The screenshot displays the DISH Reservation management interface. On the left is a dark sidebar with navigation options: Reservations, Menu, Guests, Feedback, Reports, Settings, and Help. The main content area shows a table of customer feedback. A modal window titled "Reply to customer feedback" is open, showing a text input field with the pre-filled message: "Hello Mr. Doe, we appreciate your great feedback and hope to welcome you back at our establishment." Below the input field is a red "Reply" button. The background table has columns for Feedback date, Food, Service, Customer, and Comments. Two feedback entries are visible, both dated 05/06/2021. The first entry has 5 stars for both Food and Service, is from an anonymous customer, and says "Thank you for the wonderful food! Definitely a recommendation." The second entry is partially obscured by the modal. The interface also includes a "Website Setup" dropdown, a language selector (UK flag), and a "Start Co-Browsing" button at the bottom.
