

The **dashboard** provides an overview of the website performance. These statistics are very helpful for further analytics.

The screenshot displays the 'Website Performance' dashboard for 'Test Bistro Training' (TRAINING STREET 007, BERLIN, DE). The dashboard includes a sidebar menu with options like 'Restaurant details', 'Settings', 'Reservation options', 'Food ordering', 'Design and content', 'Legal', 'Web Address', 'DISH WEBLISTING', and 'Account'. The main content area features several widgets:

- Website Performance Summary:** Shows 128 website views the past 28 days, a +116.9% increase.
- Online food ordering insights:** Shows 0 orders the past 7 days and 0 orders the past 28 days, a 0.0% change.
- Website views per day:** A bar chart showing views from 02.06 to 30.06. Views are zero until 16.06, then show small increases on 17.06 and 18.06, followed by a significant spike on 26.06 and a peak on 30.06.
- Top browsing languages:** Shows 8 views from Germany.
- Top devices:** A pie chart showing 100% from 'Other' devices.
- Opening hours views:** Shows 3 views, a +200.0% increase.
- Contacts:** Shows 0 contacts, a +0.0% change.

At the bottom, there is a footer with 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'Imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cookie settings'. A user profile picture is visible in the bottom right corner.

On **restaurant details** the contact data of the establishment can be edited. Further, the **social media accounts** of the establishment can be linked.

The screenshot shows the administration panel for 'Test Bistro Training' (TRAINING STREET 007, BERLIN, DE). The 'Address & contact details' section includes the following information:

- Name***: Test Bistro Training
- Street***: Training Street 007
- Additional**: (empty field)
- ZIP code***: 10785
- City***: Berlin
- Country**: Germany
- Phone***: +49 15151515151
- E-mail***: training.product.hd@gmail.com
- E-mail language***: Deutsch

Additional notes and options:

- By unchecking this box the establishment name will not be shown over your cover image anymore. This makes sense, when your cover image includes your establishment name already.
- The phone number and email address will be used by your guests to communicate with you. By clicking on the checkboxes, they will be displayed on your website.
- A contact form provides customers a more convenient way to write you a message. Additionally, customers can contact you even when you disabled the public display of your email address.
- Show a contact form on the website**

The 'Social network links' section shows a linked Facebook account with the URL <https://www.facebook.com/> and a 'REMOVE' button. There is also an 'ADD LINK' button and a 'SAVE' button at the bottom of the section.

On **opening hours** you can edit those and add new ones. Further, you can add different **kitchen hours** and special **exceptions** for e.g. holidays.

On **analytics** you can add your Google Universal Analytics code to track your own visitor data.

The screenshot displays the administration panel for 'Test Bistro Train..' with the following elements:

- Header:** Restaurant name 'Test Bistro Train..' and address 'TRAINING STREET 007, BERLIN, DE'. Navigation icons for moon, sun, 'VISIT WEBSITE', and language 'English'.
- Left Sidebar:** A list of menu items including Dashboard, Restaurant details, Settings (highlighted), Opening hours, Categories, Services, Payment options, Menu, Offerings, Analytics, Reservation options, Food ordering, Design and content, Legal, Web Address, DISH WEBLISTING, and Account.
- Main Content Area:** A section titled 'Custom Google Analytics' with a sub-header 'Google Analytics'. It contains the instruction: 'Please add you personal Google Universal Analytics code here to track your own visitor data.' Below this is a text input field labeled 'Google Universal Analytics' and a yellow 'SAVE' button.
- Footer:** Copyright notice 'Designed by Hospitality Digital GmbH. All rights reserved.', a 'Start Co-Browsing' button, and links for 'Imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cookie settings'.

On **reservations** you can select the preferred options to receive reservations through the website. Here you can activate DISH Reservation. Further, you can activate the reservation button on the cover image.

The screenshot shows the 'Reservations' settings page in the DISH administration panel. The page is titled 'Reservations' and includes a sub-header: 'Pick your preferred channels to receive direct reservations! Remember that most customers want to have direct answers. Therefore, activate the online DISH RESERVATION and gain time managing your reservations!'

The settings are organized into three main sections:

- E-mail:** Currently 'INACTIVE'. Includes a text input field for the email address, a toggle switch, and a 'SAVE' button. A note states: 'Please note that most customers expect an answer within 24 hours. Make sure you check your e-mails regularly.'
- Phone:** Currently 'INACTIVE'. Includes a dropdown for the country code (set to '+49') and a text input field for the phone number, a toggle switch, and a 'SAVE' button. A note states: 'Reservations via phone are the easiest way to get reservation requests from customers.'
- Online reservation:** Currently 'ACTIVE'. Includes a 'GO TO DISH RESERVATION' button, a toggle switch, and a 'SAVE' button. A note states: 'Online reservations allow your guests to make a reservation at any time. You get an overview of the reservations and have the chance to interact with your guests. Your online DISH RESERVATION is now visible on your website and your guests can make reservations. To view your reservation settings and manage your bookings, click the button below.'

At the bottom of the page, there is a section titled 'Display Reservation Button' with a toggle switch and a 'SAVE' button. The toggle is currently turned on, with the text: 'Display the "Reservation" button on your generated website cover image.'

The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options (highlighted), Food ordering, Design and content, Legal, Web Address, DISH WEBLISTING, and Account. The top right of the page shows a 'VISIT WEBSITE' button, a language selector set to 'English', and a user profile picture.

On **food ordering** you can disable or enable an order form for takeaway orders. **Note: This feature will be available after a menu is uploaded to the website.**

On **design** you can chose between the classic template or the modern one for your website.

The screenshot displays the administration panel for 'San Marino' (MUSTERSTRASSE, DÜSSELDORF, DE). The left sidebar lists various settings, with 'Design and content' expanded to show 'Design' as the active option. The main content area is titled 'Website Template' and provides instructions: 'Select a template for your website. Each template is completely responsive and can be customized with the help of the options below (colors, fonts, main image and logo).' Two template options are shown: 'Classic' and 'Modern'. The 'Classic' template features a dark background with fresh vegetables and the text 'San Marino' in a white script font. The 'Modern' template features a dark background with the same vegetables, but includes the address 'Musterstrasse, 40235 Düsseldorf, Germany' in a white sans-serif font above the 'San Marino' text. A yellow question mark icon is visible in the bottom right corner of the template selection area.

When you scroll down you can adjust further design settings like the **main image & color**.

The screenshot shows the administration panel for a restaurant named "San Marino". The left sidebar contains various menu items, with "Design and content" expanded to show "Design". The main content area is titled "Main image & color" and includes the following settings:

- Main image:** A section with a description: "The main image displayed in the head section of your website. Choose an expressive image - it will be the first thing that visitor see on your site." Below the text is a yellow "CHANGE IMAGE" button.
- Darkening:** A section with a description: "Depending on the image it might be useful to darken it, so that you can read the headline better." Below the text is a slider control ranging from "regular" to "dark".
- Color:** A grid of 16 color swatches, each with a name below it: Amber, Blue, Blue-Gray, Brown, Cadet Blue, Cherry Red, Cyan, Dark Cream, Deep Orange, Deep Purple, Ginger, Gray, Green, Honey, Indigo, and Juniper. A yellow question mark icon is located at the bottom right of the color grid.

Or the **fonts** on the website.

The screenshot shows the administration panel for a restaurant named "San Marino". The top navigation bar includes the restaurant name, location "MUSTERSTRASSE, DÜSSELDORF, DE", a "VISIT WEBSITE" button, and a language selector set to "English". A sidebar on the left lists various settings categories, with "Design and content" expanded to show "Design" as the active section. The main content area is titled "Fonts" and features three font selection options: "Title font" (Open Sans Extrabold), "Subtitle font" (Pacifico), and "Body font" (Open Sans). Each option is accompanied by a preview of the text "Website title", "Website subtitle", and a paragraph of Lorem Ipsum. A "SAVE" button is located at the bottom of the font settings area, and a help icon (question mark) is in the bottom right corner.

To change the title font click on the **drop down menu** and select a font. **Note: The same approach applies to the subtitle font and body font.**

The screenshot shows the administration panel for 'HD*test' at 'TESTING STREET 1, BERLIN, DE'. The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'A Fonts' and features three font selection sections: 'Title font', 'Subtitle font', and 'Body font'. The 'Title font' dropdown menu is open, displaying a list of fonts including Kaiam, Lato, Lobster, Merriweather, Montserrat, Noto Sans, Open Sans, Open Sans Condensed, Open Sans Extrabold (highlighted), Open Sans Semibold, Oswald, Pacifico, Patrick Hand, Roboto, and Ubuntu. To the right, a preview shows the website title 'Website title' and subtitle 'Website subtitle' in the selected font. A 'VISIT WEBSITE' button and language selector are visible in the top right corner.

By scrolling down to the bottom the **establishment logo** and **more design options** like the background image and the color behind the image can be adjusted.

The screenshot shows the administration panel for a restaurant named "San Marino". The top navigation bar includes the restaurant name, address, a "VISIT WEBSITE" button, and a language selector set to "English". A sidebar on the left lists various management options, with "Design and content" expanded to show "Design", "Gallery media", "Description", and "Content".

The main content area is divided into two sections:

- Establishment Logo:** This section features a checkmark icon and the text "Display your logo on your website". Below this, it states: "Your logo will be displayed on the top left on your website. If you don't upload any logo picture, your establishment name will be used as a logo". To the right is a dashed box with the text "Drag your logo here or [BROWSE](#)". A yellow "SAVE" button is located at the bottom of this section.
- More design options:** This section is titled "Background image" and contains the text: "By default, the main background image will be a grey image. Here, you can set another image as a background or set the opacity at 0 and select your customized color." It includes a "CHANGE IMAGE" button, a "Color behind image" selector (a grey square), and an "Image opacity (%)" slider set to 100. A yellow question mark icon is positioned at the bottom right of this section.

To change the color behind the image set the **image opacity** to 0%.

The screenshot shows the administration panel for 'Tarantella' (METRO STRASSE 1, PARIS, FR). The left sidebar lists various settings, with 'Design and content' expanded to show 'Design'. The main content area is titled 'More design options' and includes a 'Background image' section. This section contains a 'Color behind image' selector (a grey square) and an 'Image opacity (%)' slider. The slider is currently set to 0% and is highlighted with an orange box. A 'CHANGE IMAGE' button is located below the text. A 'SAVE' button is at the bottom of the section. A dashed box in the top right of the design options area contains the text 'Drag your logo here or BROWSE'. A question mark icon is visible in the bottom right corner of the design options area.

You then are able to change the color by clicking on the **color (grey square)**.

The screenshot shows the administration panel for 'Tarantella' (METRO STRASSE 1, PARIS, FR). The left sidebar lists various settings, with 'Design and content' expanded to show 'Design' selected. The main content area is divided into two sections:

- Display your logo on your website:** A section with a checkmark icon. It contains the text: "Your logo will be displayed on the top left on your website. If you don't upload any logo picture, your establishment name will be used as a logo". Below this text is a yellow 'SAVE' button. To the right, there is a dashed box containing the text: "Drag your logo here or [BROWSE](#)".
- More design options:** A section with a pencil icon. It contains the following elements:
 - Background image:** Text: "By default, the main background image will be a grey image. Here, you can set another image as a background or set the opacity at 0 and select your customized color." Below this is a yellow 'CHANGE IMAGE' button.
 - Color behind image:** A yellow square with a grey fill, outlined in orange.
 - Image opacity (%):** A slider control with a yellow dot at the 0 mark.
 - A yellow 'SAVE' button at the bottom left of this section.
 - A yellow circular help icon with a question mark at the bottom right of this section.

Now choose your desired color. **Note: When your are finished do not forget to apply the changes by clicking on save.**

The screenshot shows the administration panel for 'Tarantella' (METRO STRASSE 1, PARIS, FR). The left sidebar lists various settings, with 'Design and content' expanded to show 'Design' selected. The main content area is divided into two sections:

- Display your logo on your website:** A checkbox is checked. Below it, text explains that the logo will be displayed on the top left. A dashed box indicates where to drag the logo, with a 'BROWSE' link. A 'SAVE' button is at the bottom.
- More design options:** A sub-section titled 'Background image' explains that the default is a grey image, but users can set another image or set the opacity to 0 and select a color. A 'CHANGE IMAGE' button is present. To the right, there is a 'Color behind image' section with a color picker and three input fields for RGB values (158, 158, 158). Below this is an 'Image opacity (%)' slider set to 0. A 'SAVE' button is at the bottom of this section. A yellow question mark icon is in the bottom right corner.

On **web address** you can edit the URL of the website.

The screenshot displays the DISH Website Administration panel. The top navigation bar includes the DISH Website logo (TEST2020, BERLIN, DE), a dark mode toggle, a "VISIT WEBSITE" button, and a language selector set to English. The left sidebar contains a menu with items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account. The main content area is divided into two sections: "Web address" and "Domain Status".

Web address

The "Web address" section features a text input field containing "test-slovakia-bar". To the right, there are radio buttons for domain selection: "eatbu.com", "metro.bar" (selected), "metro.biz", and "metro.rest". Below the input field, the current web address is displayed as "test-slovakia-bar.metro.bar" in green, with the text "This is your current web address." underneath. A yellow "SAVE" button is located at the bottom of this section.

Domain Status

The "Domain Status" section shows a green dot and the text "Published". Below this, the date and time "Mon, Sep 07, 10:50 AM" are displayed. A message states: "Your website is currently published online! Visit your website anytime by 'visit website' or by looking for it on search engines. You can unpublish your website by clicking the button below." At the bottom of this section, there are two buttons: "UNPUBLISH MY WEBSITE" and "Start Co-Browsing". A yellow question mark icon is visible in the bottom right corner of the main content area.

Under **domain status** you always have the option to unpublish your DISH Website and are able to see since when your website is published.

The screenshot shows the DISH Website administration interface. The top navigation bar includes the 'DISH Website' header with a dropdown arrow, a 'VISIT WEBSITE' button, and a language selector set to 'English'. A sidebar on the left contains menu items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted in orange), DISH WEBLISTING, and Account. The main content area is divided into two sections. The top section, 'Web address', shows the current address 'test-slovakia-bar' in a text input field, a 'SAVE' button, and a list of domain options: eatbu.com, metro.bar (selected), metro.biz, and metro.rest. Below this is the 'Domain Status' section, which is highlighted with an orange border. It features a green 'Published' status indicator, the timestamp 'Mon, Sep 07, 10:50 AM', and a message: 'Your website is currently published online! Visit your website anytime by "visit website" or by looking for it on search engines. You can unpublish your website by clicking the button below.' A dark grey 'UNPUBLISH MY WEBSITE' button is located at the bottom of this section. The footer contains the text 'Designed by Hospitality Digital GmbH. All rights reserved.', a 'Start Co-Browsing' button, and links for 'Imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cookie settings'. A question mark icon is visible in the bottom right corner of the screenshot.

When you decide to unpublish your website it will be declared as **not published**.

The screenshot shows the administration panel for 'HD*test2' (TESTING STREET 1, BERLIN, FR). The top right corner indicates the website is 'UNPUBLISHED' and the language is 'English'. The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account.

Domain Status

Not published
Fri, Sep 25, 11:01 AM

Your domain is not currently publicly published which means that you can not preview nor see your website on search engine. If you published it by mistake or if you want to republish your domain please click the button below.

PUBLISH MY WEBSITE

When your website is unpublished the website won't be accessible for anyone online. Therefore it is recommended to redirect visitors to another **web address**.

The screenshot shows the administration panel for 'HD*test2' (TESTING STREET 1, BERLIN, FR). The top right corner indicates the website is 'UNPUBLISHED' and the language is set to 'English'. The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account.

The main content area is divided into two sections:

- Domain Status:** Shows a red status indicator 'Not published' with a timestamp 'Fri, Sep 25, 10:56 AM'. A message states: 'Your domain is not currently publically published which means that you can not preview nor see your website on search engine. If you published it by mistake or if you want to republish your domain please click the button below.' A green button labeled 'PUBLISH MY WEBSITE' is visible.
- Web address removal options:** Contains the instruction: 'Once your web address deactivated, in order to redirect your former website to your new address please fill in the information below.' Below this is a text input field with a cursor. The text 'your permanent address:' is followed by the green link 'hdtest2-bakery.eatbu.com'. A note at the bottom states: 'All request on your website will be redirected to your website.If you didn't fill any new web address, your web address will be redirected with a permanent 301 redirect.' A yellow button labeled 'SAVE' is at the bottom.

At the bottom of the page, there is a footer with the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and a navigation bar with links for 'Imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Cookie settings'. A yellow question mark icon is also present in the bottom right corner.

Click on **save** to apply the changes.

On **profile** you can edit your user profile, password or delete the account/establishment.

The screenshot shows the administration panel for "Test Bistro Training" (TRAINING STREET 007, BERLIN, DE). The left sidebar lists various settings, with "Profile" selected under the "Account" section. The main content area is titled "User profile" and contains three sections:

- User profile:** A form to update contact details. Fields include Salutation (Nothing selected), First Name (Test Max), Last name (Trainer), and E-mail (training@hd.digital). A "SAVE" button is at the bottom.
- Change your password:** A section with a lock icon and a "CHANGE YOUR PASSWORD" button. Text above the button says: "To change the password of your DISH account, please click the following link."
- Delete establishment:** A section with a trash icon. A blue information box states: "Your DISH RESERVATION accounts are untouched by this action and will continue to exist." Below this, text explains: "Here you can irrevocably delete the establishment 'Test Bistro Training'. The created website and all establishment data will be deleted. After you have clicked the button we will ask for your password to confirm this action. Afterwards, all mentioned data will be erased. This cannot be undone. Account deletion can take up to one month." A small profile picture of a woman is visible in the bottom right corner of this section.
