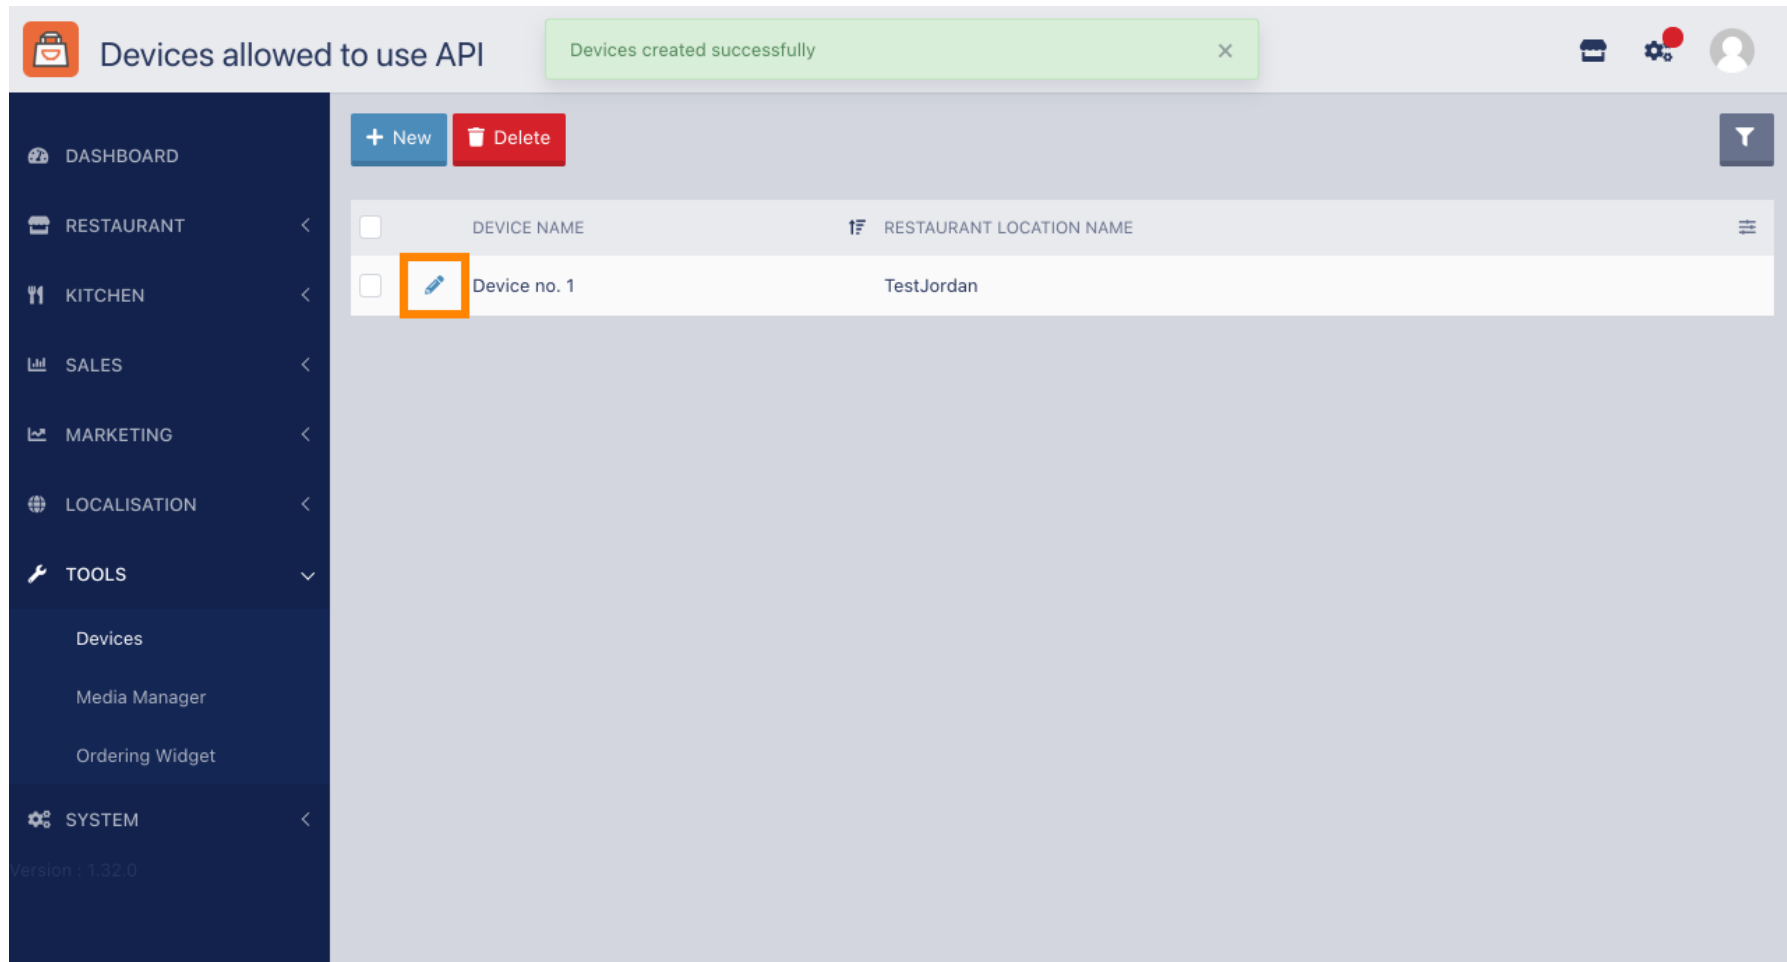

The green **confirmation pop** up on the top of your screen indicates that the device was successfully created.

The screenshot shows the 'Devices allowed to use API' section of the DISH Order dashboard. A green confirmation pop-up at the top reads 'Devices created successfully'. The dashboard includes a sidebar with navigation options: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS, and SYSTEM. The 'TOOLS' section is expanded, showing 'Devices', 'Media Manager', and 'Ordering Widget'. The main content area displays a table with columns for 'DEVICE NAME' and 'RESTAURANT LOCATION NAME'. A single device is listed: 'Device no. 1' at 'TestJordan'.

DEVICE NAME	RESTAURANT LOCATION NAME
Device no. 1	TestJordan

Once you created a device click on the **pencil icon** of your new device.

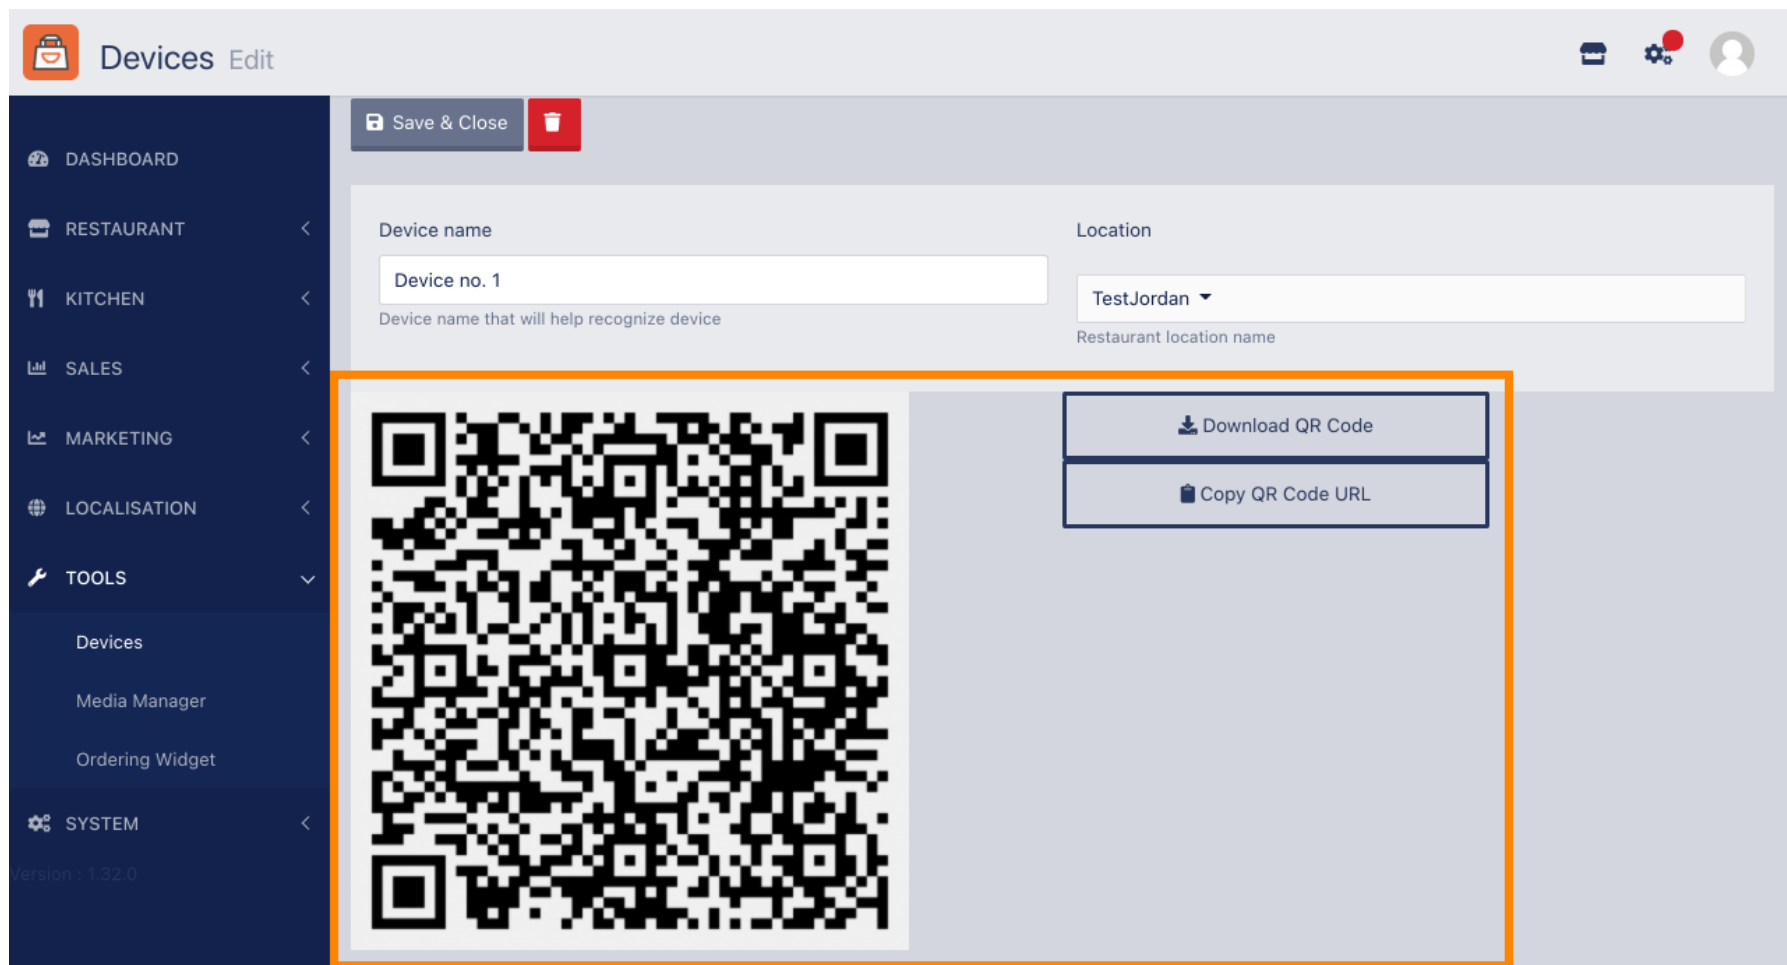

The screenshot displays the 'Devices allowed to use API' management interface. At the top, a green notification bar indicates 'Devices created successfully'. The left sidebar features a navigation menu with categories: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, and TOOLS. Under the 'TOOLS' category, 'Devices' is selected. The main content area shows a table with the following structure:

DEVICE NAME	RESTAURANT LOCATION NAME
Device no. 1	TestJordan

A pencil icon next to the 'Device no. 1' entry is highlighted with an orange box, indicating the action to edit the device.

You are then able to download and copy the individual QR code for an easier login. **Note: How to log in to the order terminal: <https://bit.ly/3s0OuFq>.**

The screenshot shows the 'Devices Edit' interface in the DISH Order system. The left sidebar contains navigation links: DASHBOARD, RESTAURANT, KITCHEN, SALES, MARKETING, LOCALISATION, TOOLS (expanded), and SYSTEM. Under 'TOOLS', 'Devices' is selected. The main content area has a 'Save & Close' button and a red trash icon. Below these are two input fields: 'Device name' (containing 'Device no. 1') and 'Location' (containing 'TestJordan'). The 'Device name' field has a placeholder text: 'Device name that will help recognize device'. The 'Location' field has a placeholder text: 'Restaurant location name'. A large QR code is displayed in the center, highlighted by an orange border. To the right of the QR code are two buttons: 'Download QR Code' and 'Copy QR Code URL'.
