The screenshot shows the DISH RESERVATION dashboard. On the left is a dark sidebar with a menu. The 'Reservations' item, which includes a calendar icon, is highlighted with an orange rectangle. Other menu items include Menu, Guests, Feedback, Reports, Settings, Hours, Tables/Seats, Offers, Notifications, Account, and Help. At the bottom of the sidebar, there is a notification: 'Too many guests in house? Pause online reservations' with a pause icon. The main content area has a dark header with 'DISH RESERVATION' on the left, 'Website Setup' with a dropdown arrow in the center, and a UK flag with a dropdown arrow and a share icon on the right. Below the header is a light blue banner with the text 'Have a walk-in customer? Received a reservation request over phone / email? Don't forget to add it to your reservation book!' and two orange buttons: 'WALK-IN' and 'ADD RESERVATION'. Under the banner are two filters: a date range 'Tue, 19/10/2021 - Tue, 19/10/2021' and a dropdown for 'All mealtypes'. Below these are three radio buttons: 'All' (selected), 'Completed', and 'Upcoming'. To the right of these buttons are icons for a calendar with '0' and a group of people with '0'. The main content area displays a large circular icon of a person with a magnifying glass and the text 'No reservations available'. At the bottom left of the main area is a 'Print' button. At the bottom right is a yellow circle with a question mark. The footer contains the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data privacy'.
