 Jakmile jste na hlavním panelu rezervace DISH, přejděte do **nastavení**.

The screenshot displays the DISH RESERVATION dashboard. The top navigation bar includes the text "DISH RESERVATION" on the left, "Test Bistro Training" with a dropdown arrow in the center, and a flag icon with a dropdown arrow on the right. A teal banner at the top contains the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and two orange buttons: "WALK-IN" and "ADD RESERVATION". Below the banner is a date range selector showing "Mon, 13/09/2021 - Mon, 13/09/2021". A filter bar below the date selector has three radio buttons: "All", "Completed", and "Upcoming" (which is selected). To the right of the filter bar are three icons with counts: a calendar icon with "0", a group of people icon with "0", and a table icon with "0/48". The main content area is mostly empty, with a large circular icon of a person looking through binoculars and the text "No reservations available" below it. At the bottom left of the main area is a "Print" button. The bottom of the dashboard features a footer with "Designed by Hospitality Digital GmbH. All rights reserved." on the left, a "Start Co-Browsing" button in the center, and a "Help" icon (a question mark in a circle) on the right. The left sidebar contains a list of menu items: "Reservations", "Table plan", "Menu", "Guests", "Feedback", "Reports", "Settings" (highlighted with an orange border and a dropdown arrow), and "Help". At the bottom left of the sidebar, there is a notification: "Too many guests in house? Pause online reservations" next to a pause icon.
