The screenshot displays the DISH RESERVATION settings interface. On the left is a dark sidebar with a menu containing: Reservations, Table plan, Menu, Guests, Feedback, Reports, Settings (expanded), Hours (selected), Reservations, Tables/Seats, Offers, Notifications, Account, and Help. The main content area has a header with the text: "Reservation hours can be the same as your opening hours, but they can also start later and / or end earlier. Your reservation hours in combination with duration are used to offer reservation times to your guests. e.g. If your reservation hours end at 8 PM and your configured reservation duration is 2 hours, the last reservation time offered to your guests is 6PM." Below this, there are two panels: "Reservation hours" and "Exceptional hours". The "Reservation hours" panel lists the following: Monday (05:00 AM - 02:00 PM), Tuesday (05:00 AM - 02:00 PM), Wednesday (05:00 AM - 02:00 PM), Thursday (05:00 AM - 02:00 PM), and Friday (05:00 AM - 02:00 PM). The "Exceptional hours" panel, which is highlighted with an orange border, shows: Tue, 17/11/2020 - Sat, 21/11/2020 (closed) and Fri, 27/11/2020 (closed). At the bottom of the screen, a green banner states "Changes successfully saved". A question mark icon is visible in the bottom right corner of the main content area.
