The screenshot shows the DISH RESERVATION dashboard. At the top, there is a navigation bar with the text "DISH RESERVATION" on the left and "Test Bistro Training" on the right, along with a language selector (UK flag) and a refresh icon. Below the navigation bar is a teal banner with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and an orange "ADD" button. Underneath the banner is a date range selector showing "Mon, 20/07/2020 - Mon, 20/07/2020" with left and right navigation arrows. To the right of the date selector are two icons: a calendar icon with "0" and a group of people icon with "0". A "Print" button is located to the right of these icons. Below the date and icons is a filter bar with three radio buttons: "All" (selected), "Completed", and "Upcoming". The main content area is a large white box with a circular icon of a person looking through binoculars and the text "No reservations available". At the bottom left, there is a notification: "Too many guests in house? Pause online reservations" with a pause icon. At the bottom center, it says "Designed by Hospitality Digital GmbH. All rights reserved." At the bottom right, there are links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".
