Website Template

✓ Your website template has been successfully updated.

Select a template for your website. Each template is completely responsive and can be customised with the help of the options below (colours, fonts, main image and logo).

Classic

Modern

Main image & colour

Main image

The main image displayed in the head section of your website. Choose an expressive image - it will be the first thing that visitor see on your site.

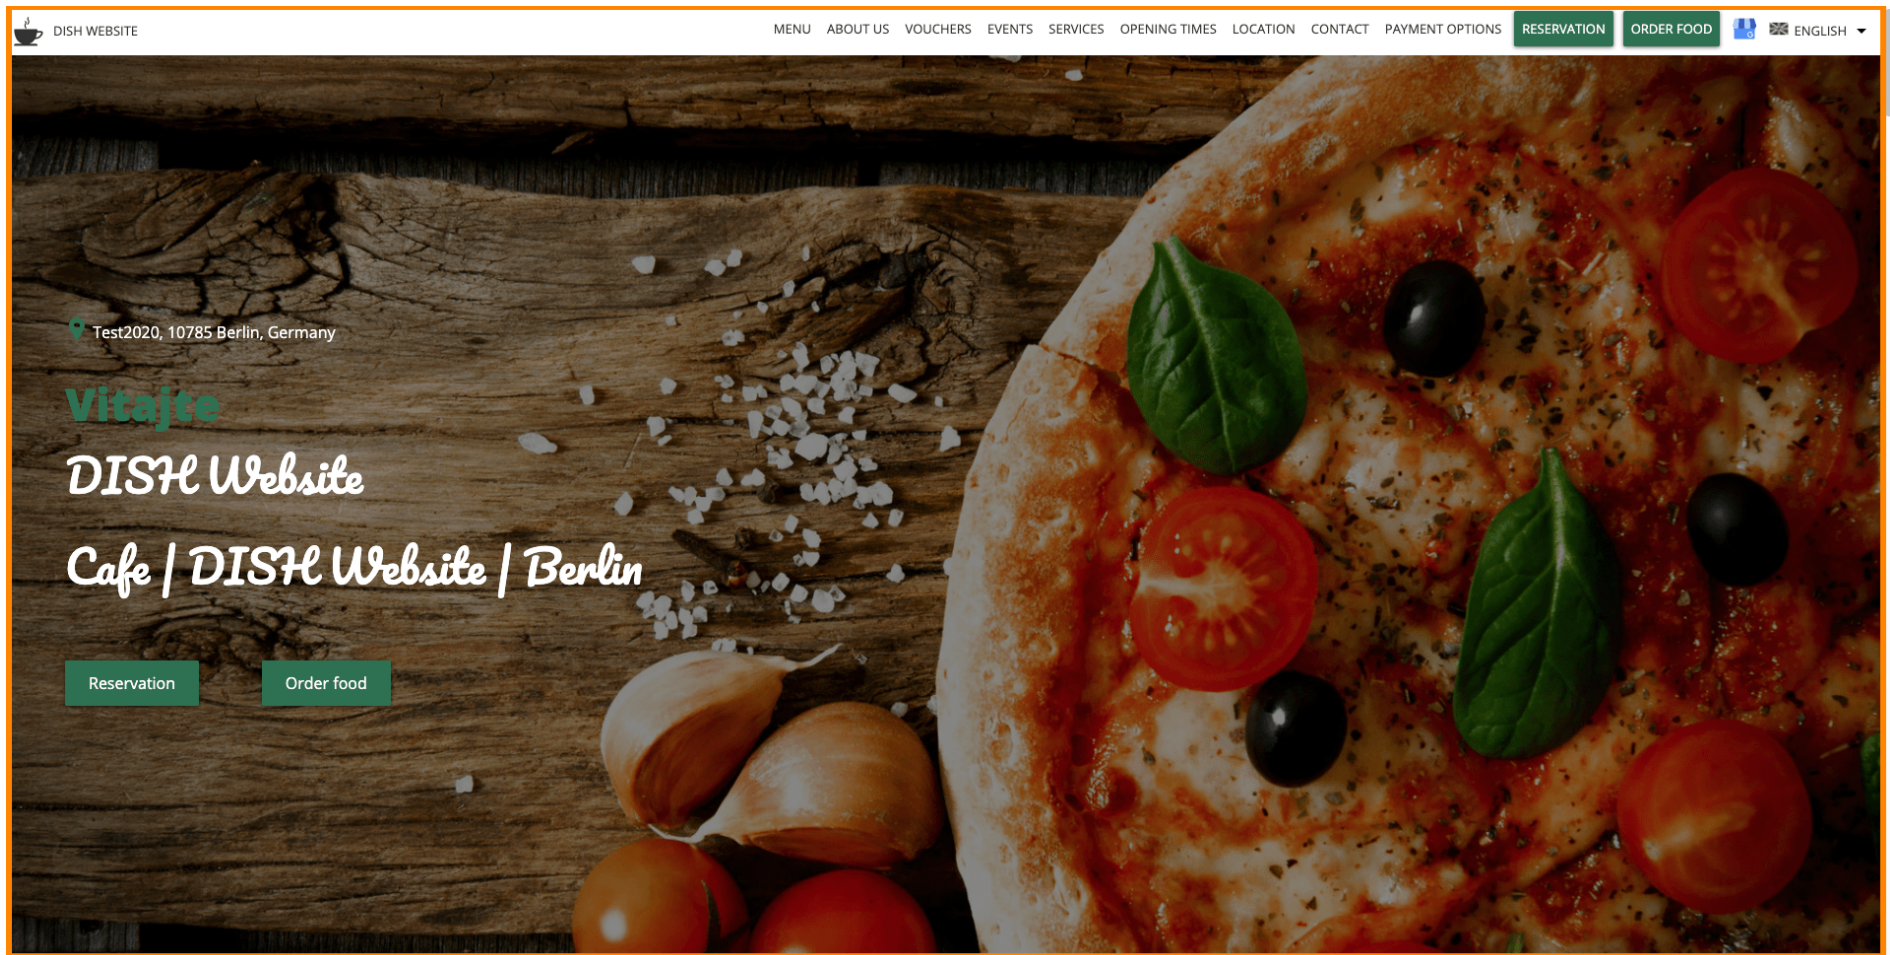

[CHANGE IMAGE](#)

Darkening

Depending on the image it might be useful to darken it, so that you can read the headline better.

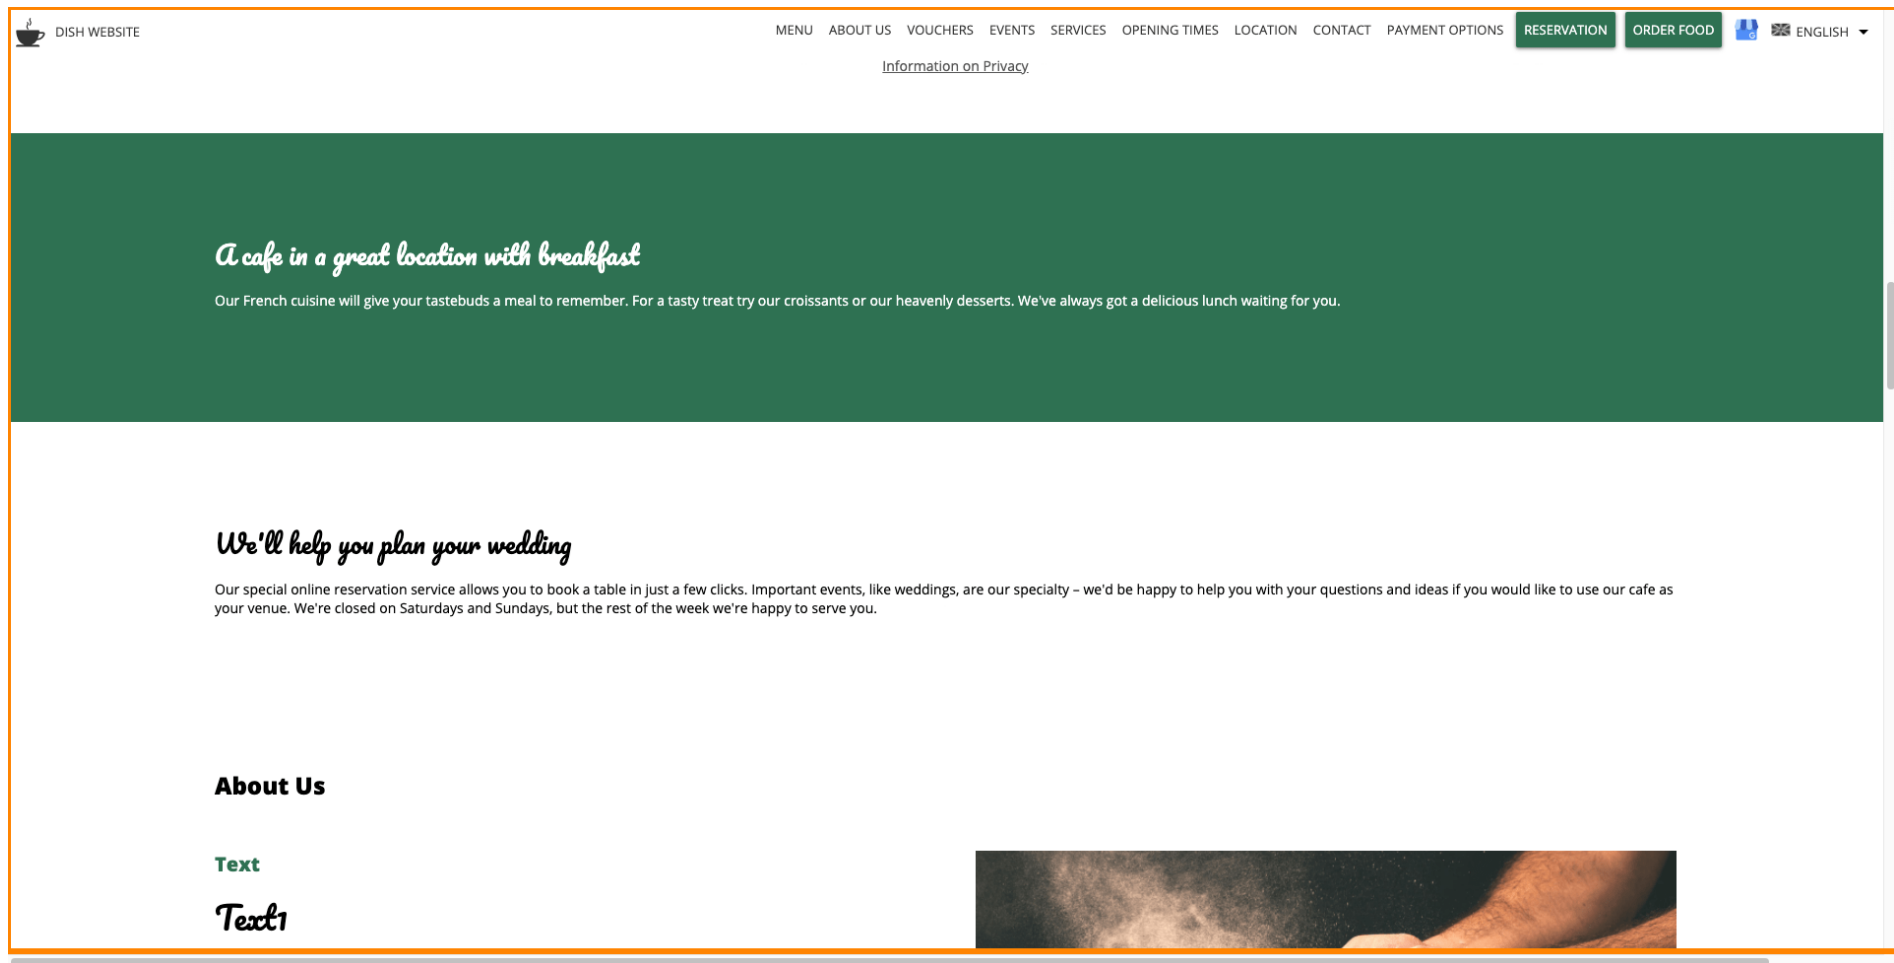

The text alignment is now changed from center to left and the top menu is displayed on a bright background. This gives your website a new-fashioned look and feel. Scroll down to see more aspects of this template.

Some sections of your website are separated with a different background colour. Scroll down to see more sections. **Note: The colour and other features can be changed in the settings menu.**

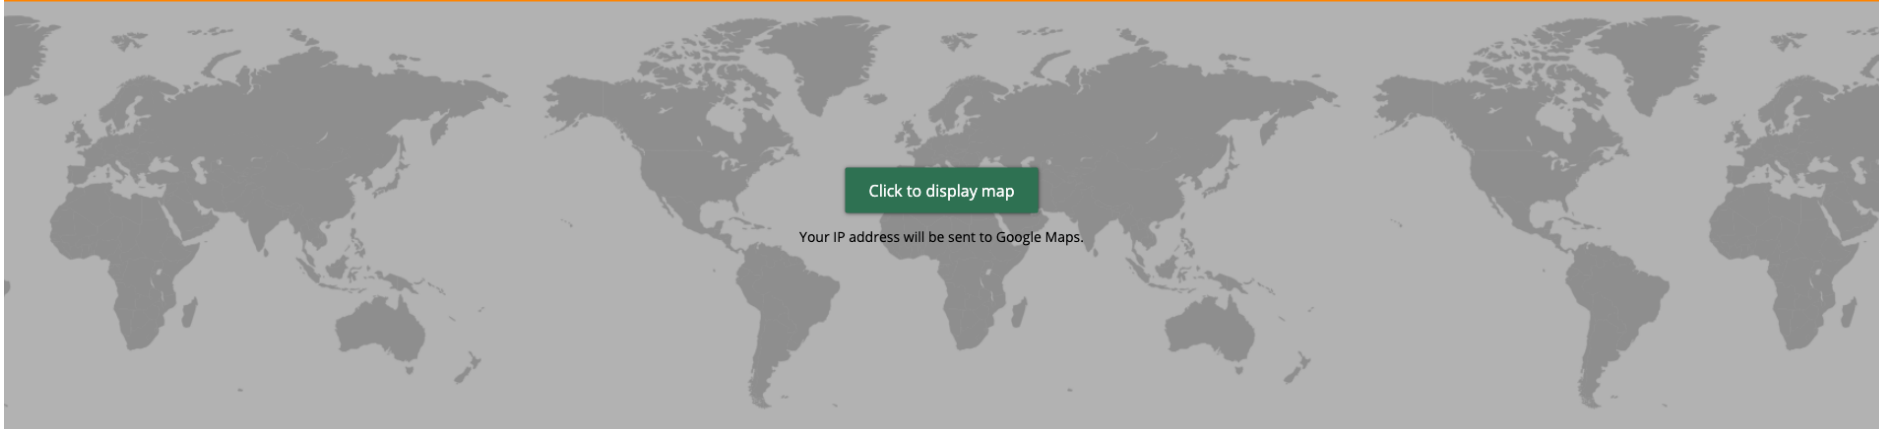

The opening hours are displayed bigger and use more screen width in contrast to the previous template. View the contact section by scrolling further.
