

El primer paso es abrir **DISH Reservation** .

The screenshot shows the DISH RESERVATION interface. The top navigation bar includes the title "DISH RESERVATION", the user "Test Bistro Training", and a refresh icon. A sidebar on the left contains menu items: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area features a teal banner with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and an "ADD" button. Below this is a date range selector for "Sun, 09/08/2020 - Sun, 09/08/2020", a calendar icon showing "2" days, a group icon showing "13" guests, and a "Print" button. Filter tabs for "All", "Completed", and "Upcoming" are visible, with "All" selected. A notification box states "You have reservation requests that need your attention." with a "MANAGE" button. The reservation list for "Sun, 09/08/2020" includes two entries: one at 02:15 PM for "Doe, John" with 3 guests and a "Confirmed" status, and another at 04:30 PM for "Doe, Jane" with 10 guests. The second entry has a "This is a reservation request" note and "Accept" and "Reject" buttons. At the bottom left, there is a "Too many guests in house? Pause online reservations" message with a pause icon. The footer contains the text "Designed by Hospitality Digital GmbH. All rights reserved." and links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

 Las reservas ya confirmadas pueden actualizarse según llegaron o cancelarse.

El huésped será informado sobre su acción. También puede dejar un **mensaje personal**.

The screenshot displays the DISH RESERVATION management interface. A confirmation dialog box is overlaid on the screen, titled "Please confirm your action". The dialog contains a text input field with the placeholder text "Optional message (will be sent to the customer via email)". Below the input field is a green "Accept" button. The background interface shows a list of reservations for "Sun, 09/08/2020". One reservation is highlighted, showing a time of "04:30 PM", the name "Doe, Jane", and "10 guest(s)". Below this reservation, there is a red "This is a reservation request" message and two buttons: "Accept" (green) and "Reject" (red). The interface also includes a sidebar with navigation options like "Reservations", "Menu", "Guests", "Feedback", "Reports", "Settings", and "Help". At the bottom, there is a footer with copyright information and links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

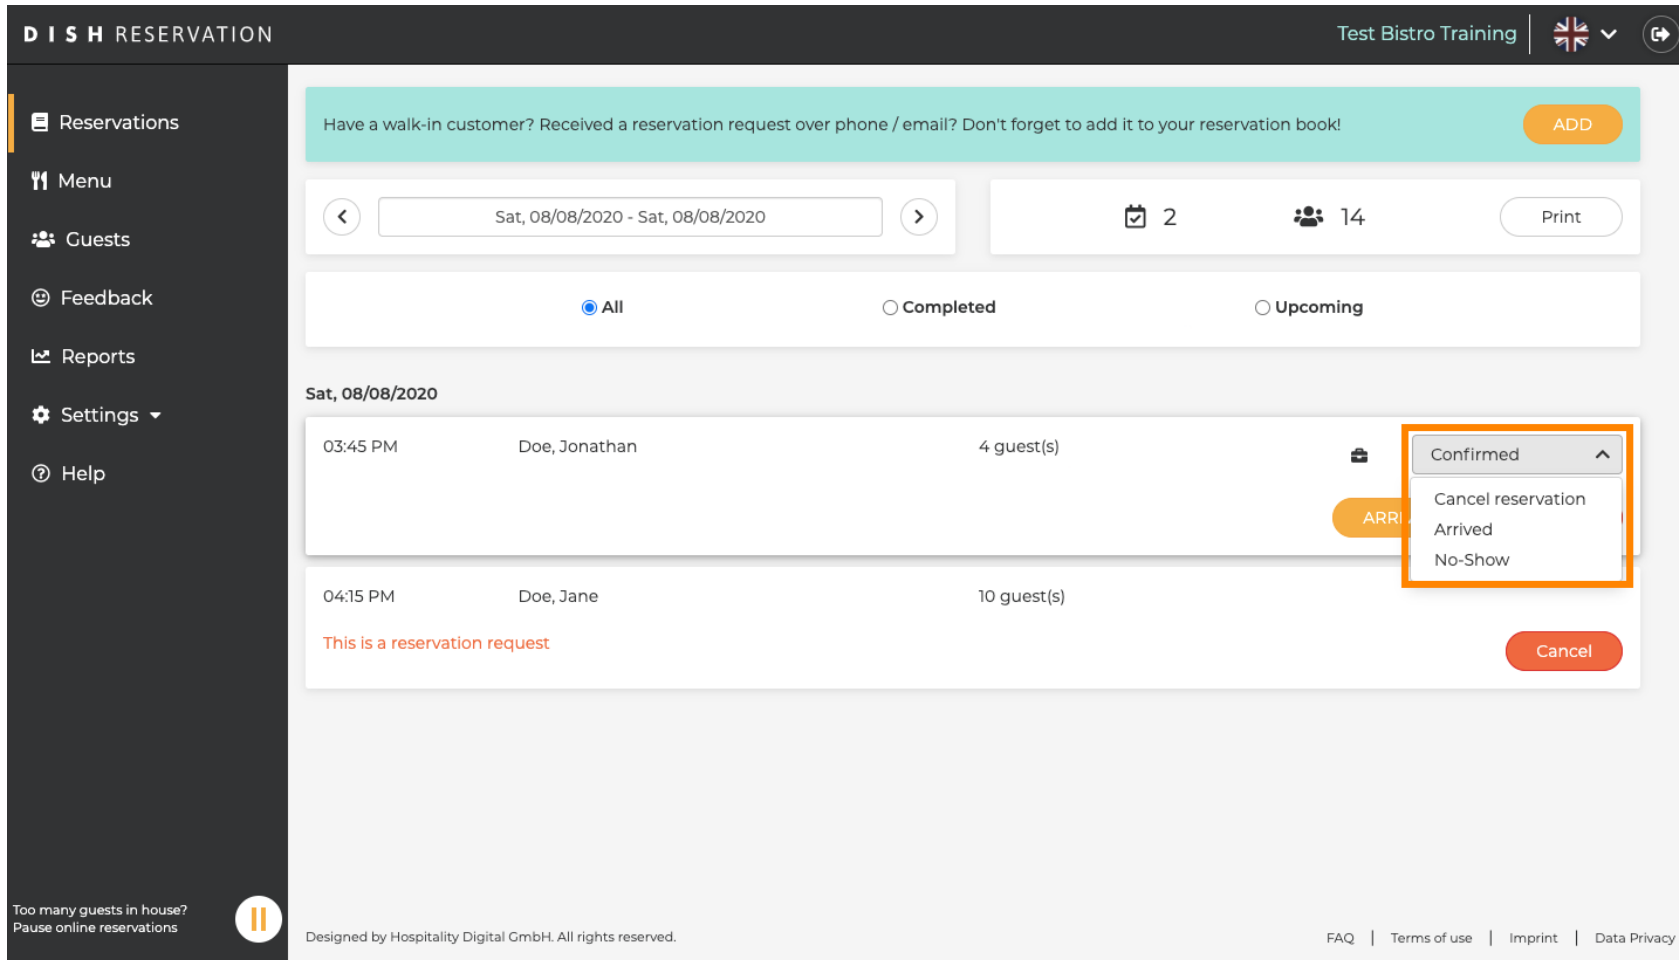

Haga clic en **aceptar** para confirmar su mensaje y su acción. Nota: Si rechazara la reserva en lugar de "aceptar", diría "rechazar".

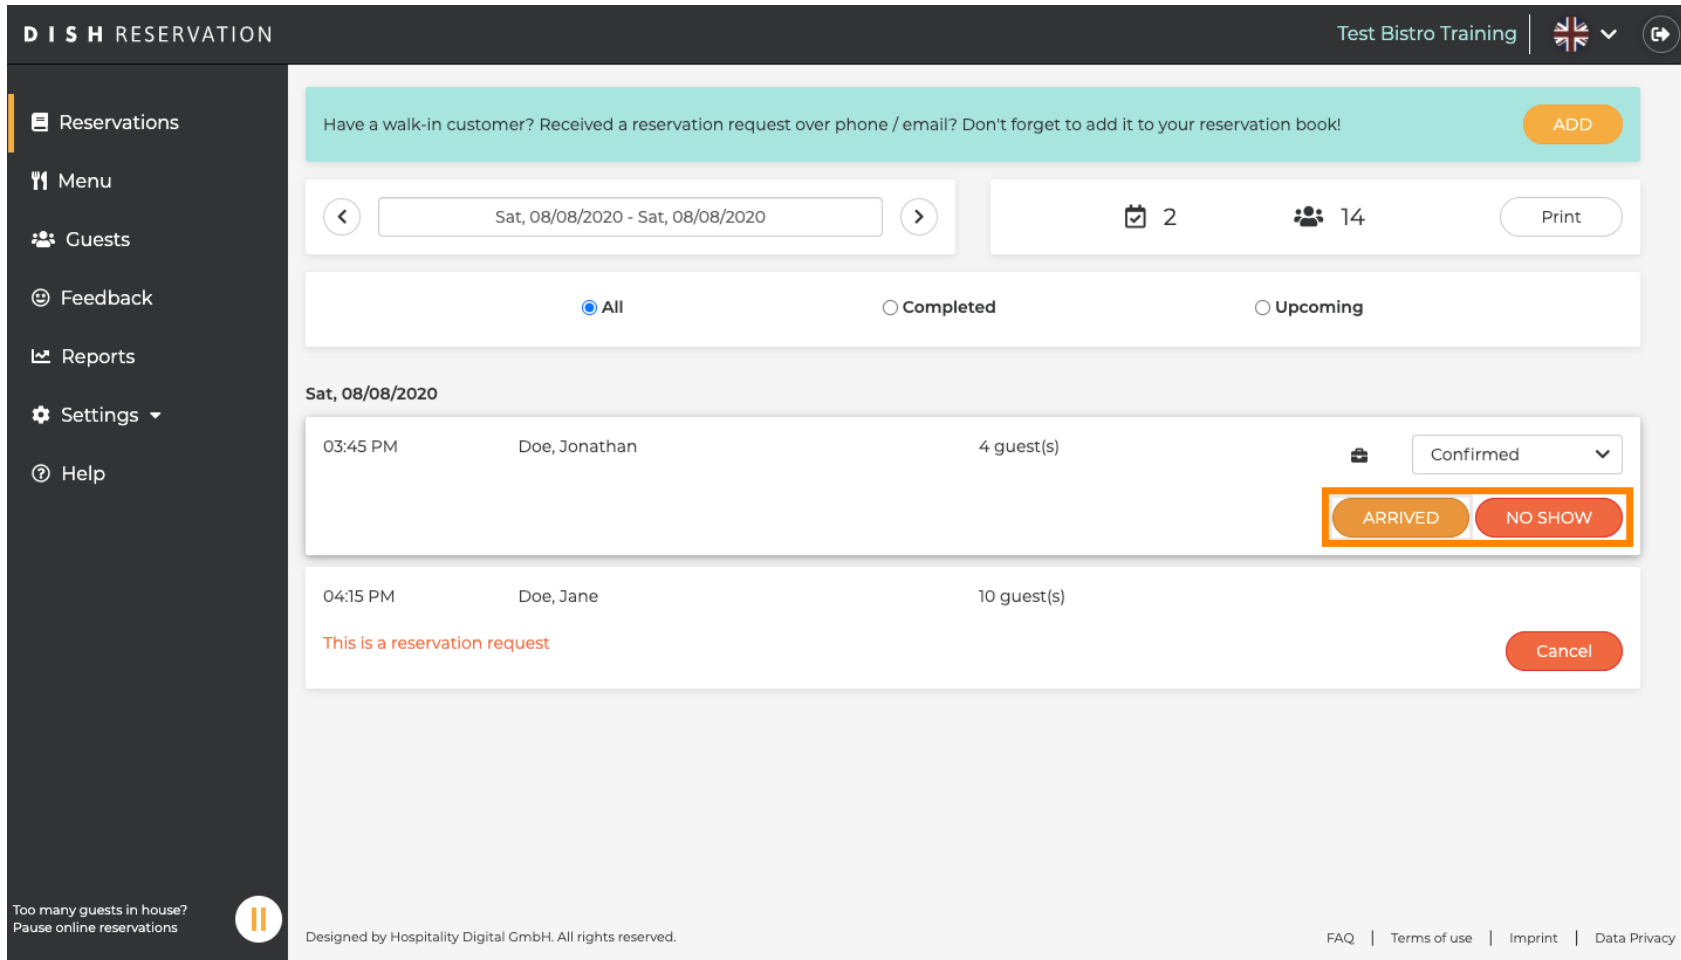

The screenshot displays the DISH RESERVATION management interface. A modal dialog box is centered on the screen, titled "Please confirm your action". Inside the dialog, there is a text input field containing the message "Thank you for your reservation at our establishment." Below the input field, a green "Accept" button is highlighted with an orange border. The background interface shows a reservation list for "Sun, 09/08/2020". One reservation is visible for "04:30 PM" by "Doe, Jane" for "10 guest(s)". This reservation has a status of "This is a reservation request" and two buttons: "Accept" (green) and "Reject" (red). The "Accept" button in the dialog is the one being highlighted in the original image.

 Las reservas actuales tienen la opción de actualizarse como canceladas, llegadas o no presentadas.

The screenshot displays the DISH RESERVATION management interface. The top navigation bar includes the DISH RESERVATION logo, the user name "Test Bistro Training", and a language selection icon. A sidebar on the left contains navigation options: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area features a teal banner with an "ADD" button and a date range selector set to "Sat, 08/08/2020 - Sat, 08/08/2020". Below this, there are filters for "All", "Completed", and "Upcoming". The reservation list for "Sat, 08/08/2020" shows two entries: one for "Doe, Jonathan" at 03:45 PM with 4 guests, and another for "Doe, Jane" at 04:15 PM with 10 guests. A dropdown menu is open for the first reservation, showing options: "Confirmed", "Cancel reservation", "Arrived", and "No-Show". A "Cancel" button is visible at the bottom right of the reservation list. A footer at the bottom contains copyright information, a pause button, and links for FAQ, Terms of use, Imprint, and Data Privacy.

 Esos también se pueden actualizar a través de los botones.

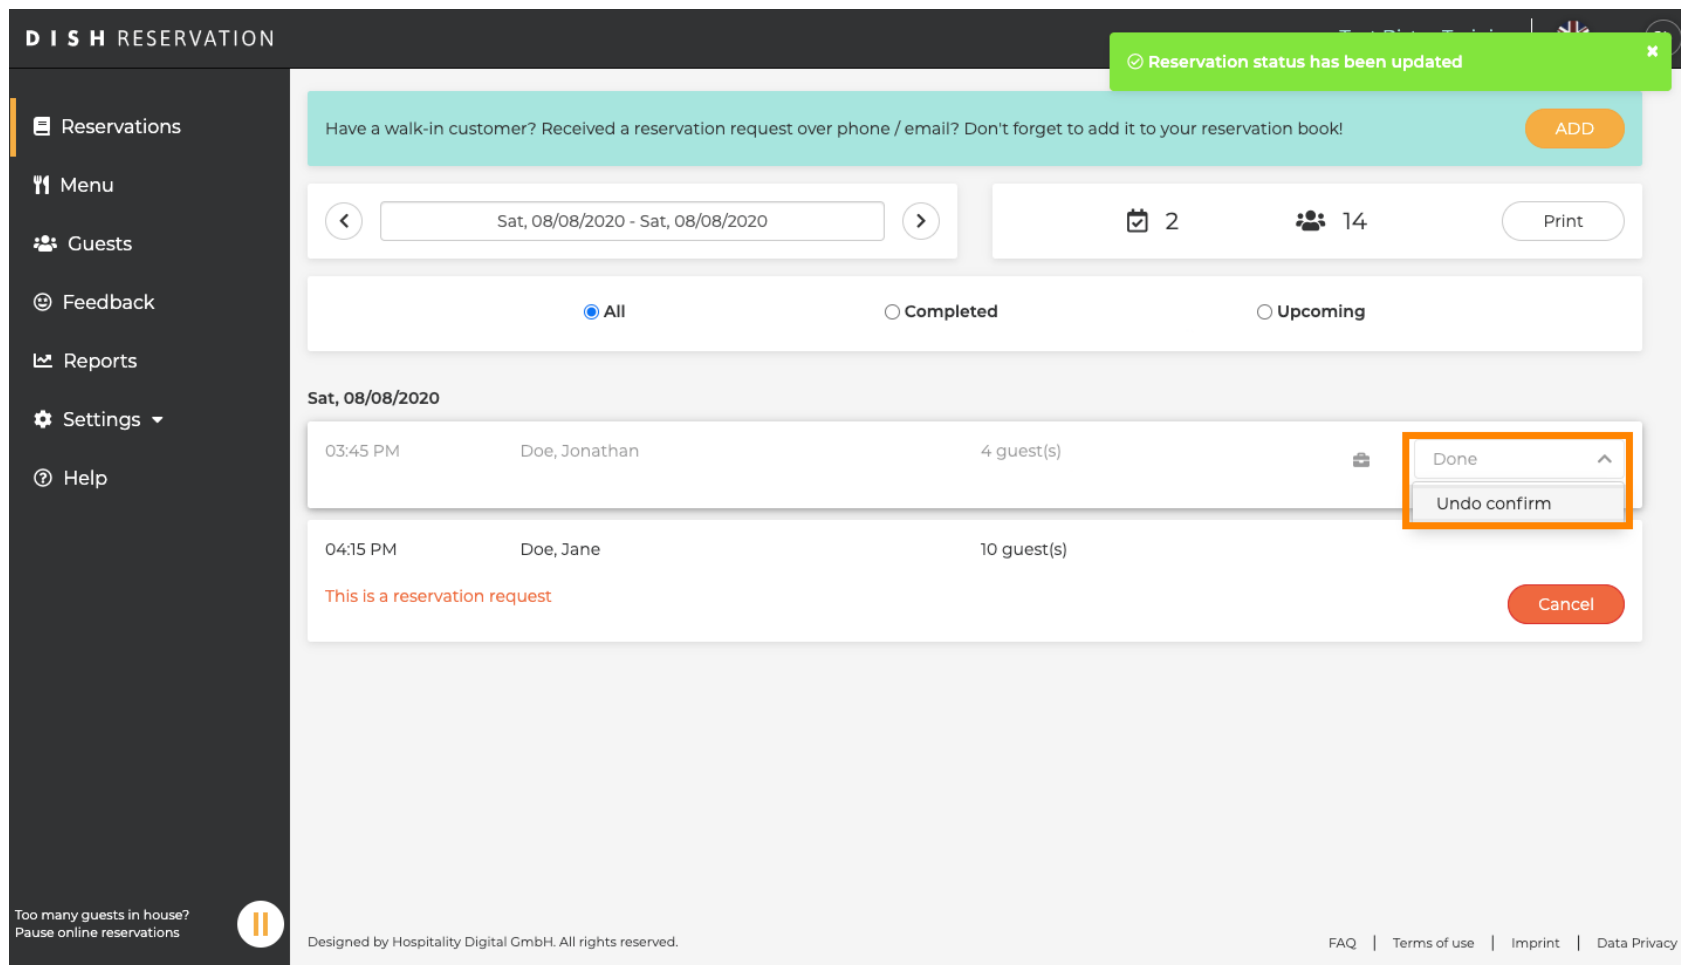

The screenshot displays the DISH RESERVATION management interface. On the left is a dark sidebar with navigation options: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area shows a header with 'DISH RESERVATION' and 'Test Bistro Training'. Below this is a teal banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and an 'ADD' button. A date range selector shows 'Sat, 08/08/2020 - Sat, 08/08/2020', a calendar icon with '2', a group icon with '14', and a 'Print' button. Filter tabs include 'All' (selected), 'Completed', and 'Upcoming'. The reservation list for 'Sat, 08/08/2020' contains two entries:

Time	Name	Guests	Status	Actions
03:45 PM	Doe, Jonathan	4 guest(s)	Confirmed	<b>ARRIVED</b> <b>NO SHOW</b>
04:15 PM	Doe, Jane	10 guest(s)	This is a reservation request	Cancel

At the bottom left, there is a notification: 'Too many guests in house? Pause online reservations' with a pause icon. The footer includes 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

Si **actualizó por error** una reserva tal como llegó, puede deshacerla. Nota: Esto no es posible para reservas actualizadas como canceladas o no presentadas.

The screenshot displays the DISH RESERVATION management interface. A green notification banner at the top right states "Reservation status has been updated". Below this, a teal banner prompts the user to add walk-in customers. The main interface shows a date range of "Sat, 08/08/2020 - Sat, 08/08/2020", a calendar icon with the number "2", and a group icon with "14". A "Print" button is also visible. Below these are filter options: "All" (selected), "Completed", and "Upcoming".

The reservation list for "Sat, 08/08/2020" contains two entries:

Time	Guest Name	Guest Count	Actions
03:45 PM	Doe, Jonathan	4 guest(s)	 <span>Done</span> <span>Undo confirm</span>
04:15 PM	Doe, Jane	10 guest(s)	<span>This is a reservation request</span> <span>Cancel</span>

At the bottom left, there is a notification: "Too many guests in house? Pause online reservations" with a pause icon. At the bottom right, there are links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

Eso es todo. Estás listo.

The screenshot displays the DISH RESERVATION management interface. A green notification banner at the top right states "Reservation status has been updated". The main content area shows a reservation list for Saturday, 08/08/2020. The list includes two reservations: one for 03:45 PM with 4 guests (status: Confirmed) and one for 04:15 PM with 10 guests (status: reservation request). The interface includes a sidebar with navigation options like Reservations, Menu, and Guests, and a bottom section with a pause button and footer information.

Time	Guest Name	Guest Count	Status	Actions
03:45 PM	Doe, Jonathan	4 guest(s)	Confirmed	ARRIVED, NO SHOW
04:15 PM	Doe, Jane	10 guest(s)	This is a reservation request	Cancel
