

Первый шаг — открыть DISH Reservation .

The screenshot displays the DISH RESERVATION web interface. The top navigation bar includes the title "DISH RESERVATION", the user "Test Bistro Training", and a refresh icon. A left sidebar contains menu items: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area features a teal banner with an "ADD" button. Below this is a date range selector for "Sun, 09/08/2020 - Sun, 09/08/2020", a calendar icon showing "2" days, a group icon showing "13" guests, and a "Print" button. Filter tabs for "All", "Completed", and "Upcoming" are present, with "All" selected. A notification states "You have reservation requests that need your attention." with a "MANAGE" button. A table of reservations for "Sun, 09/08/2020" is shown, with the second row highlighted as a reservation request for "Doe, Jane" at "04:30 PM" for "10 guest(s)". This row has "Accept" and "Reject" buttons. A "Too many guests in house? Pause online reservations" warning is visible in the bottom left, and footer text includes "Designed by Hospitality Digital GmbH. All rights reserved." and links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

Уже **подтвержденные бронирования** могут быть обновлены как прибывшие или отменены.

The screenshot shows the DISH RESERVATION management interface. The top navigation bar includes the logo, the text "DISH RESERVATION", and "Test Bistro Training" with a user profile icon. A sidebar on the left contains menu items: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area features a teal banner with the text "Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!" and an "ADD" button. Below this is a date range selector set to "Sun, 09/08/2020 - Sun, 09/08/2020", a calendar icon with the number "2", a group icon with "13", and a "Print" button. Filter tabs for "All", "Completed", and "Upcoming" are visible, with "All" selected. A notification bar states "You have reservation requests that need your attention." with a "MANAGE" button. The reservation list for "Sun, 09/08/2020" shows two entries: one at 02:15 PM for "Doe, John" (3 guests) with a "Cancelled" button, and another at 04:30 PM for "Doe, Jane" (10 guests) with a "This is a reservation request" note and "Accept" and "Reject" buttons. The "Accept" and "Reject" buttons are highlighted with an orange border. At the bottom, there is a "Too many guests in house? Pause online reservations" notification with a pause icon, and footer text including "Designed by Hospitality Digital GmbH. All rights reserved." and links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

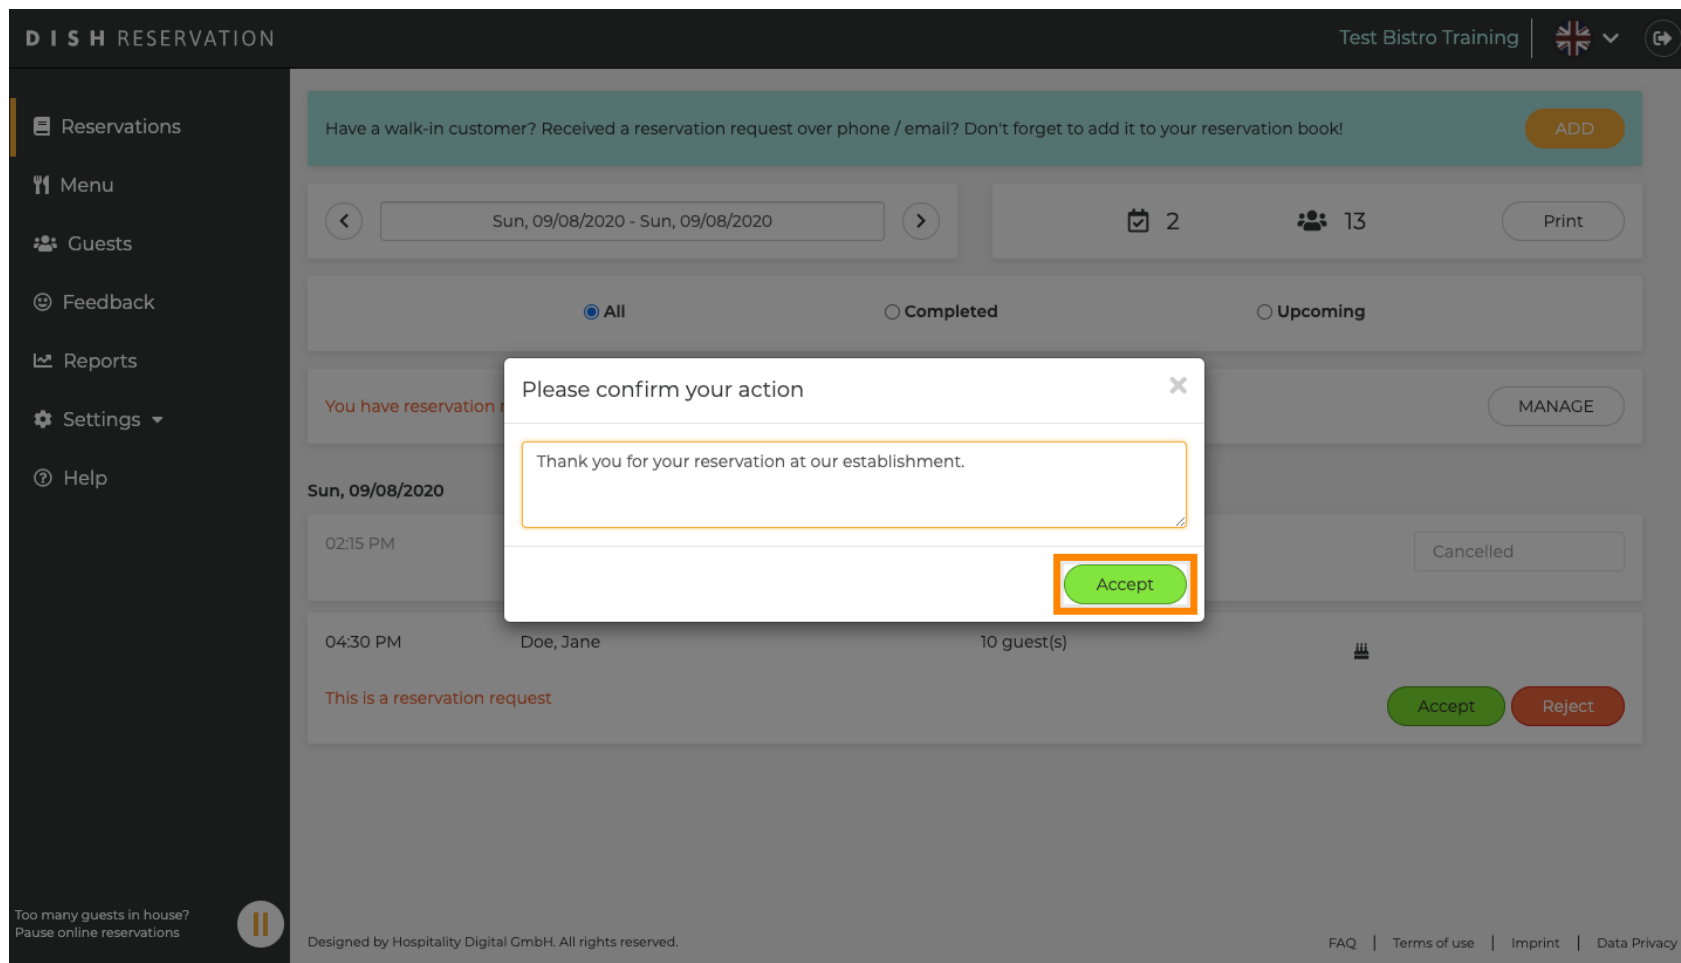

Гость будет проинформирован о ваших действиях. Вы также можете оставить **личное сообщение**.

The screenshot shows the DISH RESERVATION management interface. A confirmation dialog is open, titled "Please confirm your action". The dialog contains a text input field with the placeholder text "Optional message (will be sent to the customer via email)". Below the input field is a green "Accept" button. The background interface shows a reservation for "Sun, 09/08/2020" at "04:30 PM" for "Doe, Jane" with "10 guest(s)". The reservation status is "This is a reservation request". There are "Accept" and "Reject" buttons for this reservation. The interface also includes a sidebar with navigation options like Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. At the bottom, there is a footer with copyright information and links for FAQ, Terms of use, Imprint, and Data Privacy.

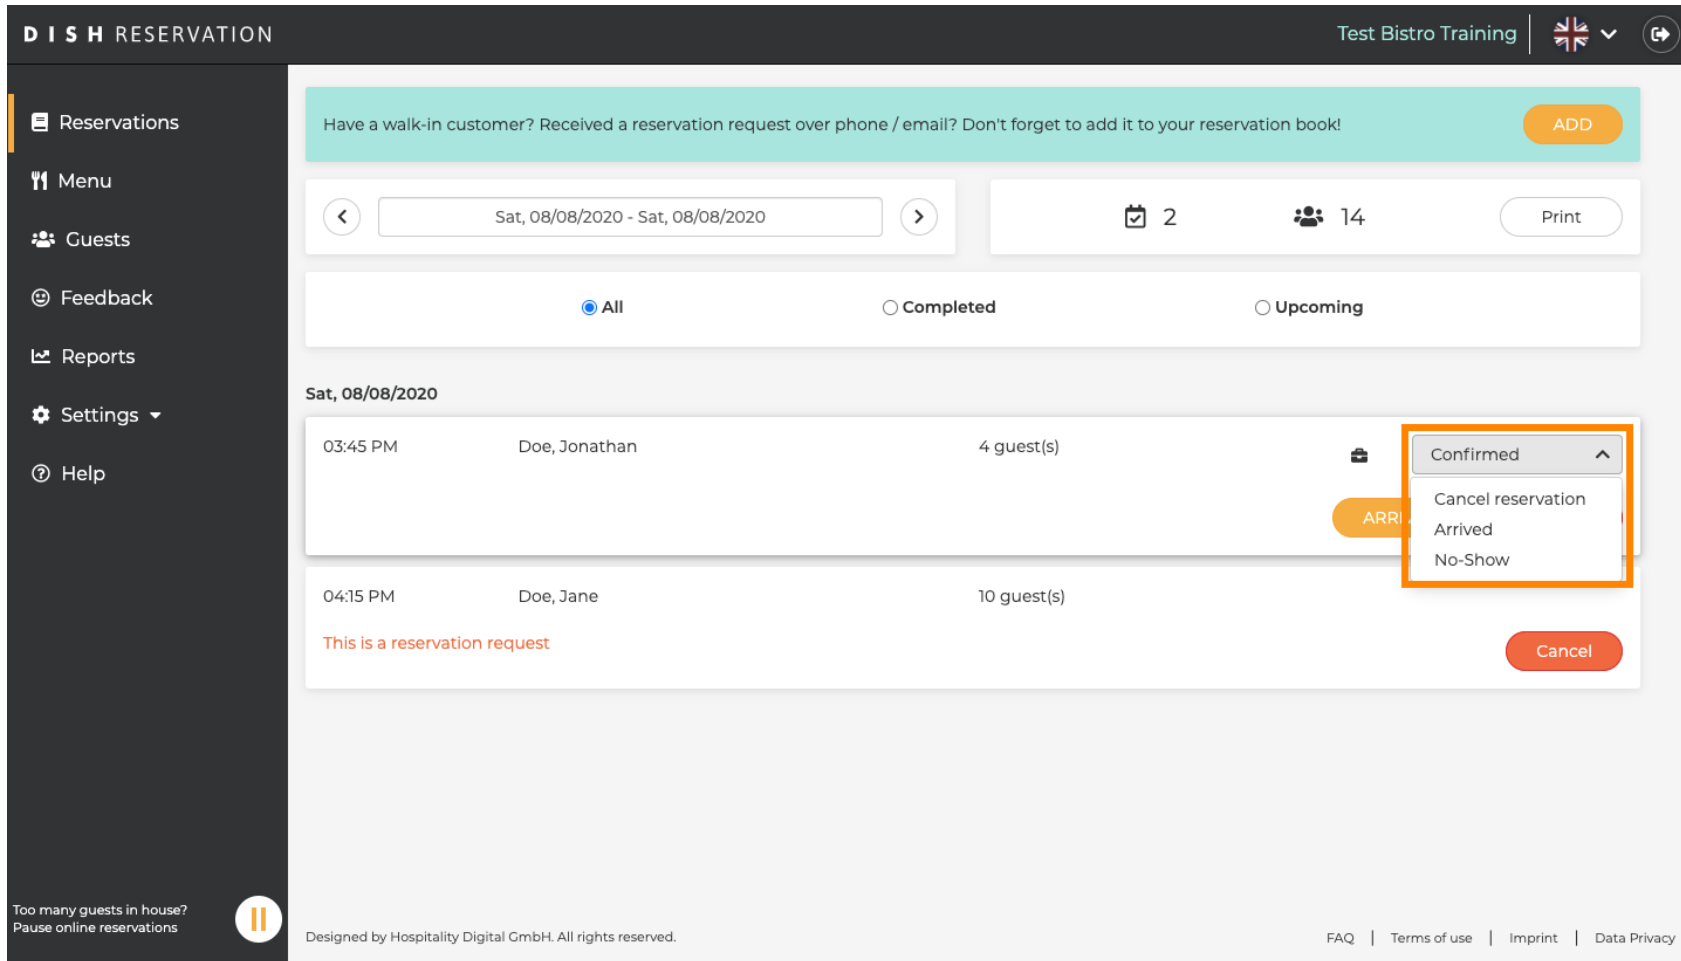

Нажмите « **Принять** » , чтобы подтвердить свое сообщение, а также свои действия.
 Примечание. Если вы отклоните бронирование, вместо «принять» будет написано «отклонить».

The screenshot shows the DISH RESERVATION interface. A confirmation dialog box is displayed in the center, titled "Please confirm your action". The dialog contains a text input field with the text "Thank you for your reservation at our establishment." and a green "Accept" button. The background interface shows a reservation list for Sun, 09/08/2020. A reservation for 04:30 PM by Doe, Jane for 10 guests is visible, with a status of "This is a reservation request" and "Accept" and "Reject" buttons. The "Accept" button in the dialog is highlighted with an orange border.

 Текущие бронирования могут быть обновлены как отмененные, прибывшие или незаезд.

The screenshot shows the DISH RESERVATION management interface. On the left is a dark sidebar with navigation options: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area has a header with 'DISH RESERVATION' and 'Test Bistro Training'. Below the header is a teal banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and an 'ADD' button. A date range selector shows 'Sat, 08/08/2020 - Sat, 08/08/2020', a calendar icon with '2', a group icon with '14', and a 'Print' button. Below this are radio buttons for 'All' (selected), 'Completed', and 'Upcoming'. The main reservation list for 'Sat, 08/08/2020' contains two entries:

Time	Guest Name	Guest Count	Status
03:45 PM	Doe, Jonathan	4 guest(s)	Confirmed
04:15 PM	Doe, Jane	10 guest(s)	ARRIVED

A dropdown menu is open for the first reservation, showing options: 'Confirmed', 'Cancel reservation', 'Arrived', and 'No-Show'. Below the list, there is a red text notification 'This is a reservation request' and a 'Cancel' button. At the bottom left, there is a notification 'Too many guests in house? Pause online reservations' with a pause icon. At the bottom right, there are links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'. The footer text reads 'Designed by Hospitality Digital GmbH. All rights reserved.'

Если вы **по ошибке обновили** бронь по прибытии, вы можете ее отменить. Примечание. Это невозможно для бронирований, обновленных как отмененные или незаезд.

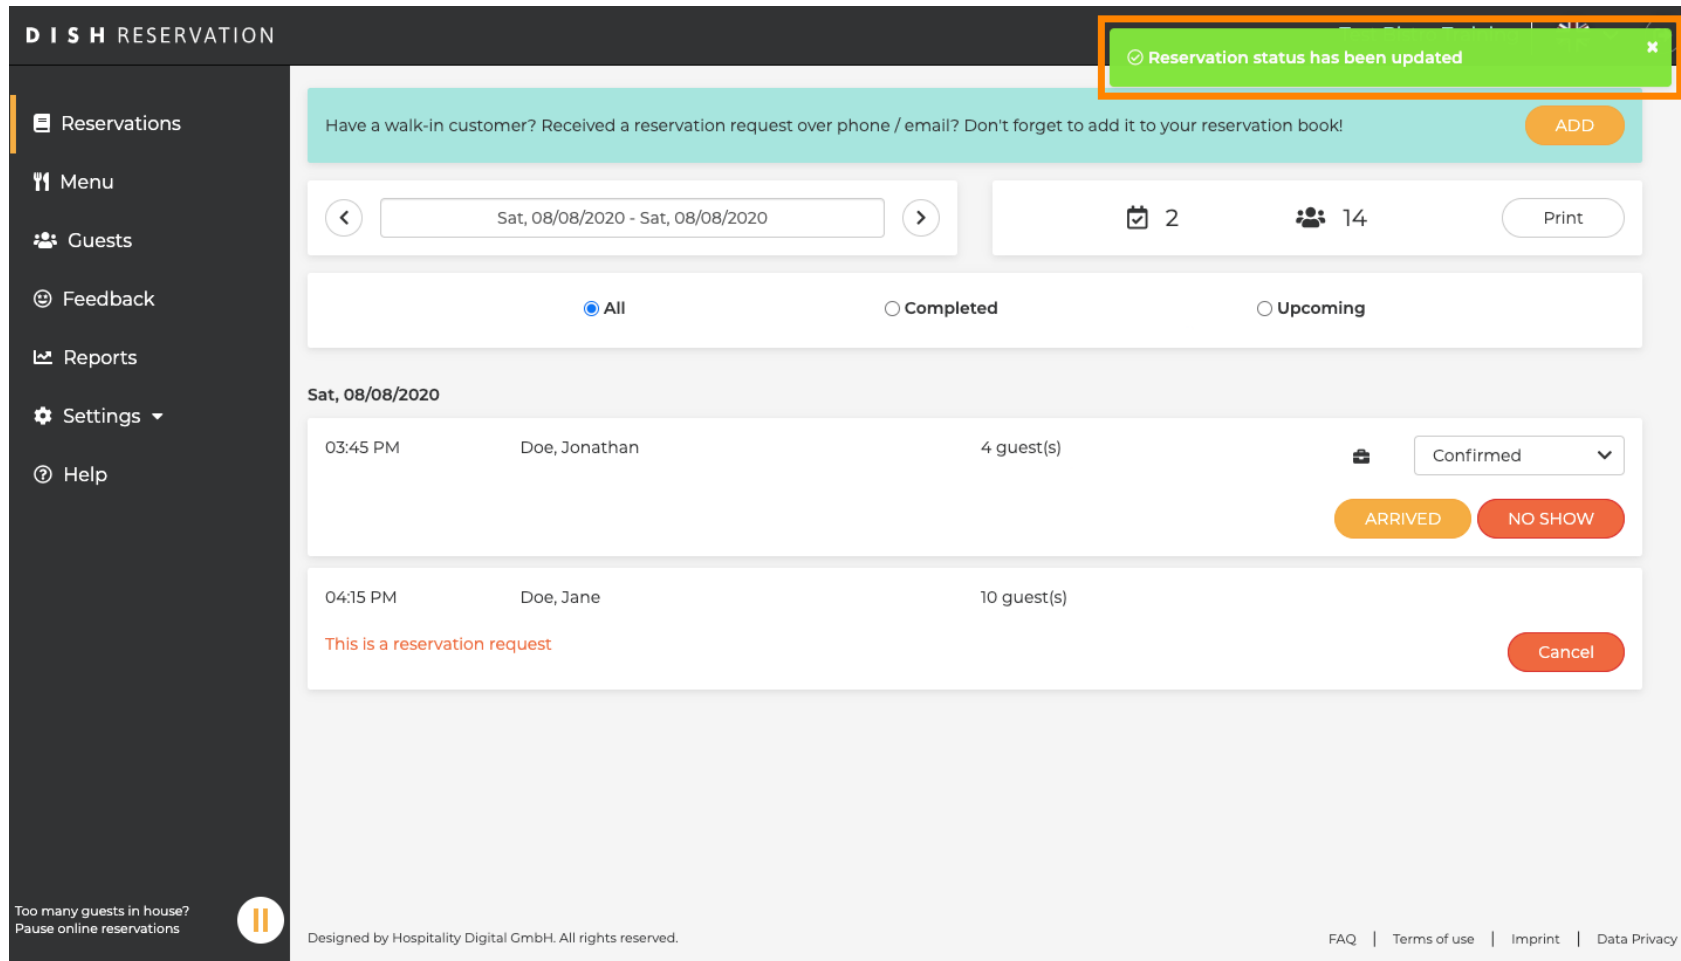

The screenshot displays the DISH RESERVATION management interface. A green notification banner at the top right states "Reservation status has been updated". Below this, a teal banner prompts the user to add walk-in customers. The main interface shows a date range of "Sat, 08/08/2020 - Sat, 08/08/2020", 2 tables, and 14 guests. Filter buttons for "All", "Completed", and "Upcoming" are visible. A table lists reservations for "Sat, 08/08/2020":

Time	Guest Name	Guest Count	Status
03:45 PM	Doe, Jonathan	4 guest(s)	Done
04:15 PM	Doe, Jane	10 guest(s)	Reservation request

The "Done" status for the first reservation is highlighted with an orange box, and a dropdown menu is open, showing "Done" and "Undo confirm" options. A "Cancel" button is located at the bottom right of the reservation list. The interface also includes a sidebar with navigation options like Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. At the bottom, there is a footer with copyright information and links for FAQ, Terms of use, Imprint, and Data Privacy.

Вот и все. Вы сделали.
