The screenshot shows the 'Restaurant Details' configuration page for 'John's bakery' in Berlin, DE. The left sidebar contains a menu with options: Dashboard, Restaurant Details (selected), Settings, Opening hours (highlighted with an orange box), Categories, Services, Payment options, Menu, Offerings, Analytics, Reservation options, Food ordering, Design and content, Legal, Web Address, DISH WEBLISTING, and Account.

The main content area is divided into two columns. The left column contains fields for:

- Name***: John's bakery (with a green checkmark)
- Street***: Metrostreet 1
- Additional**: (empty field)
- Post code***: 14129
- City***: Berlin
- Country**: Germany

 A yellow 'SAVE' button is located below these fields.

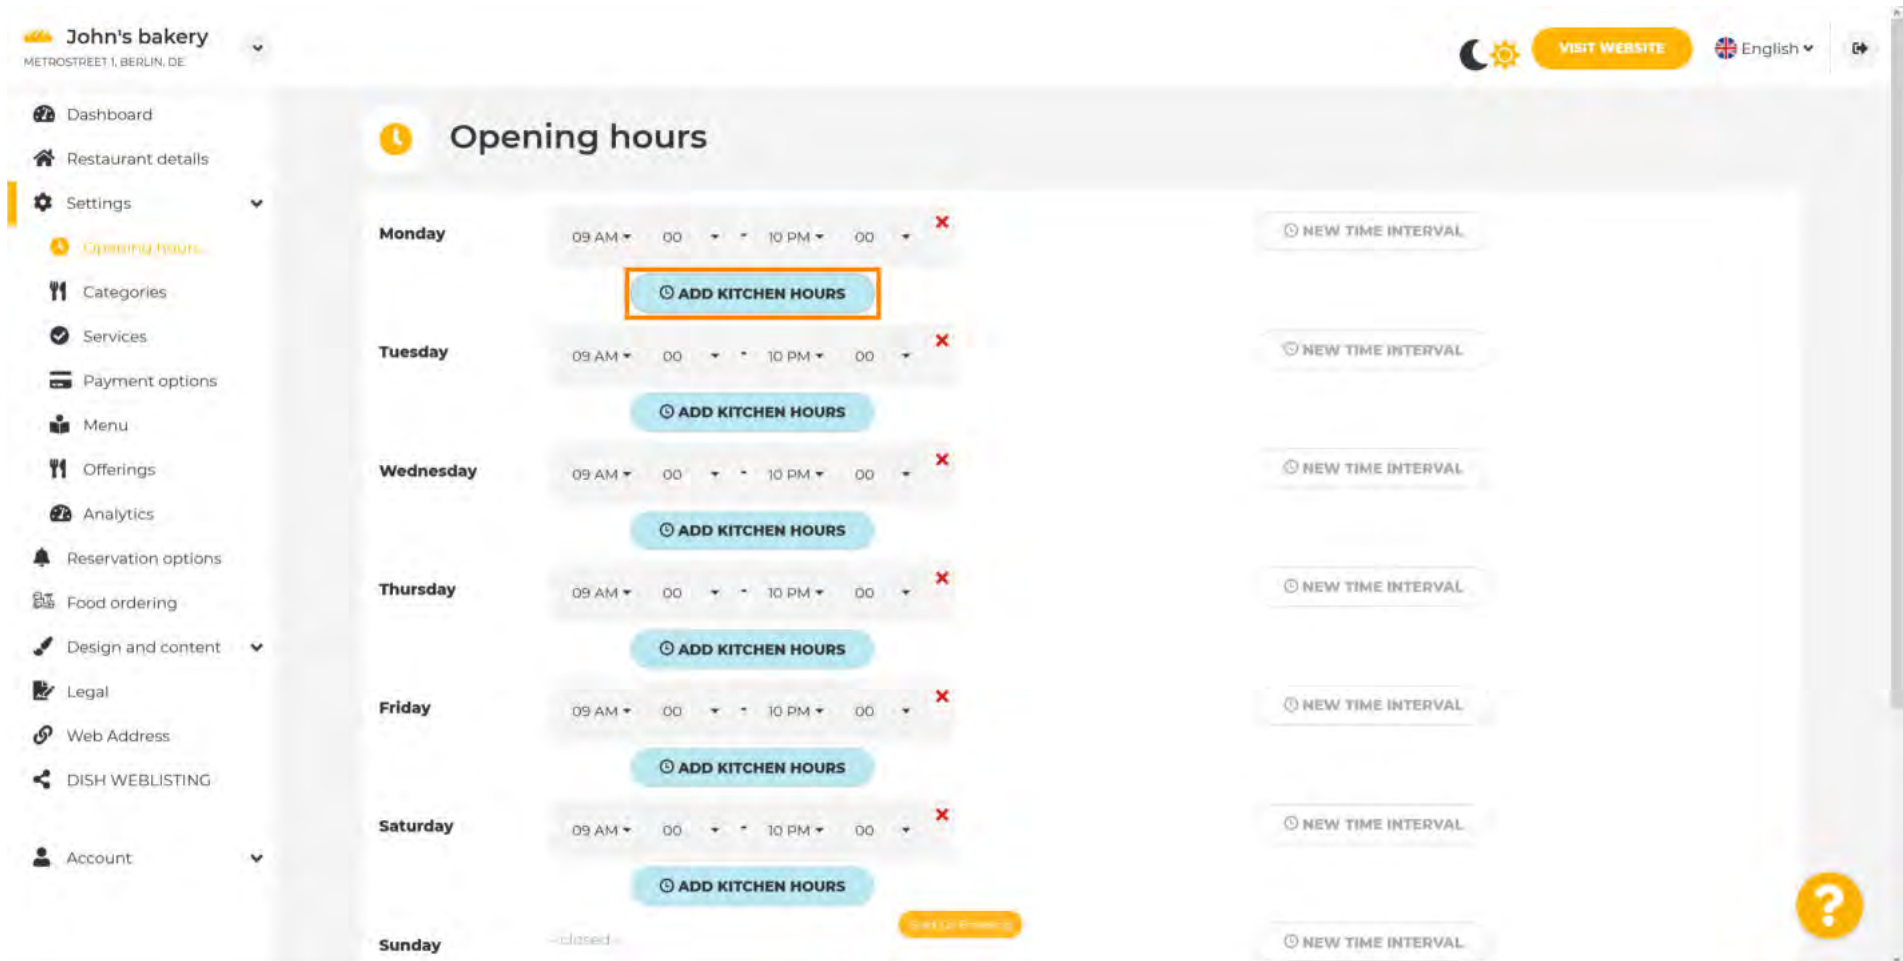

The right column contains:

- Phone***: +49 17264556688 (with a green checkmark)
- E-mail***: tutorial@mail.com (with a green checkmark)
- A checkbox labeled **Show a contact form on the website** which is checked.

Below the main form is a section titled 'Social network links' with a dropdown menu currently set to 'Facebook' and a text input field. A yellow 'ADD LINK' button is at the bottom of this section. A yellow question mark icon is in the bottom right corner.

To change visual aspects of your website click on **design y content**.

The screenshot shows the 'Food ordering' configuration page for 'John's bakery'. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering (highlighted with an orange box), Design and content (highlighted with an orange box), Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Food ordering' and features a green success message: 'Your changes were saved successfully'. Below this, there is a section for enabling food ordering, with a toggle switch set to 'Enable'. Further down, there is a section for 'Receive orders outside of my opening hours' with a toggle switch set to 'Enable'. The 'Services available' section includes checkboxes for 'Pickup', 'Delivery', and 'Eat In', all of which are checked. The 'Payment methods available' section includes checkboxes for 'Cash', 'Credit card', 'Debit card', and 'EC card', all of which are checked. A 'SAVE' button is located at the bottom right of the configuration area. The footer contains the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and a link to 'Imprint'.

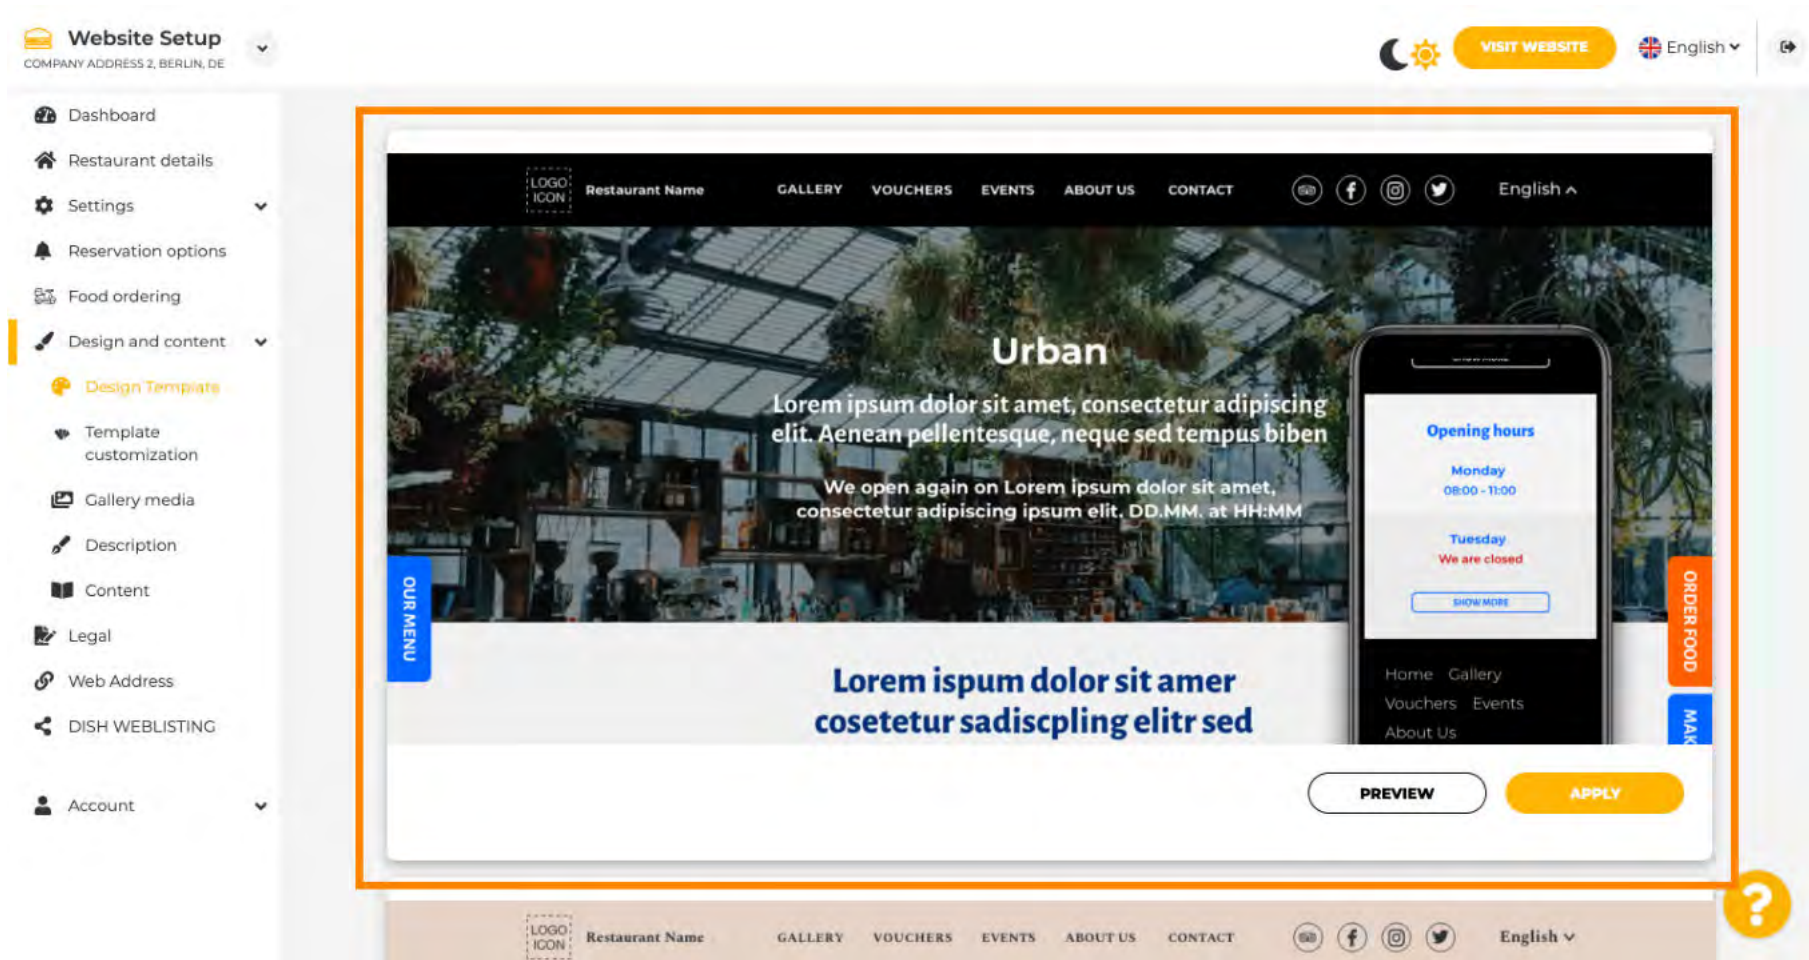

Select **design template** from the sub-menu.

The screenshot displays the 'Website Setup' interface for a food ordering website. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering (highlighted), Design and content (highlighted), Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The 'Design and content' sub-menu is expanded, showing 'Design Template' as the selected option. The main content area is titled 'Food ordering' and shows a toggle switch for 'INACTIVE'. Below the toggle, there is a text block explaining that users can enable food ordering for 'to go' orders and a warning to monitor emails. At the bottom of the page, there is a footer with links for Imprint, FAQ, Terms of Use, Data Privacy, and Change cookie settings, along with a copyright notice for Hospitality Digital GmbH.

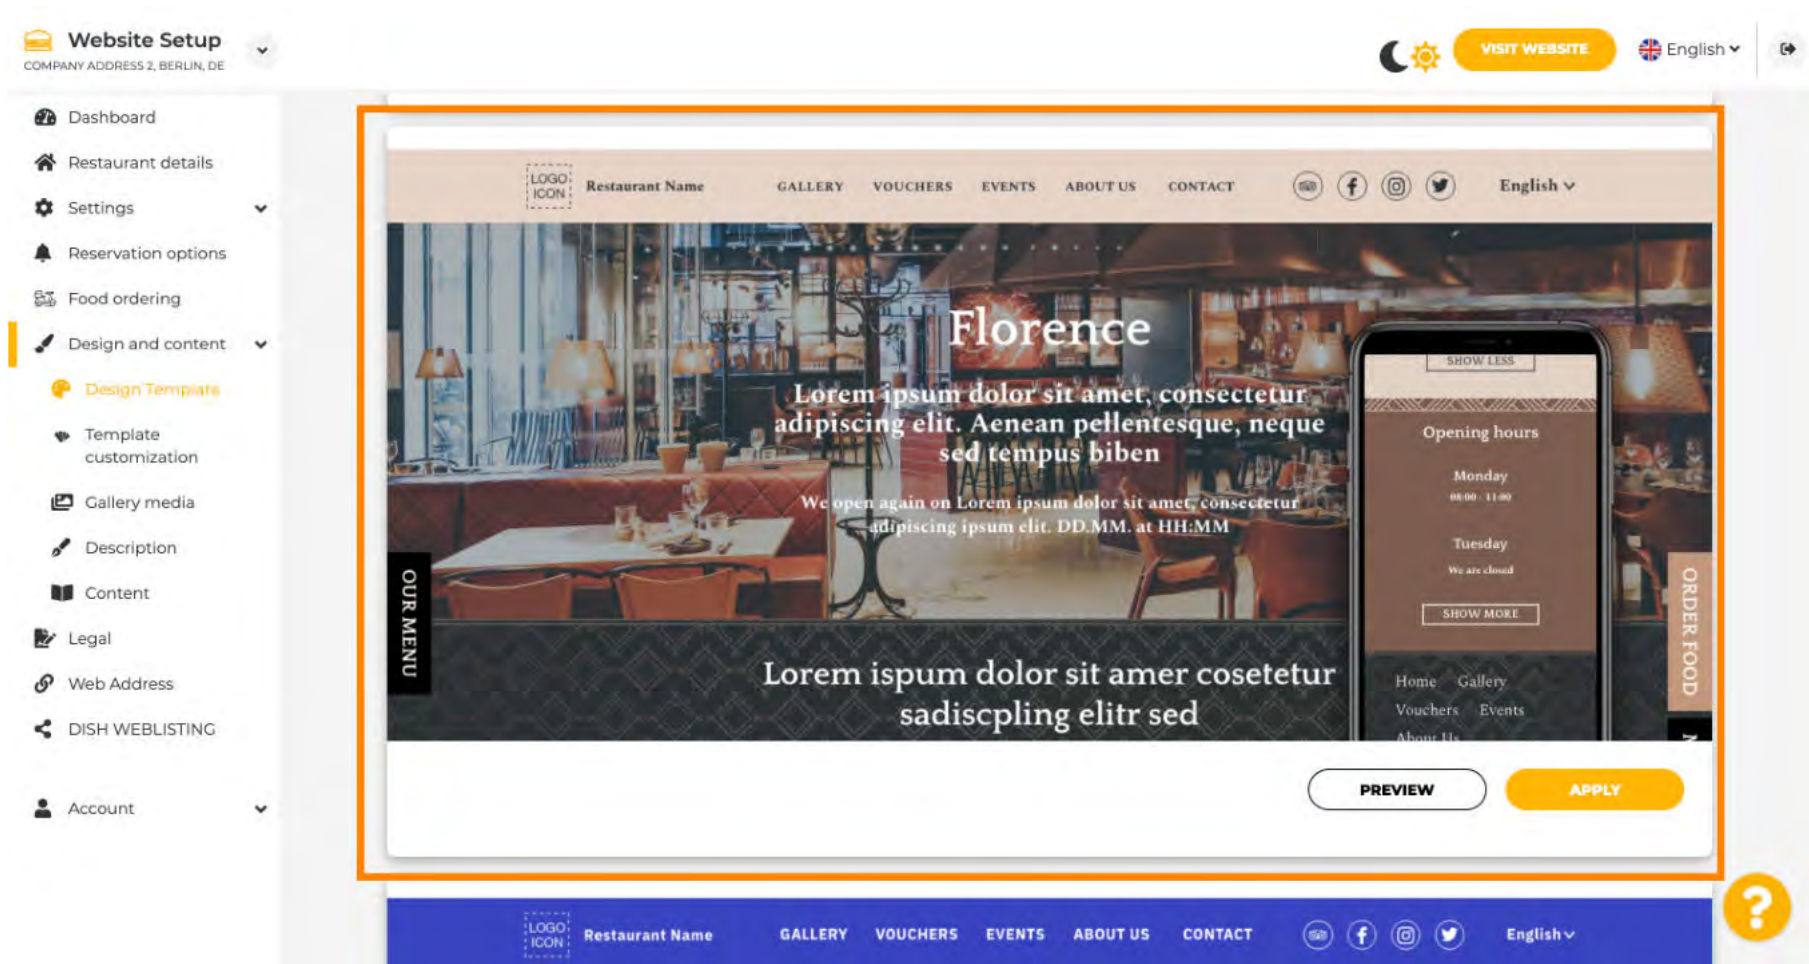

Choose between a variety of templates. **Scroll down** to view more options.

The screenshot displays the 'Website Setup' interface for a restaurant website. On the left, a sidebar menu lists various configuration options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template (selected), Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main area shows a preview of a website template for a restaurant named 'Urban'. The template features a large hero image of a restaurant interior with the title 'Urban' and placeholder text. Below the hero image, there's a section for 'Opening hours' with a table showing Monday (08:00 - 11:00) and Tuesday (We are closed). A 'SHOW MORE' button is present. The footer includes a navigation menu with links to Home, Gallery, Vouchers, Events, About Us, and Contact. The interface also includes a 'VISIT WEBSITE' button, a language selector (English), and a 'PREVIEW' button at the bottom right.

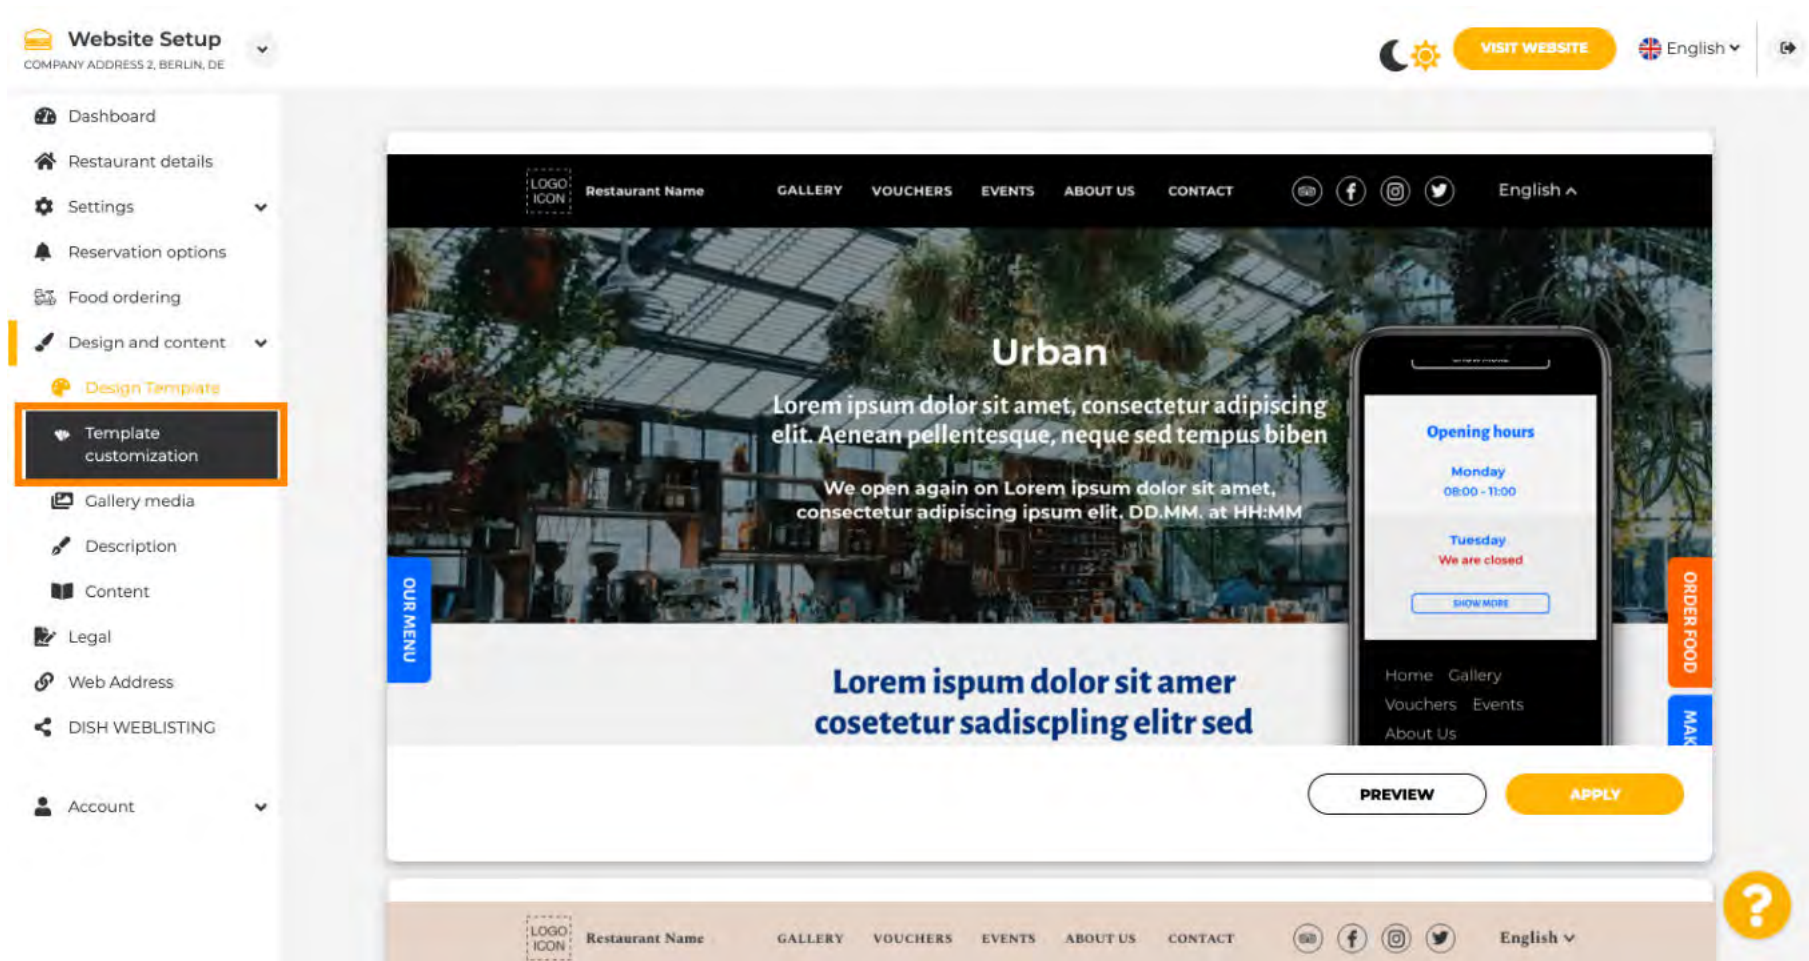

Once you've found a template you like, click on **apply**. Note: All templates can be previewed. To do so click on **preview**.

The screenshot displays the 'Website Setup' interface for a restaurant website. On the left is a sidebar menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template (highlighted), Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main area shows a preview of a website template for a restaurant named 'Florence'. The template features a large hero image of a restaurant interior with the title 'Florence' and placeholder text. Below the hero image is a section for 'Opening hours' with a table showing 'Monday 08:00 - 11:00' and 'Tuesday We are closed'. At the bottom of the preview are 'PREVIEW' and 'APPLY' buttons. The top of the preview shows a navigation bar with 'Restaurant Name', 'GALLERY', 'VOUCHERS', 'EVENTS', 'ABOUT US', 'CONTACT', and social media icons. The bottom of the preview shows a footer with the same navigation links and a language selector set to 'English'.

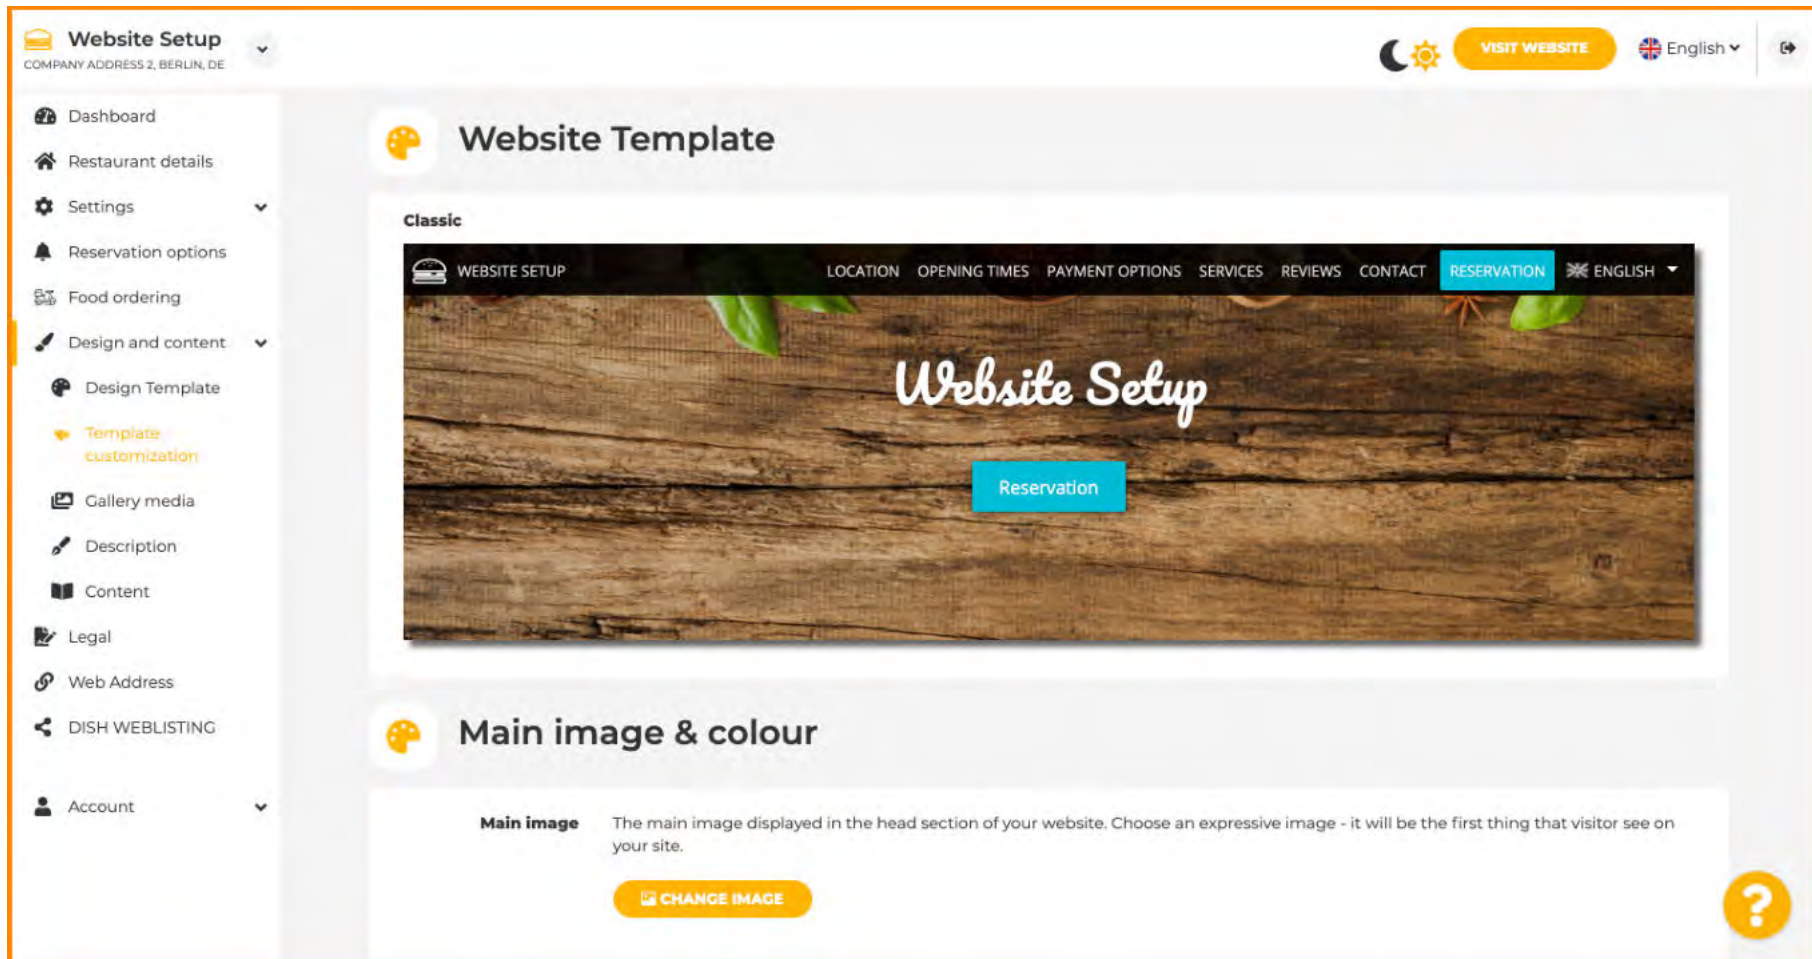

Make further changes to your website design by clicking on **template customization**.

The screenshot displays the 'Website Setup' interface. On the left, a sidebar lists various settings categories. The 'Design and content' category is expanded, and the 'Template customization' option is highlighted with an orange border. The main area shows a preview of a restaurant website template titled 'Urban'. The preview includes a header with the restaurant name, navigation links (GALLERY, VOUCHERS, EVENTS, ABOUT US, CONTACT), and social media icons. The main content area features a large image of a restaurant interior with the title 'Urban' and placeholder text. A mobile phone mockup on the right shows the website's opening hours and a 'SHOW MORE' button. At the bottom of the preview, there are 'PREVIEW' and 'APPLY' buttons. A yellow question mark icon is visible in the bottom right corner of the interface.

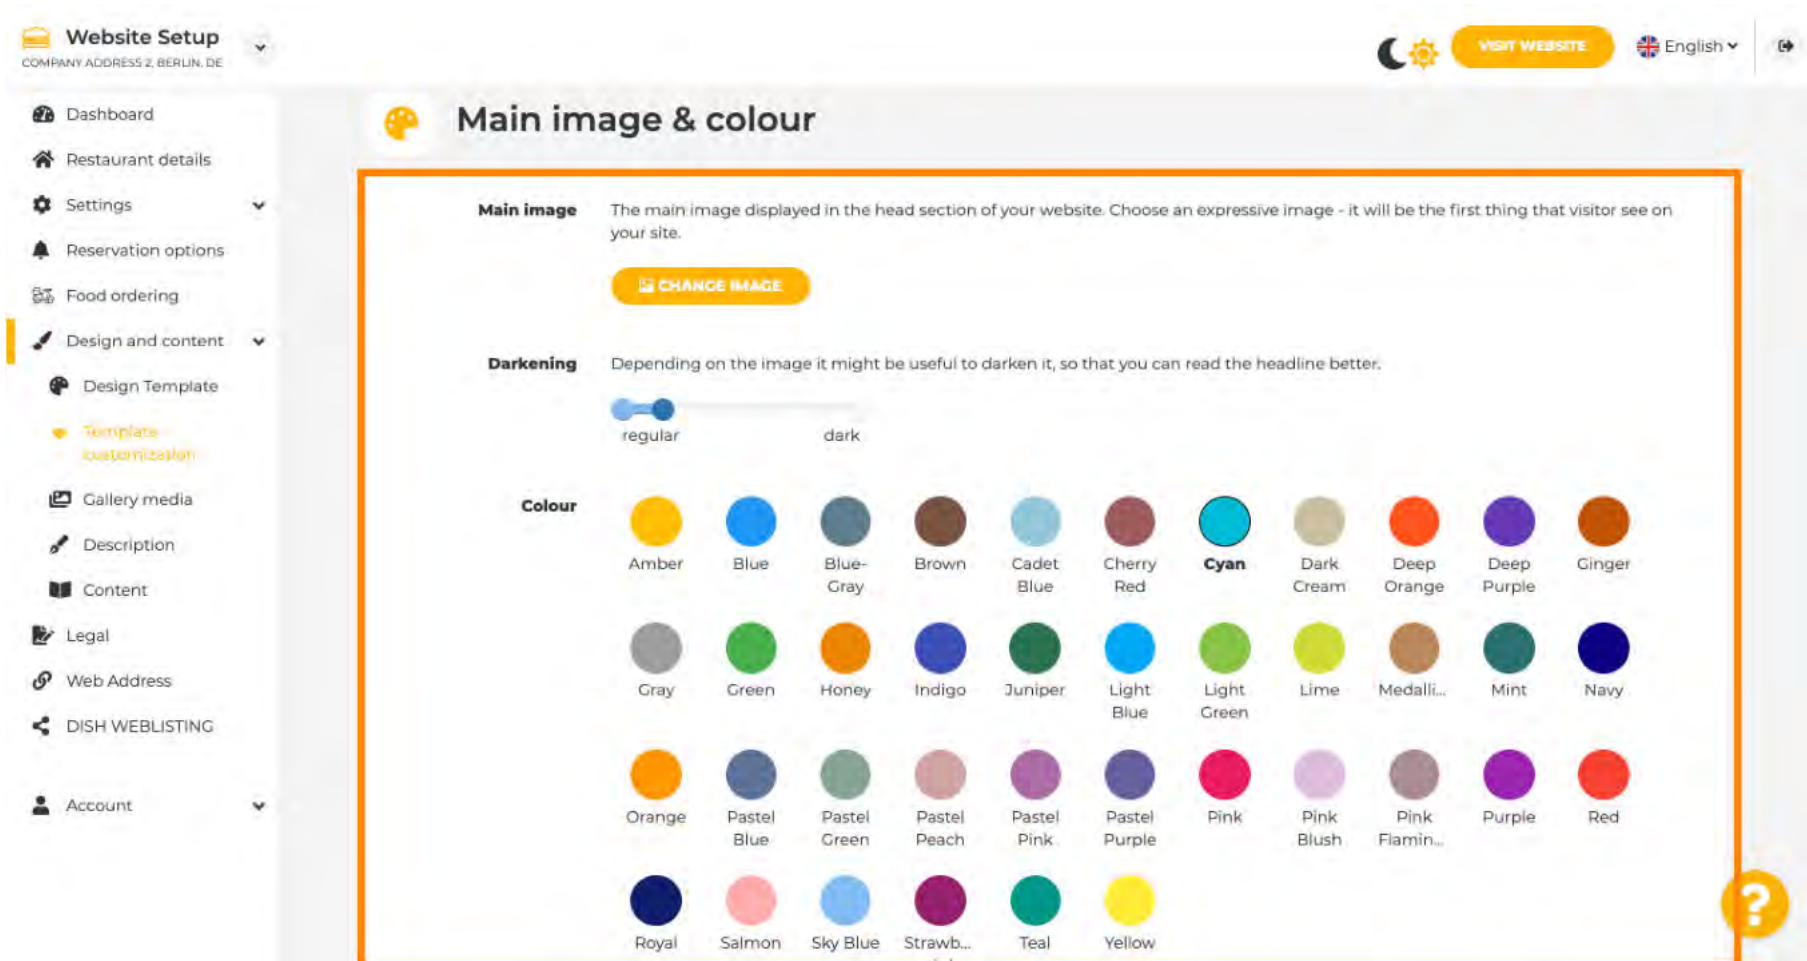

Scroll down to change the **main image & colour**.

The screenshot displays the 'Website Setup' interface. On the left is a sidebar menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Website Template' and shows a 'Classic' design preview. The preview features a dark header with navigation links: WEBSITE SETUP, LOCATION, OPENING TIMES, PAYMENT OPTIONS, SERVICES, REVIEWS, CONTACT, RESERVATION (highlighted), and ENGLISH. The main body of the preview has a rustic wood background with the text 'Website Setup' and a 'Reservation' button. Below the template preview is the 'Main image & colour' section, which includes a description of the main image and a 'CHANGE IMAGE' button. A help icon (?) is located in the bottom right corner of the interface.

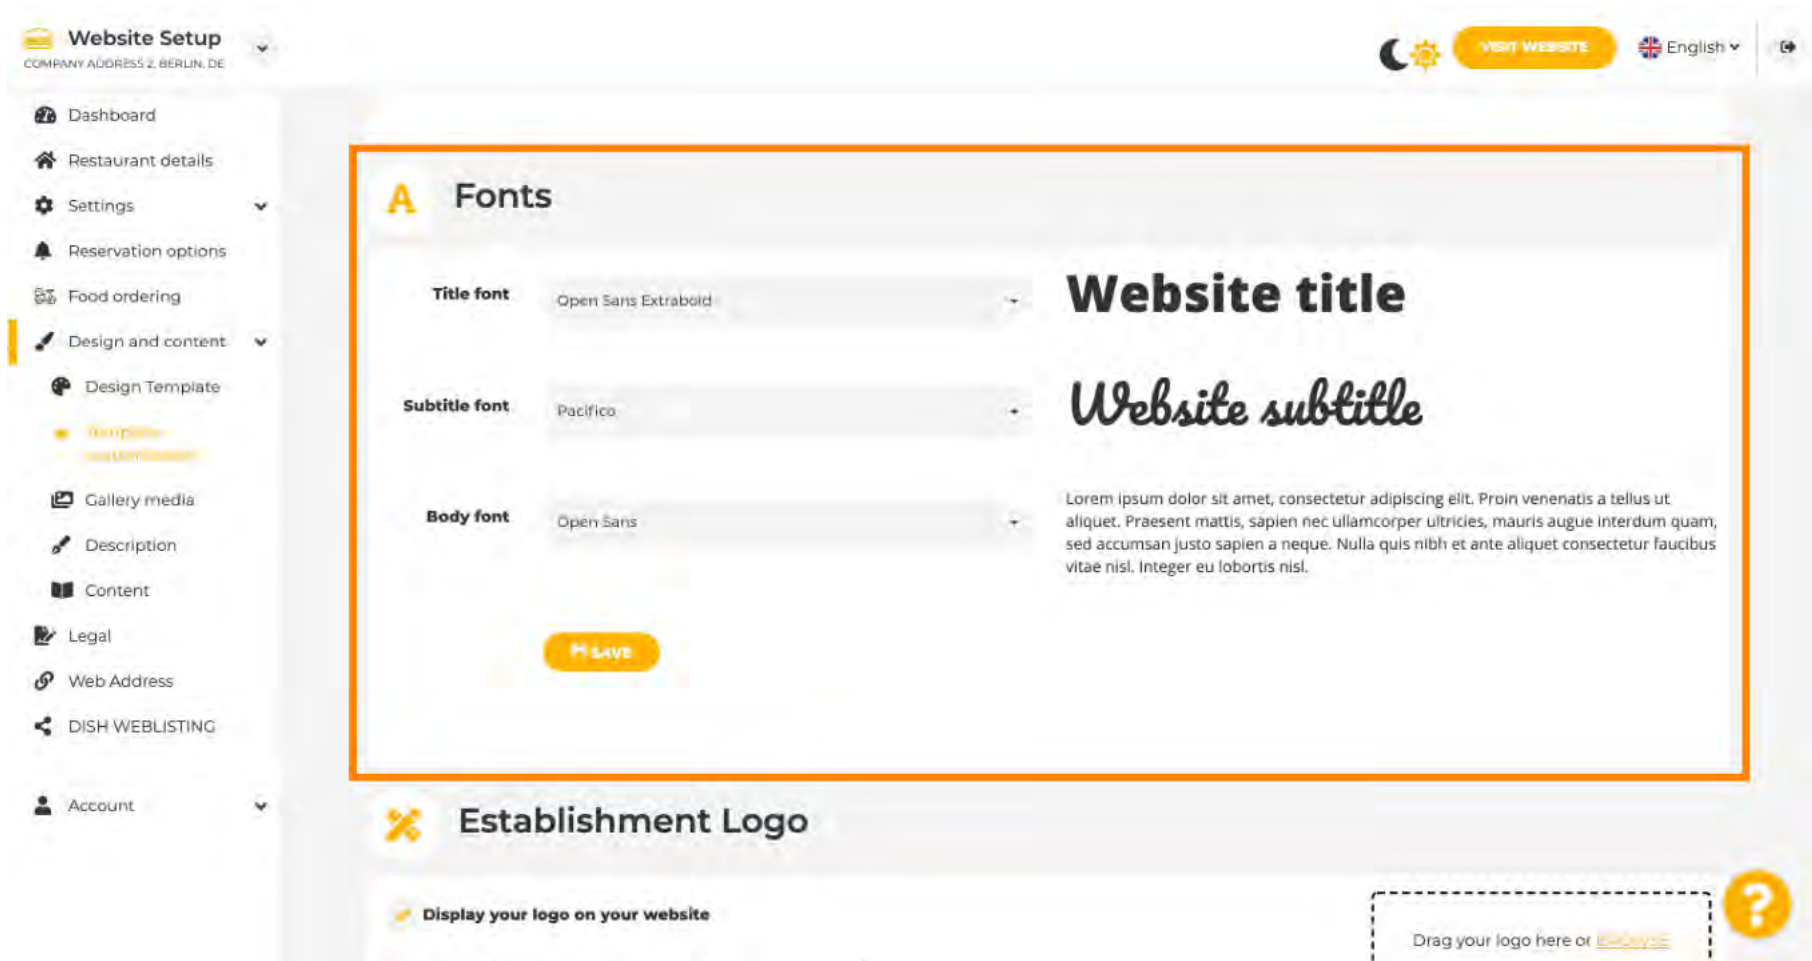

In this section you can change the **image** displayed in the head section as well as choose between a wide variety of **colours**.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (selected), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Main image & colour' and includes a 'CHANGE IMAGE' button. Below this is a 'Darkening' slider set to 'regular'. The 'Colour' section displays a grid of 40 color swatches, each with a name: Amber, Blue, Blue-Gray, Brown, Cadet Blue, Cherry Red, Cyan, Dark Cream, Deep Orange, Deep Purple, Ginger, Gray, Green, Honey, Indigo, Juniper, Light Blue, Light Green, Lime, Medallion, Mint, Navy, Orange, Pastel Blue, Pastel Green, Pastel Peach, Pastel Pink, Pastel Purple, Pink, Pink Blush, Pink Flamingo, Purple, Red, Royal, Salmon, Sky Blue, Strawberry, Teal, and Yellow. A question mark icon is visible in the bottom right corner of the color selection area.

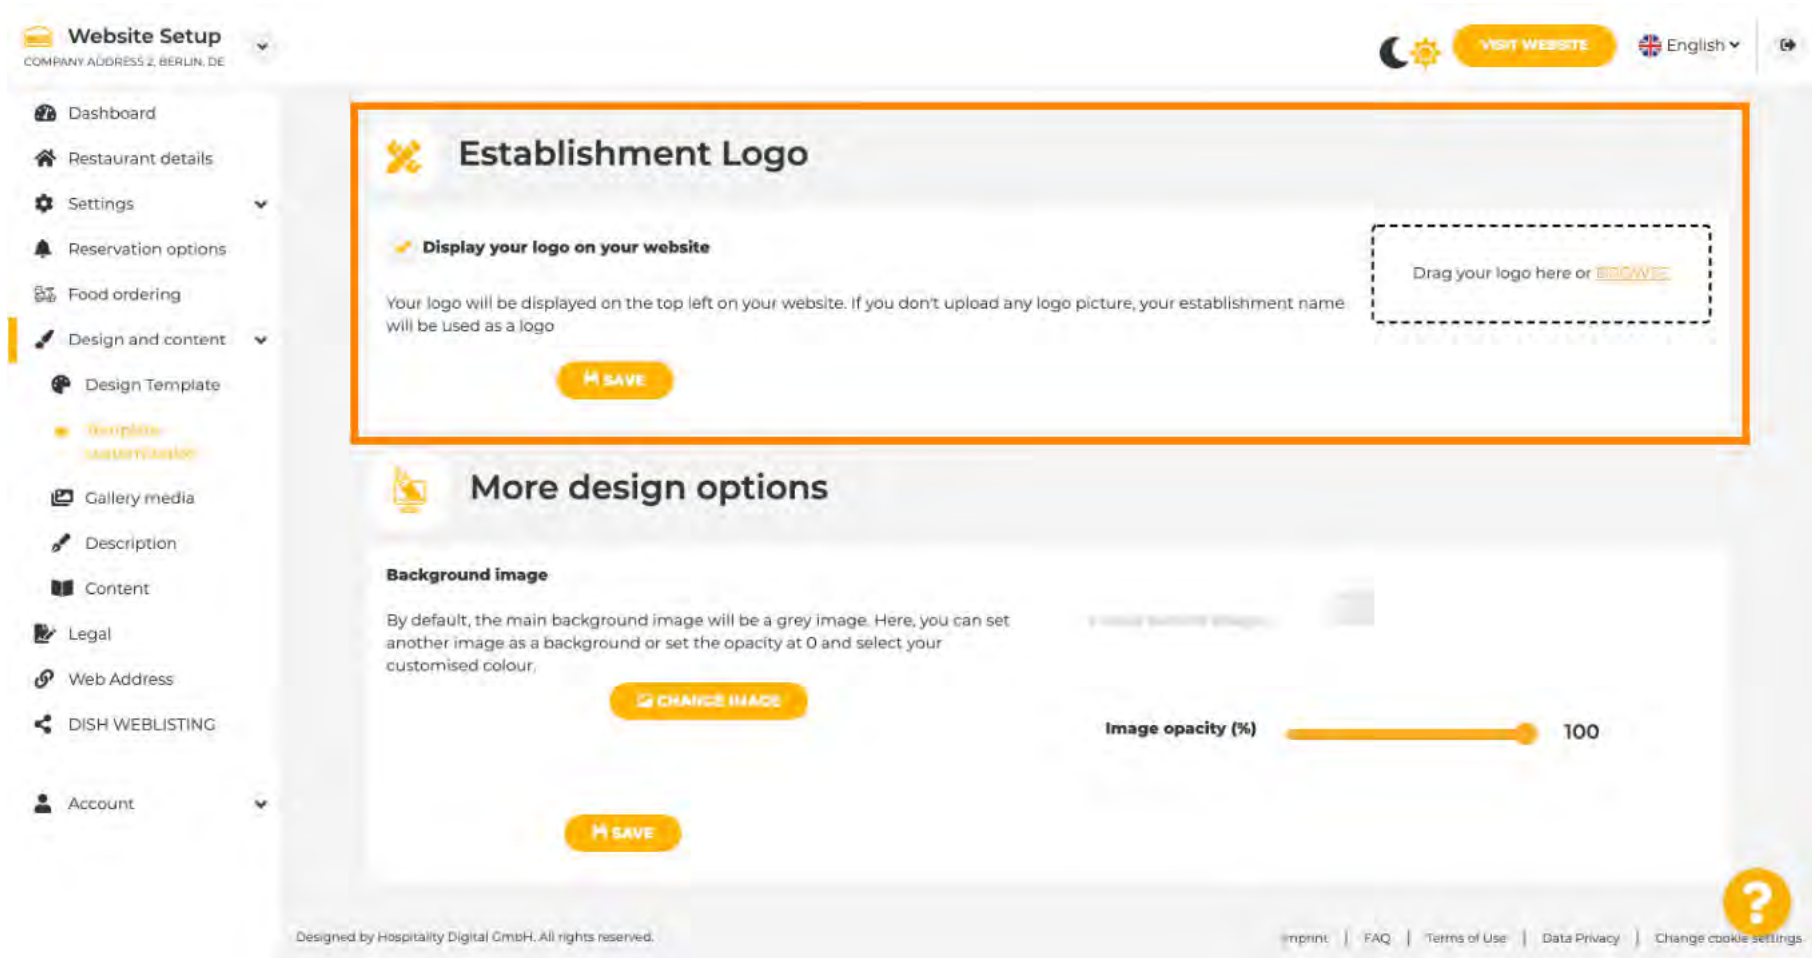

Select the desired **font** here.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a navigation menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Website Setup' with a sub-header 'COMPANY ADDRESS 2, BERLIN, DE'. The 'Fonts' section is highlighted with an orange border and contains three font selection options: 'Title font' (Open Sans Extrabold), 'Subtitle font' (Pacifico), and 'Body font' (Open Sans). To the right of these options, there are preview examples: 'Website title' in a bold sans-serif font, 'Website subtitle' in a script font, and a paragraph of Lorem Ipsum text in a sans-serif font. A yellow 'SAVE' button is located below the font selection options. Below the 'Fonts' section is the 'Establishment Logo' section, which includes a yellow 'X' icon and the text 'Display your logo on your website'. A dashed box indicates where to drag the logo, with a yellow question mark icon to the right.

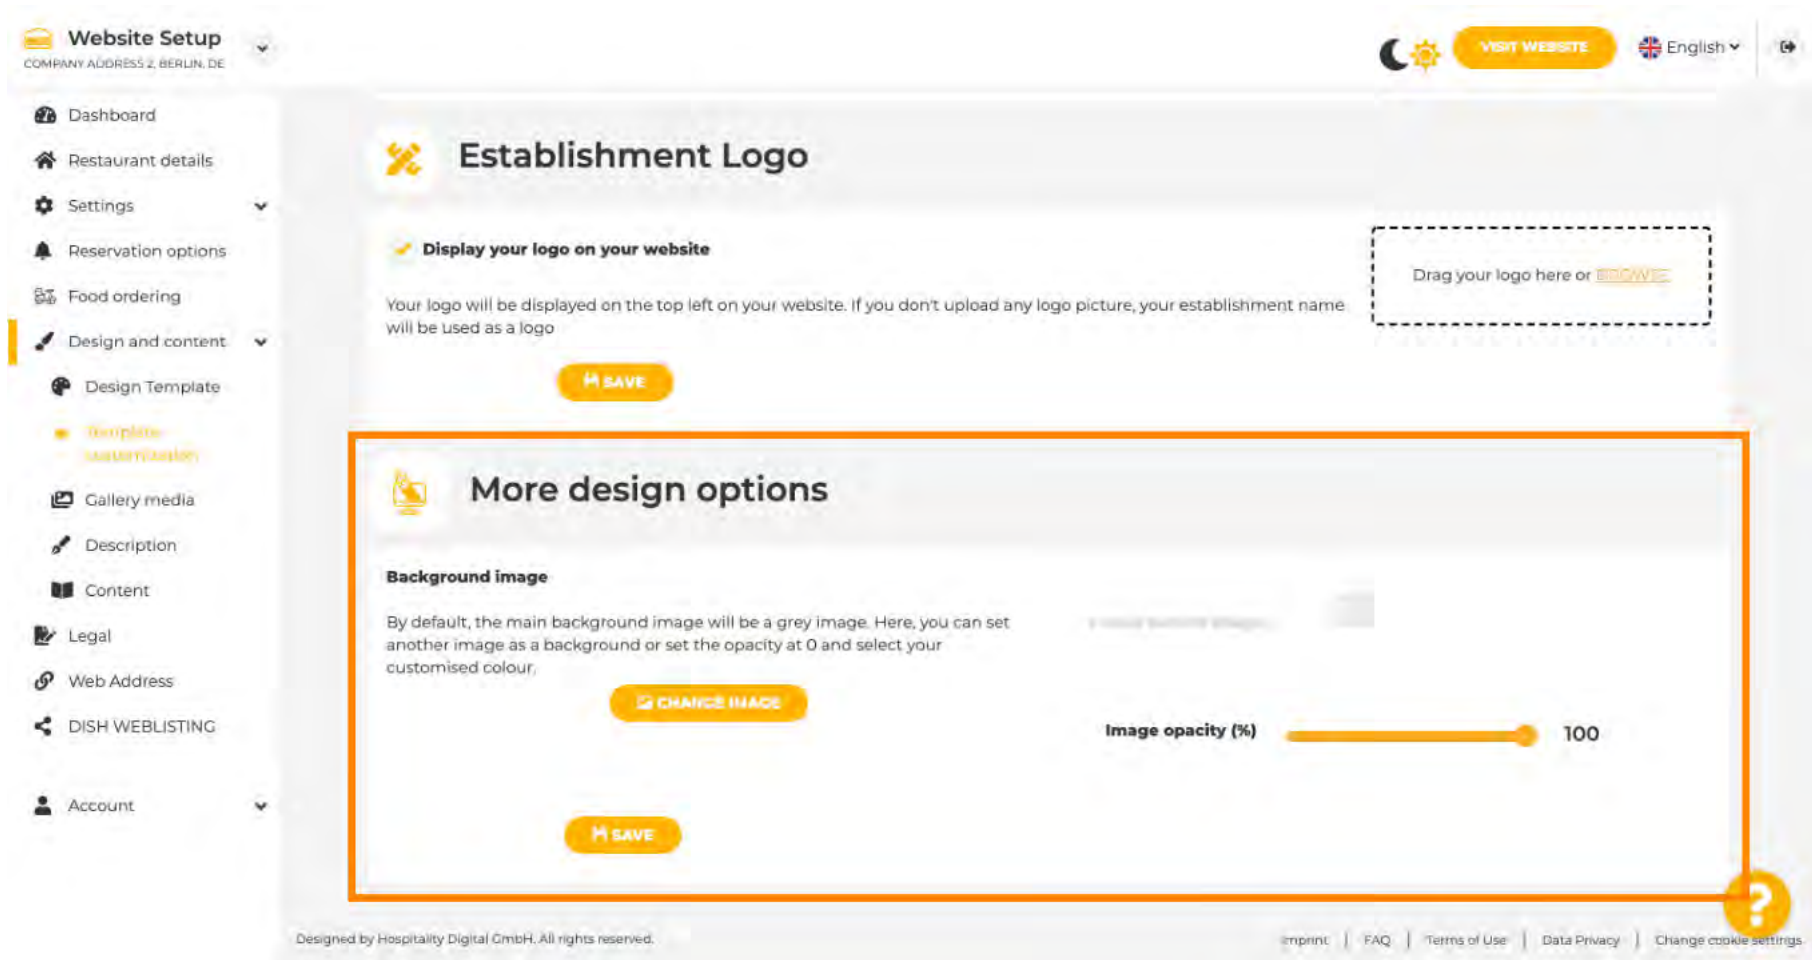

🖱️ Add an **establishment logo** to give your website a professional look.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a navigation menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Establishment Logo' and includes a checkbox 'Display your logo on your website' which is checked. Below this, a text box explains that the logo will be displayed on the top left of the website and that the establishment name will be used as a logo if no picture is uploaded. A dashed box indicates where to drag the logo or click 'BROWSE'. A 'SAVE' button is present. Below the logo section is the 'More design options' section, which includes a 'Background image' subsection. It explains that the default background is a grey image and allows users to set another image or the opacity at 0 and select a customised colour. A 'CHANGE IMAGE' button is shown. To the right, there is a slider for 'Image opacity (%)' set to 100. A 'SAVE' button is at the bottom of this section. The footer includes a copyright notice 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'Imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cookie settings'. A help icon (question mark) is in the bottom right corner.

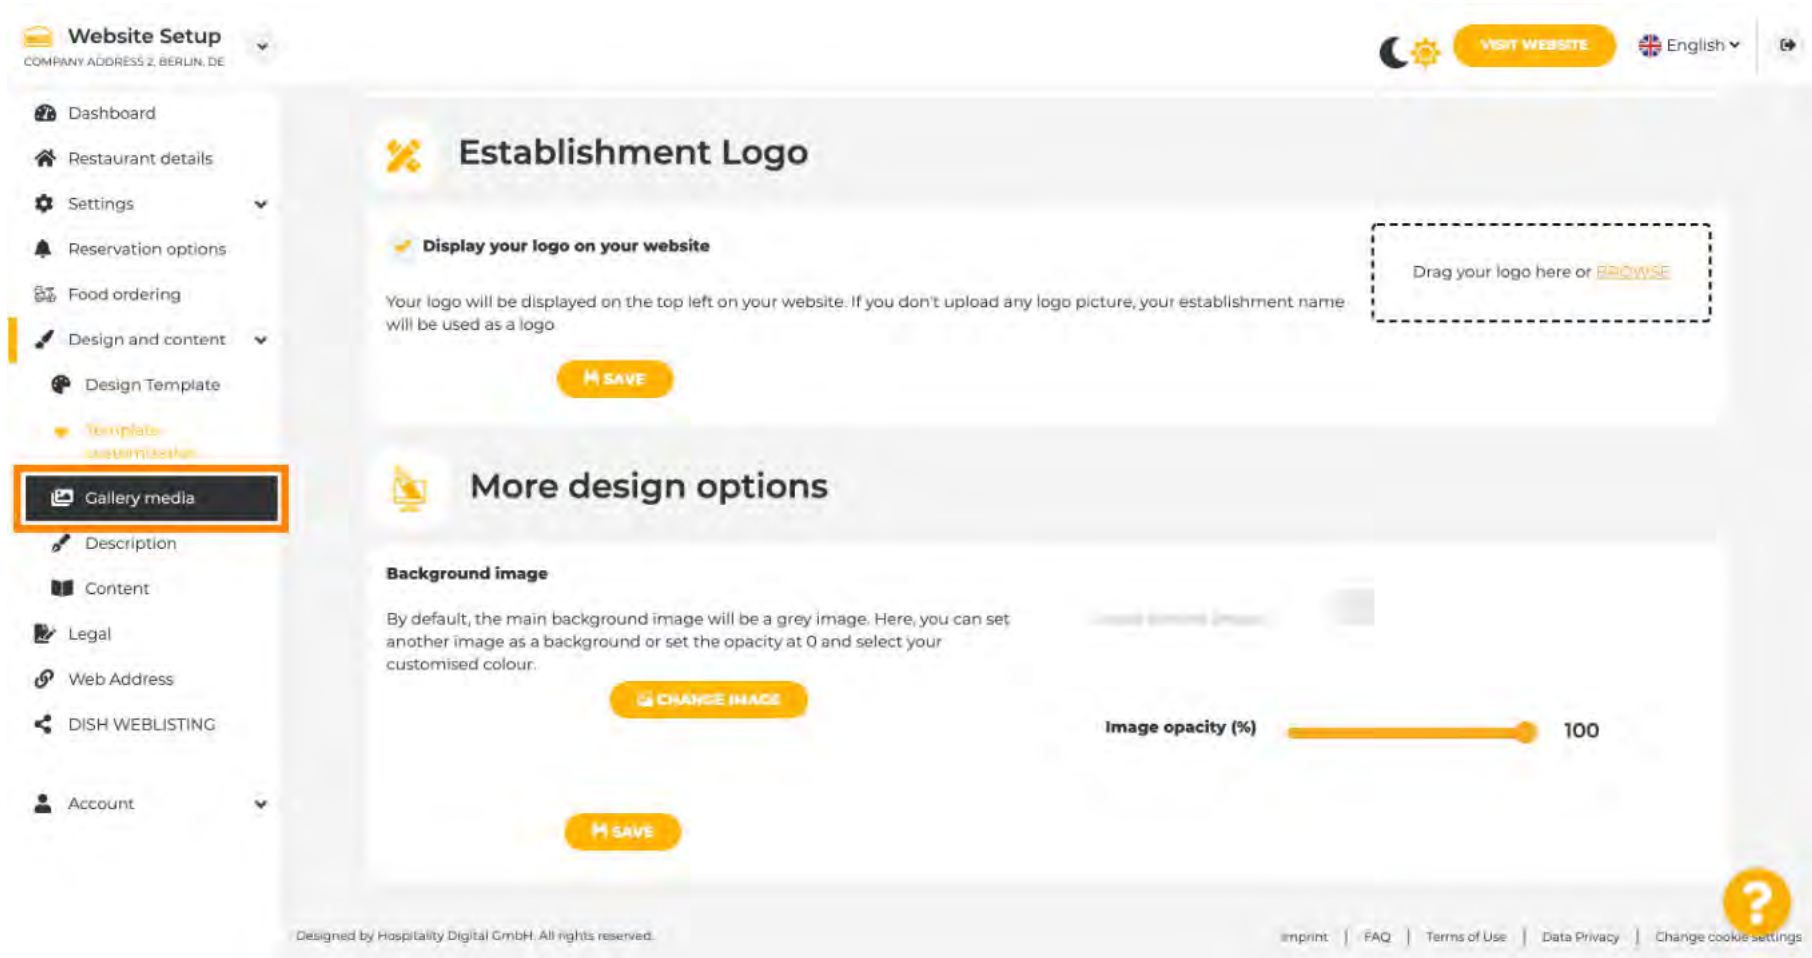

You have the option to change the **background image** as well as the **image opacity**.

The screenshot displays the 'Website Setup' interface for DISH. The left sidebar contains a navigation menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Establishment Logo' and includes a section 'Display your logo on your website' with a dashed box for logo upload and a 'SAVE' button. Below this is the 'More design options' section, which is highlighted with an orange border. It contains a 'Background image' section with a description, a 'CHANGE IMAGE' button, and an 'Image opacity (%)' slider set to 100. A 'SAVE' button is at the bottom of this section. The footer includes a copyright notice and links for Imprint, FAQ, Terms of Use, Data Privacy, and Change cookie settings.

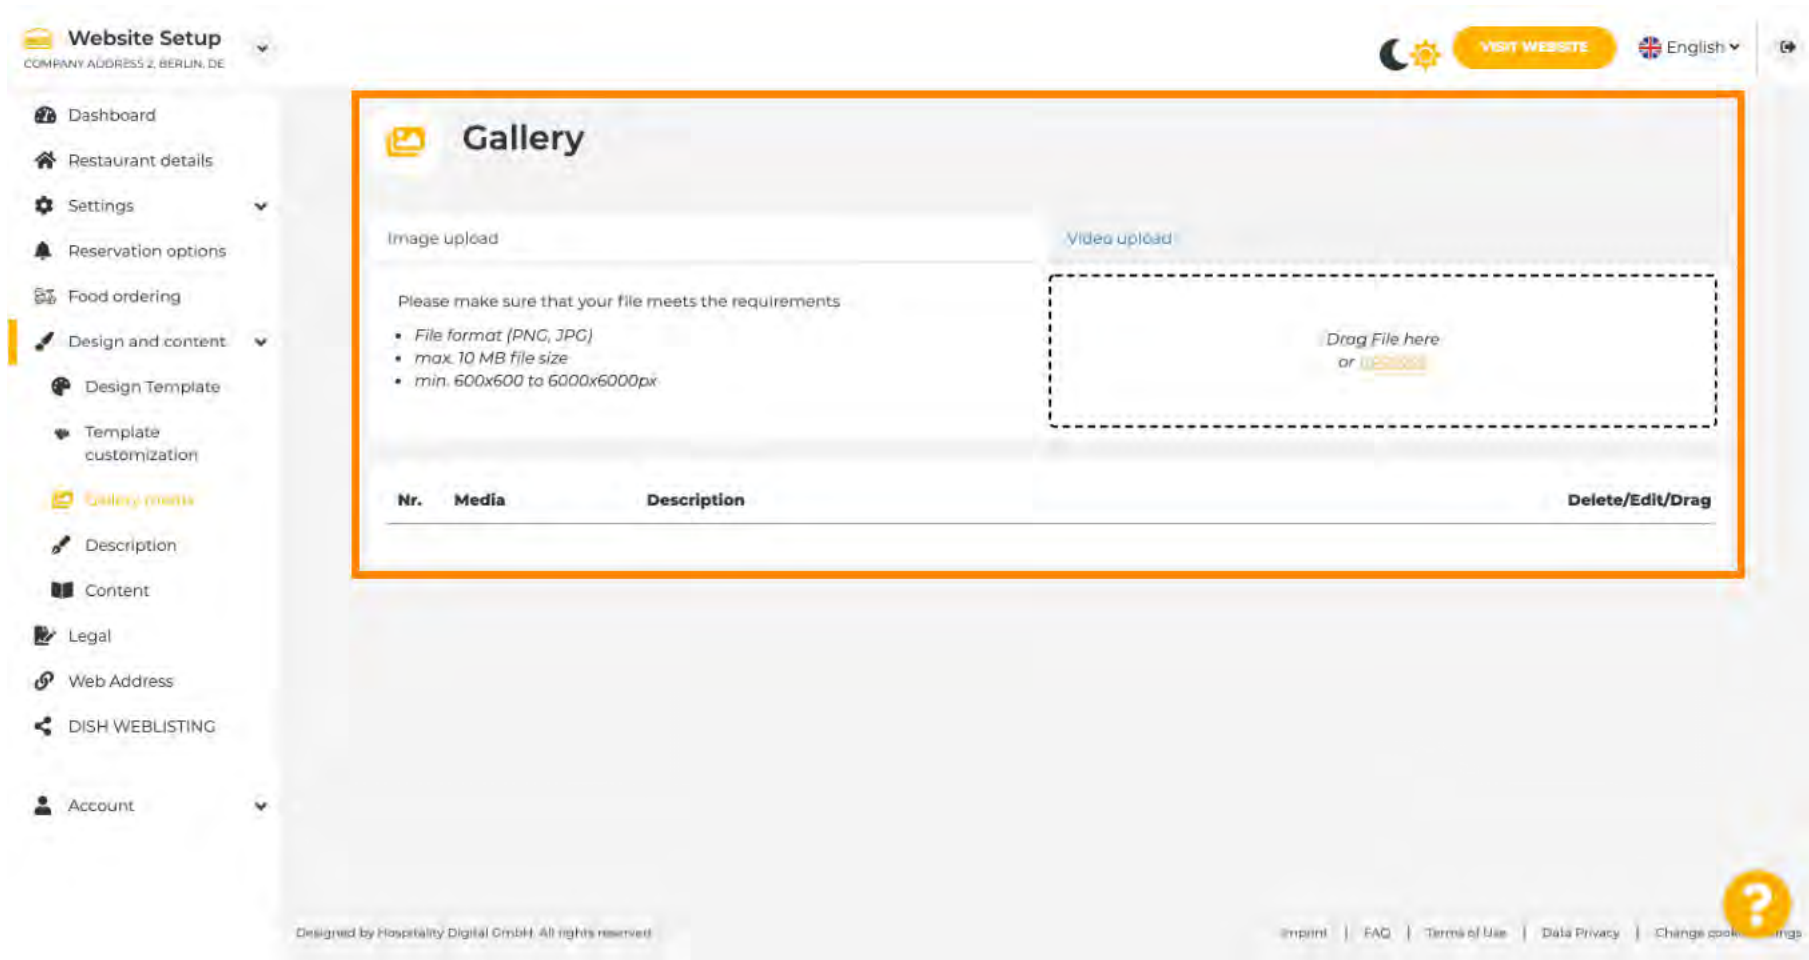

The next step is to modify your **gallery media**.

The screenshot displays the 'Website Setup' interface. On the left sidebar, the 'Gallery media' option is highlighted with an orange border. The main content area shows the 'Establishment Logo' section, which includes a checkbox for 'Display your logo on your website' and a dashed box for uploading a logo. Below this is the 'More design options' section, featuring a 'Background image' area with a 'CHANGE IMAGE' button and an 'Image opacity (%)' slider set to 100. A 'SAVE' button is visible at the bottom of the 'More design options' section. The footer contains links for 'imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cookie settings'.

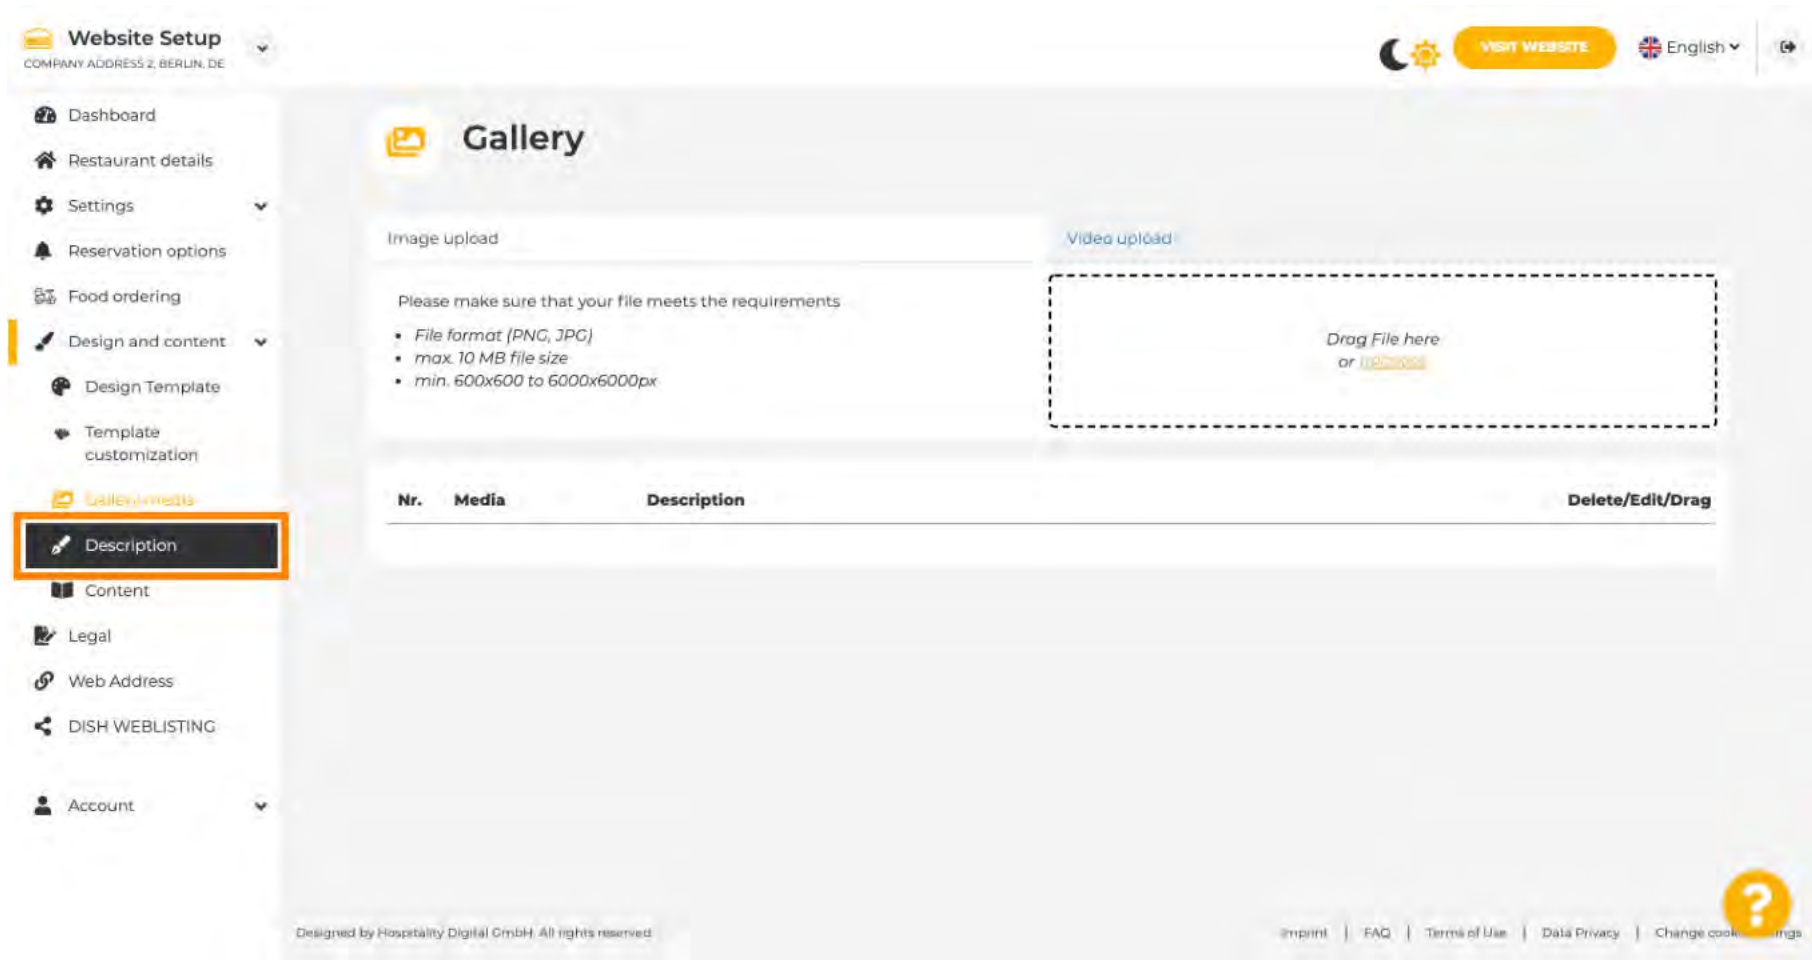

Add **media** like images or videos via drag & drop that should be displayed on your new website.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media (highlighted), Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Gallery' and features two upload sections: 'Image upload' and 'Video upload'. The 'Image upload' section includes a list of requirements: 'File format (PNG, JPG)', 'max. 10 MB file size', and 'min. 600x600 to 6000x6000px'. Below these requirements is a dashed box with the text 'Drag File here or [upload](#)'. The 'Video upload' section is currently empty. At the bottom of the gallery, there is a table with columns: 'Nr.', 'Media', 'Description', and 'Delete/Edit/Drag'. The footer of the interface includes the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and a row of links: 'Imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cook settings'.

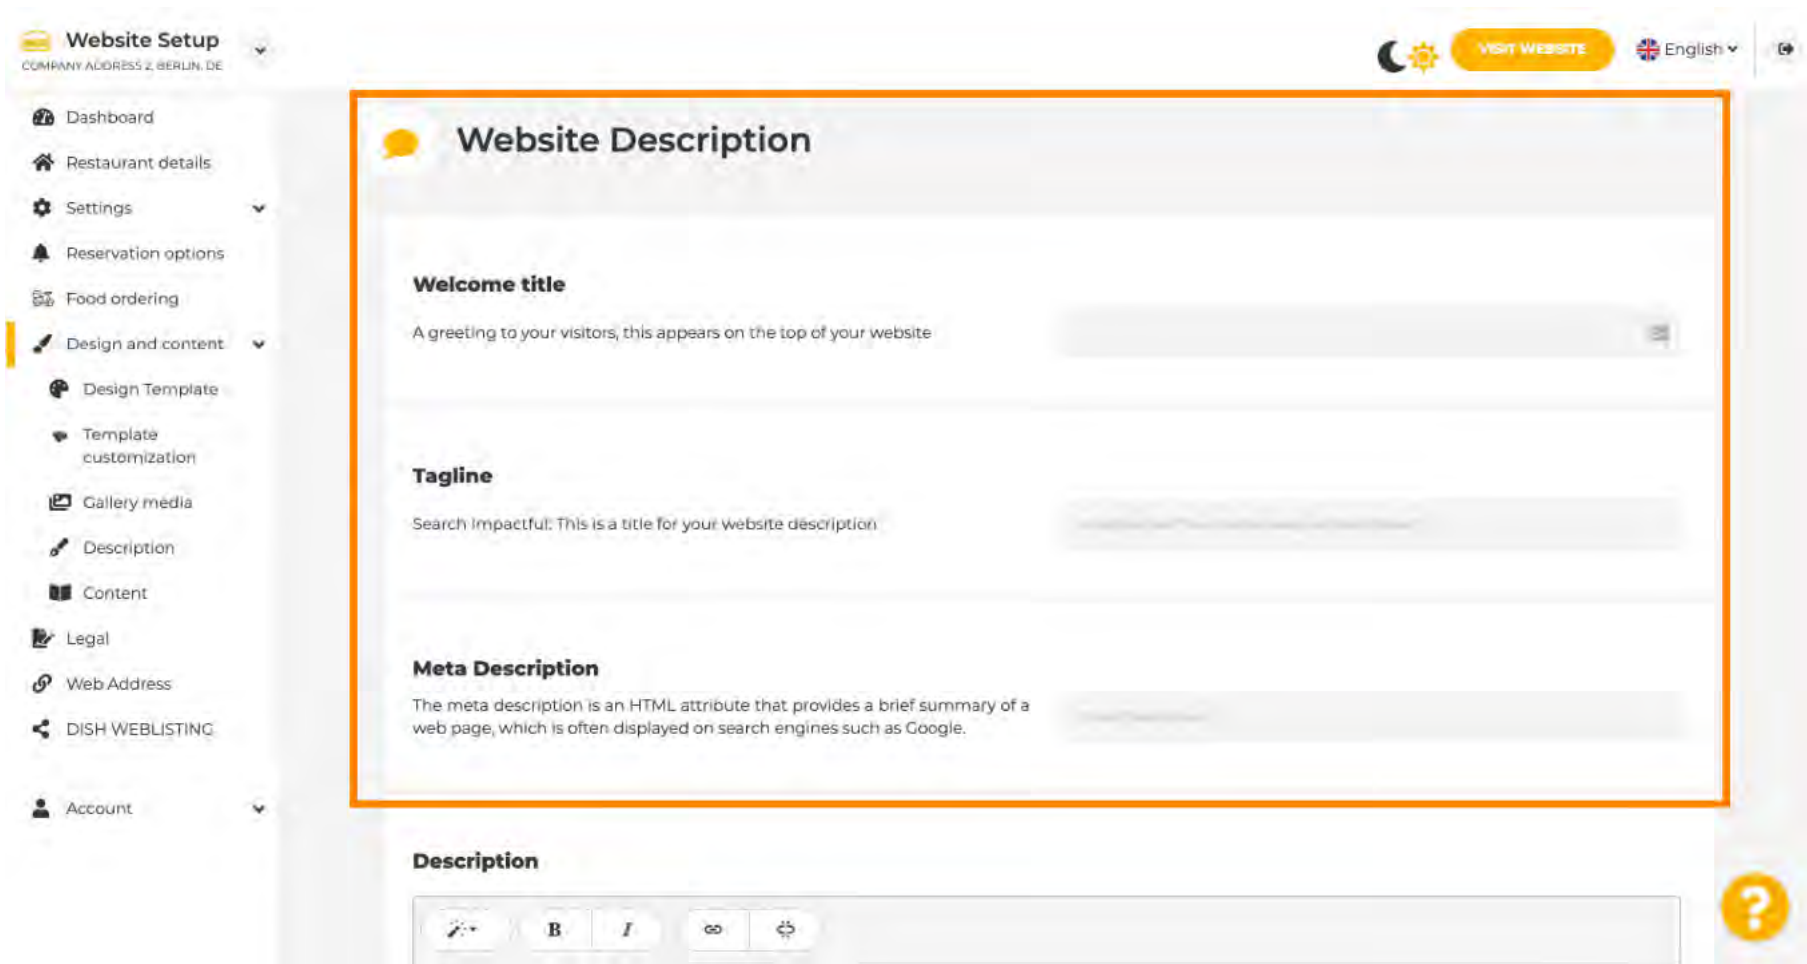

Change details about the **description** next.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media (highlighted), Description (highlighted with an orange box), Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Gallery' and features an 'Image upload' section with a list of requirements: File format (PNG, JPG), max. 10 MB file size, and min. 600x600 to 6000x6000px. To the right of the image upload section is a 'Video upload' section with a dashed box for dragging a file. Below these sections is a table with columns: Nr., Media, Description, and Delete/Edit/Drag. The footer contains links for Imprint, FAQ, Terms of Use, Data Privacy, and Change cookie settings, along with a copyright notice for Hospitality Digital GmbH.

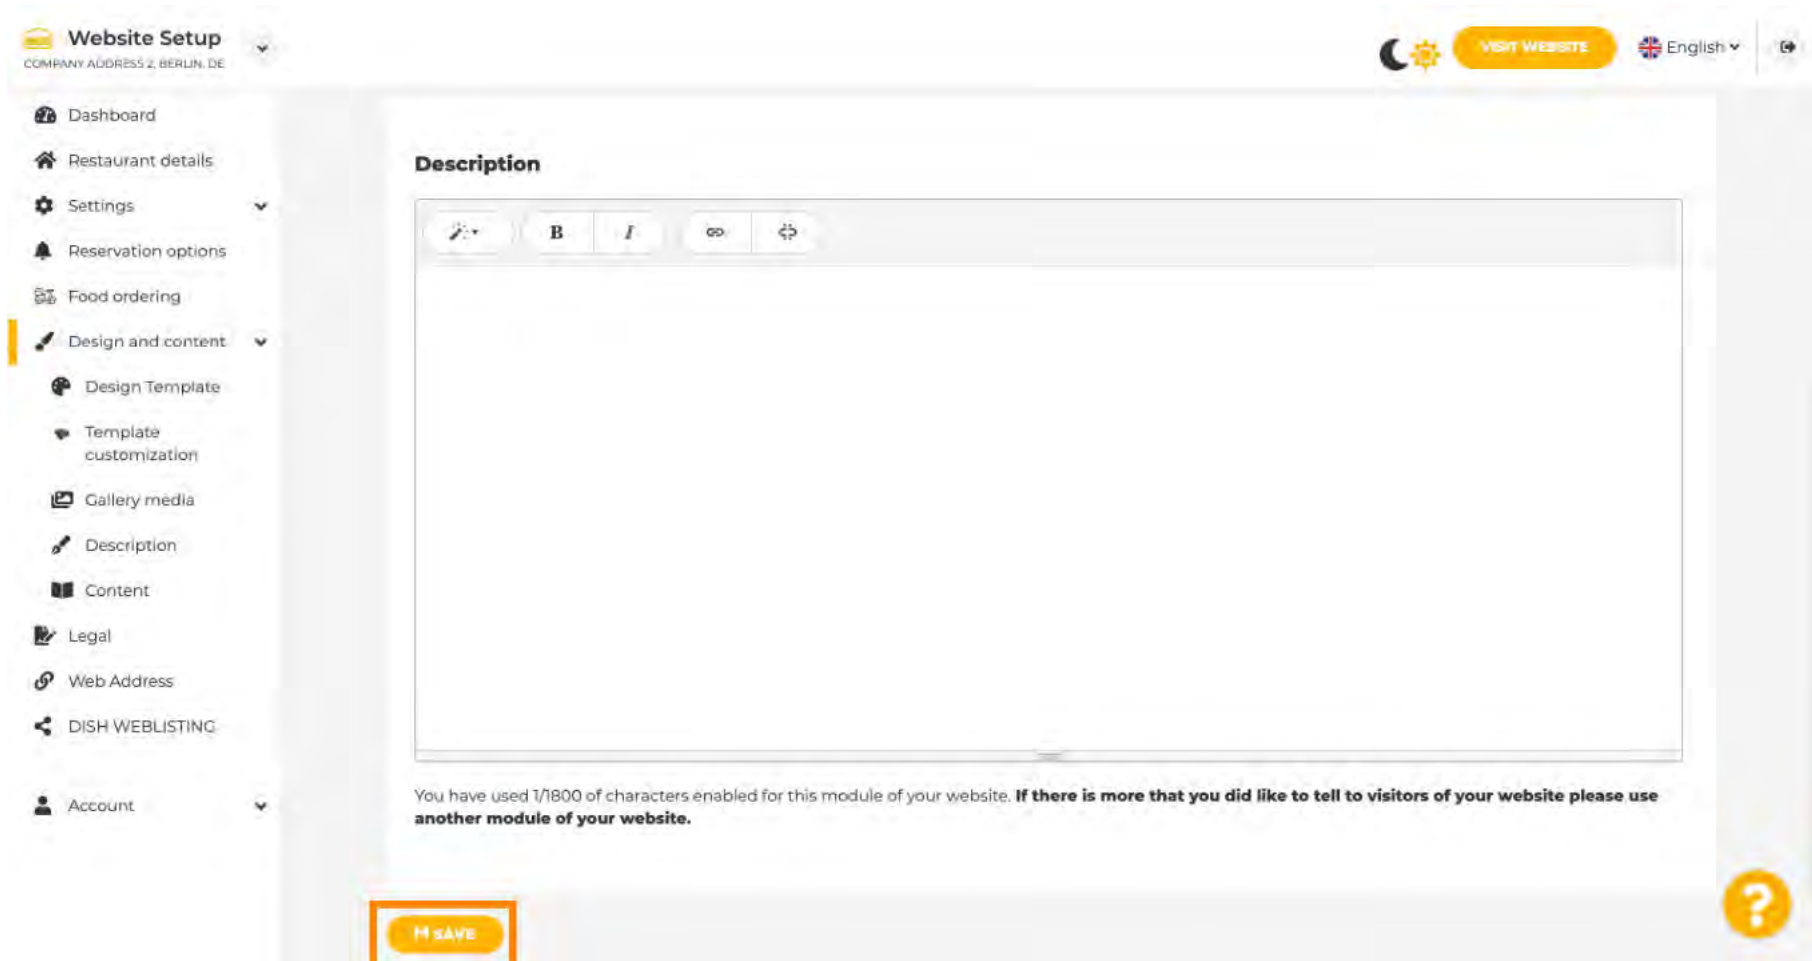

Add a **welcome title**, **tagline**, **meta description** and a **description** here. **Note: Scroll down to edit the description.**

The screenshot shows the 'Website Setup' interface. On the left is a sidebar menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main area is titled 'Website Description' and contains three sections: 'Welcome title' with a text input field and a description 'A greeting to your visitors, this appears on the top of your website'; 'Tagline' with a text input field and a description 'Search Impactful: This is a title for your website description'; and 'Meta Description' with a text input field and a description 'The meta description is an HTML attribute that provides a brief summary of a web page, which is often displayed on search engines such as Google.' Below these is a 'Description' section with a rich text editor. The top right of the interface includes a 'VISIT WEBSITE' button, a language selector set to 'English', and a help icon.

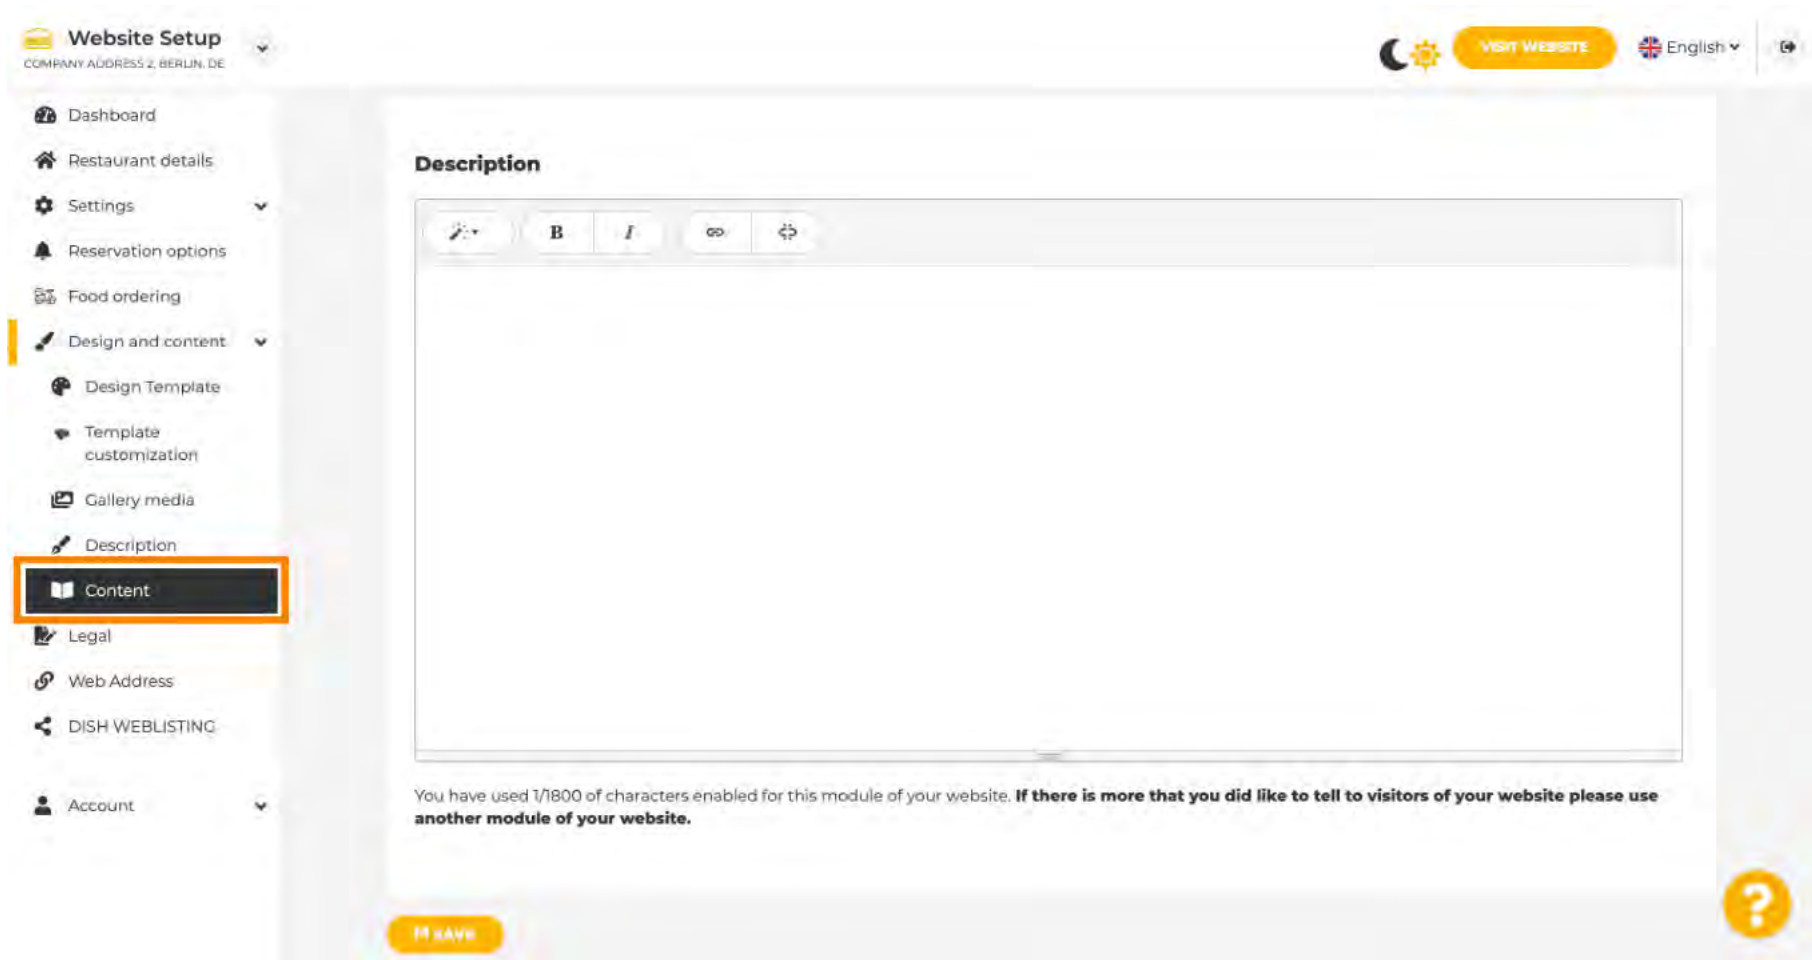

Finish this step by clicking on **save**.

The screenshot displays the 'Website Setup' interface for DISH. The left sidebar contains a navigation menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted with an orange bar), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Description' and features a rich text editor with a toolbar containing icons for bold (B), italic (I), link (chain), and unlink (chain with slash). Below the editor, a character count message states: 'You have used 1/1800 of characters enabled for this module of your website. If there is more that you did like to tell to visitors of your website please use another module of your website.' At the bottom left of the main area, there is an orange 'SAVE' button. In the top right corner, there is a 'VISIT WEBSITE' button, a language selector set to 'English', and a help icon (question mark in a circle).

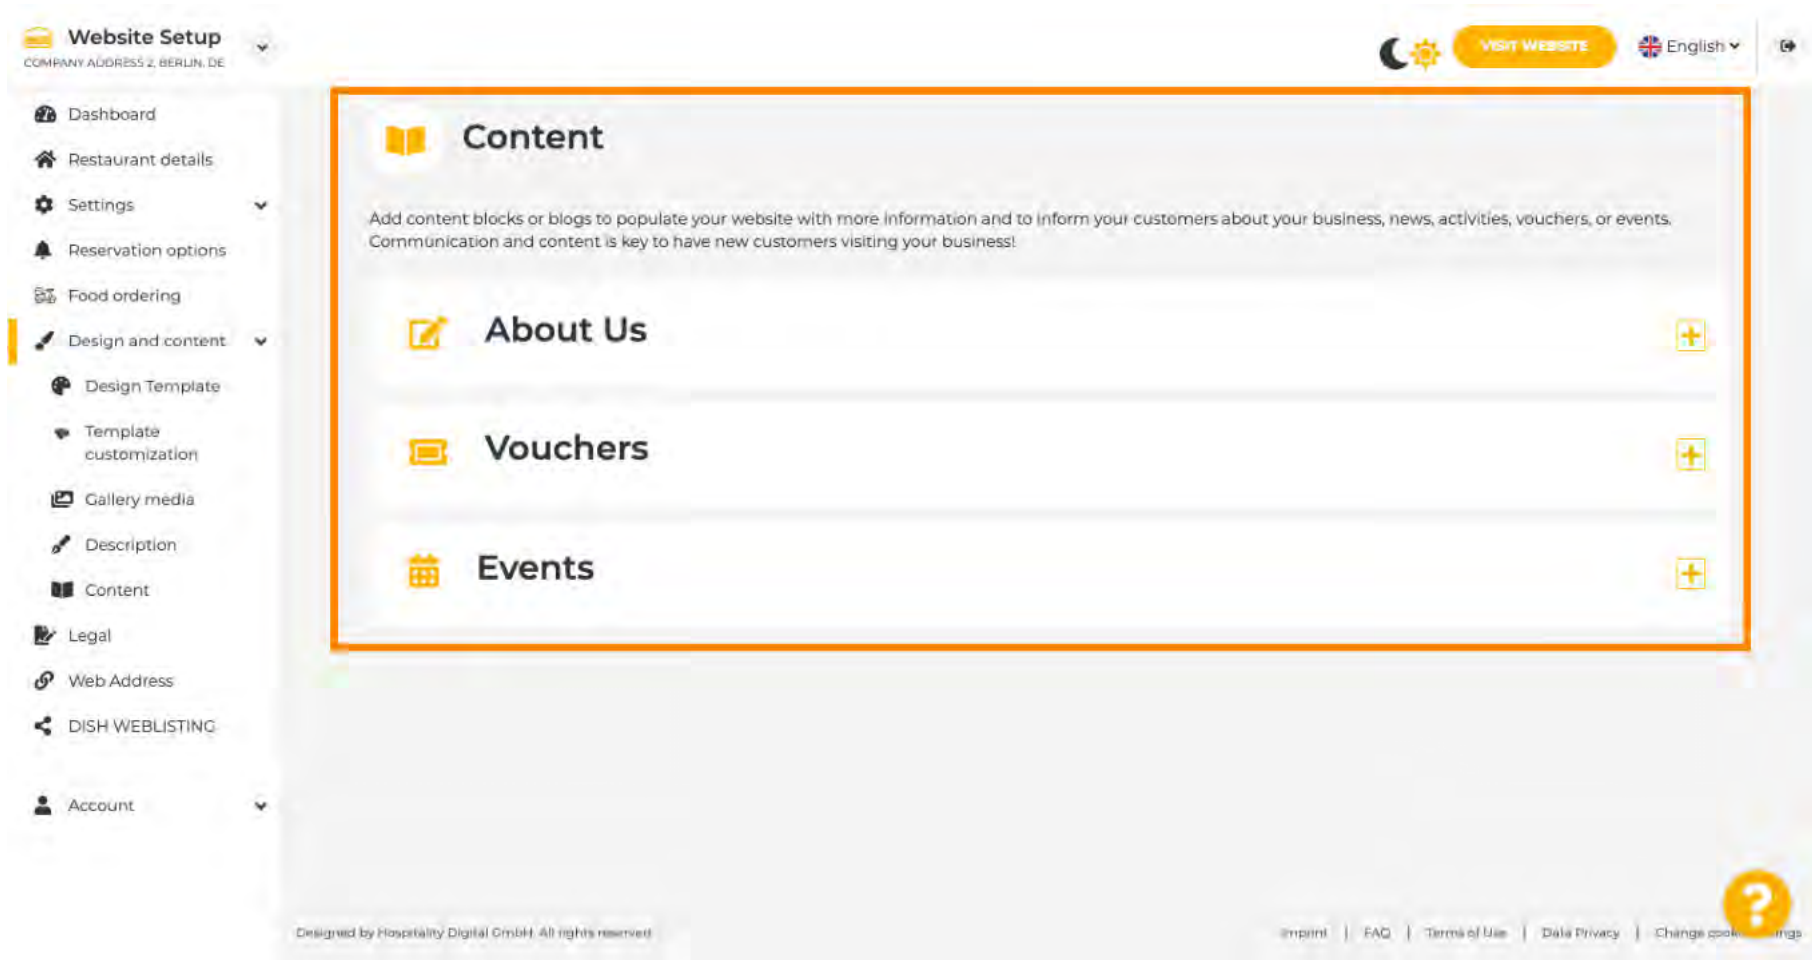

Define the **content** in the last design step.

The screenshot displays the 'Website Setup' interface. On the left, a sidebar menu lists various setup options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted with an orange bar), Design Template, Template customization, Gallery media, Description, Content (highlighted with an orange box), Legal, Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Description' and features a large text editor with a toolbar containing icons for bold, italic, link, and unlink. Below the editor, a message states: 'You have used 1/1800 of characters enabled for this module of your website. If there is more that you did like to tell to visitors of your website please use another module of your website.' At the bottom left, there is a 'SAVE' button, and at the bottom right, there is a help icon (a question mark inside a circle).

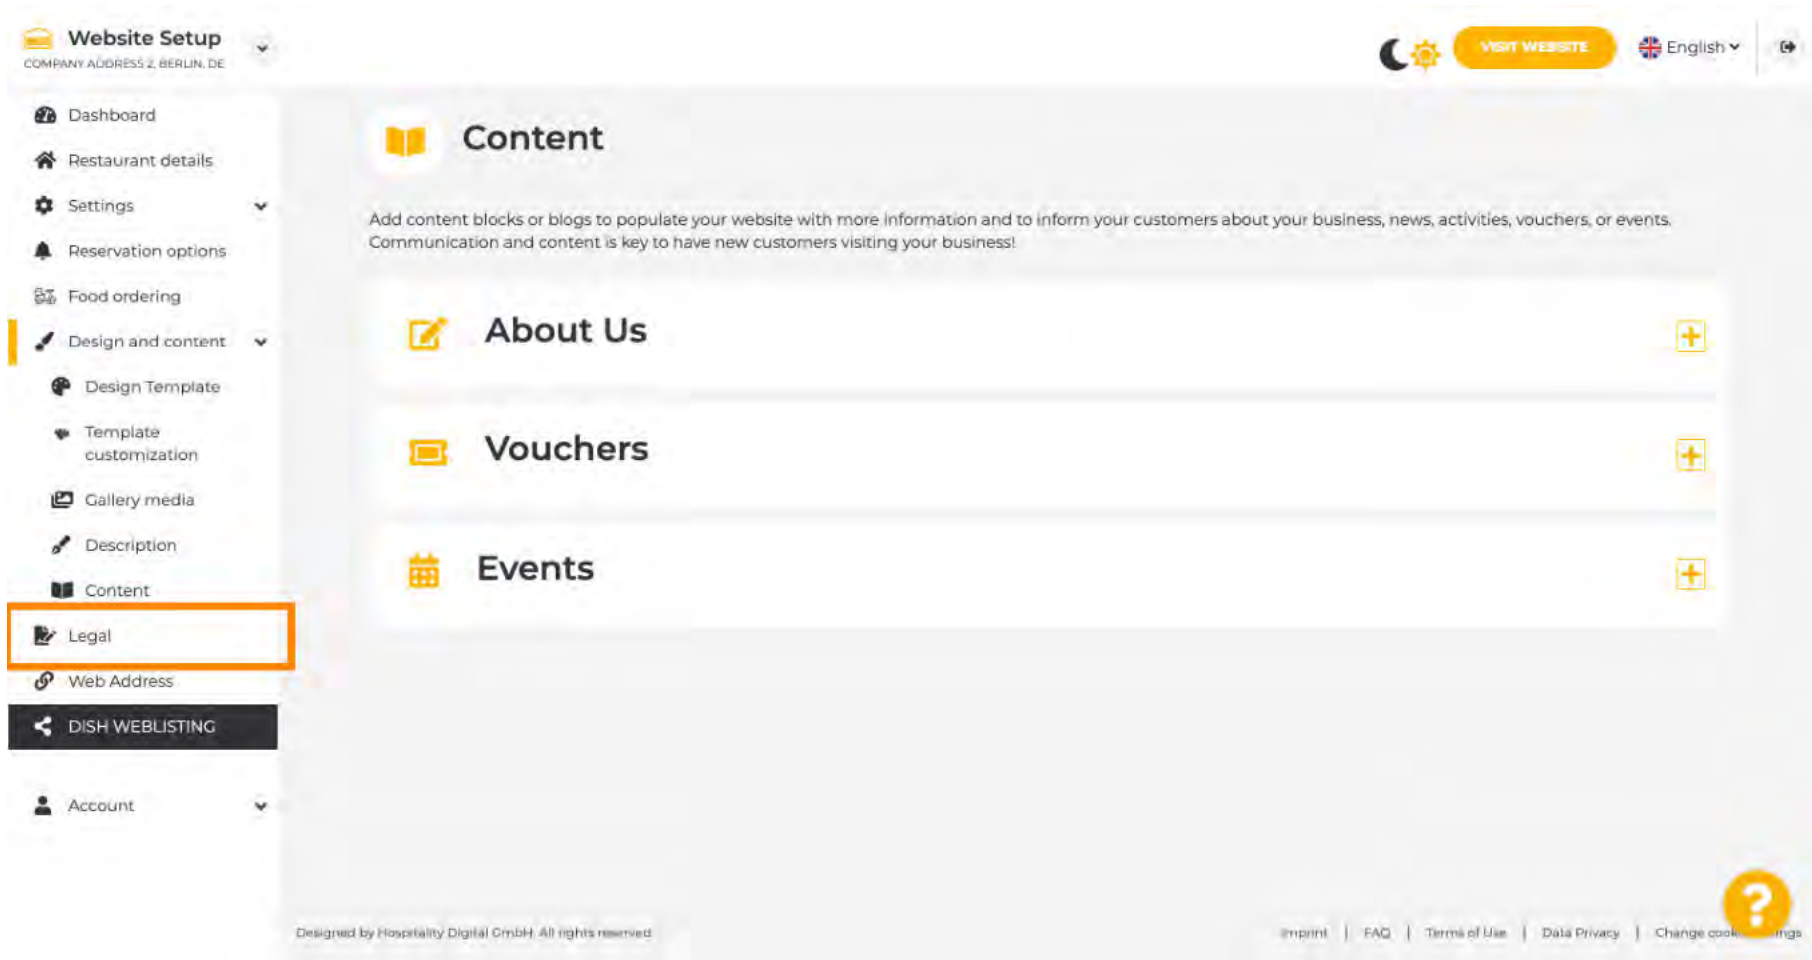

Add content blocks to fill your website with more information y to inform your customers about your business. Click on the **add icon** to add a content block.

The screenshot displays the 'Website Setup' interface for DISH. On the left is a sidebar menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted), Design Template, Template customization, Gallery media, Description, Content, Legal, Web Address, DISH WEBLISTING, and Account. The main area is titled 'Content' and includes a sub-header 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'. Below this, there are three content blocks: 'About Us', 'Vouchers', and 'Events', each with an 'add icon' (a plus sign inside a square) to its right. The footer contains copyright information '© 2021 - 2022 Hospitality Digital GmbH. All rights reserved.' and links for Imprint, FAQ, Terms of Use, Data Privacy, and Change password.

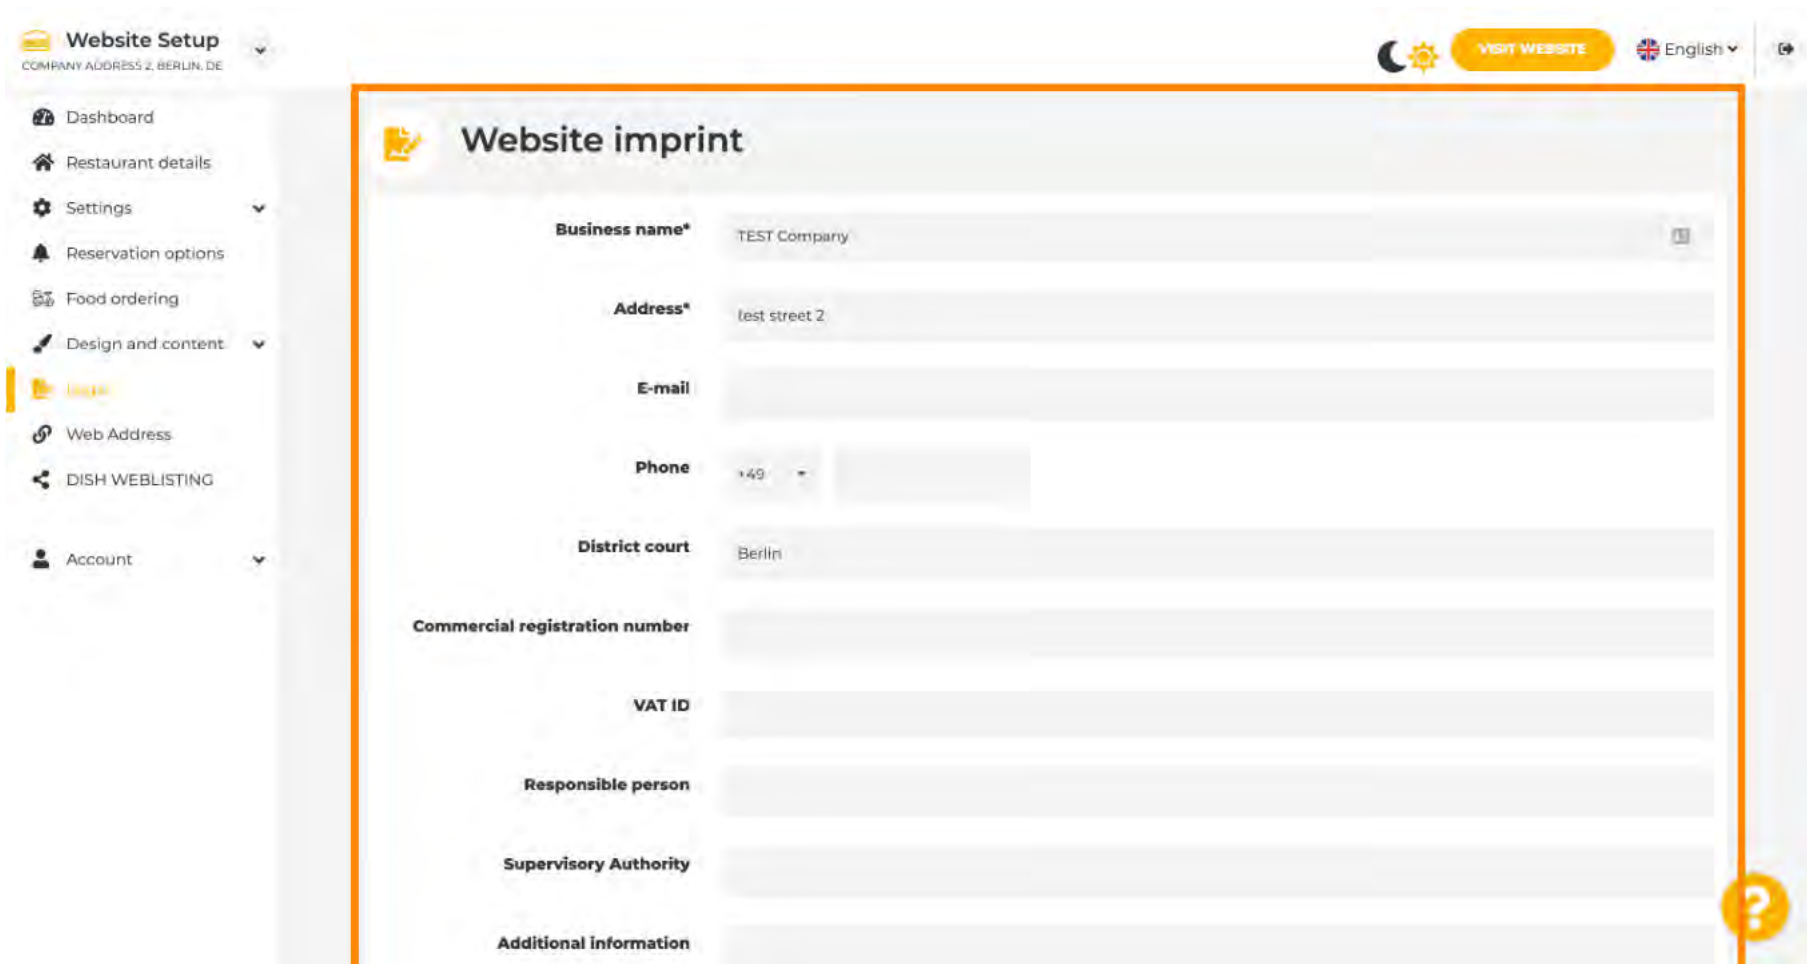

Click on **legal** to proceed.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content (highlighted with an orange bar), Design Template, Template customization, Gallery media, Description, Content, Legal (highlighted with an orange box), Web Address, DISH WEBLISTING, and Account. The main content area is titled 'Content' and includes a sub-header 'Add content blocks or blogs to populate your website with more information and to inform your customers about your business, news, activities, vouchers, or events. Communication and content is key to have new customers visiting your business!'. Below this, there are three sections: 'About Us', 'Vouchers', and 'Events', each with a plus icon to add content. The top right corner features a 'VISIT WEBSITE' button, a language selector set to 'English', and a help icon. The bottom right corner has a footer with links for Imprint, FAQ, Terms of Use, Data Privacy, and Change cookie settings, along with a help icon.

In this section you can change your **website imprint** as well as the **privacy policy**. **Note: You can use the default privacy policy.**

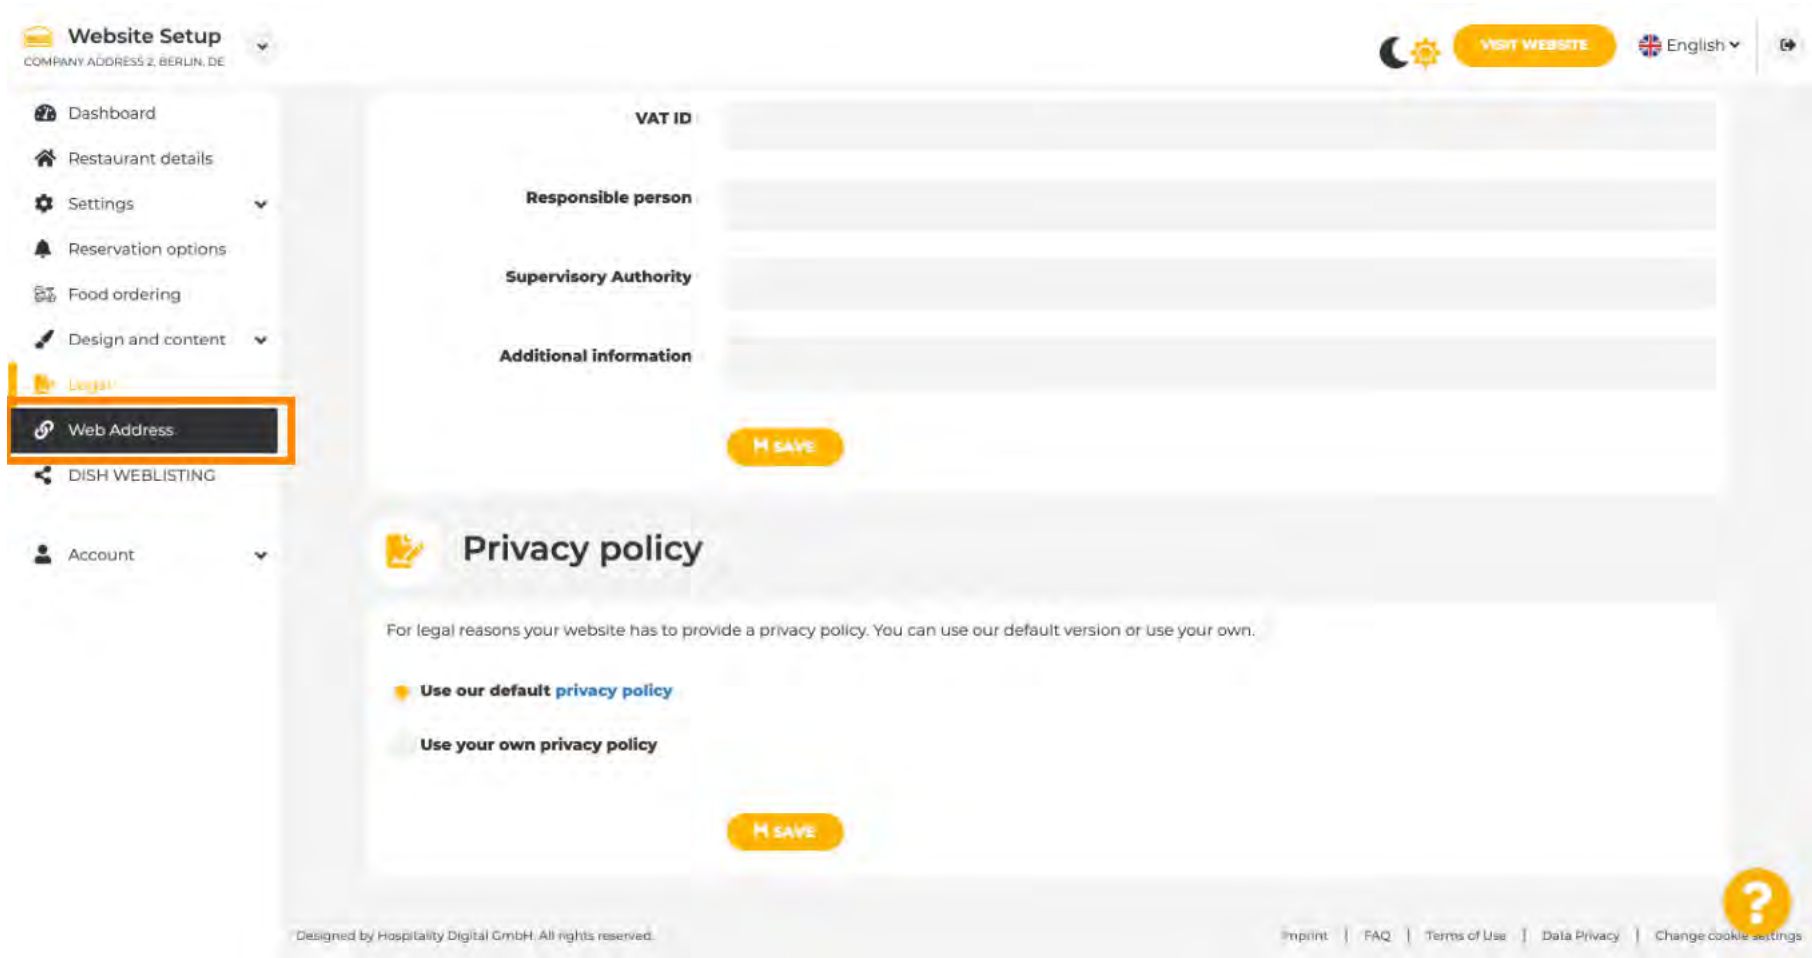

The screenshot shows the 'Website Setup' interface with a sidebar menu on the left and a main content area titled 'Website imprint'. The sidebar menu includes: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, **Website** (highlighted), Web Address, DISH WEBLISTING, and Account. The main content area contains the following form fields:

- Business name***: TEST Company
- Address***: test street 2
- E-mail**: (empty field)
- Phone**: +49 (country code dropdown) and (empty field)
- District court**: Berlin
- Commercial registration number**: (empty field)
- VAT ID**: (empty field)
- Responsible person**: (empty field)
- Supervisory Authority**: (empty field)
- Additional information**: (empty field)

At the bottom right of the form, there is a yellow circular icon with a question mark.

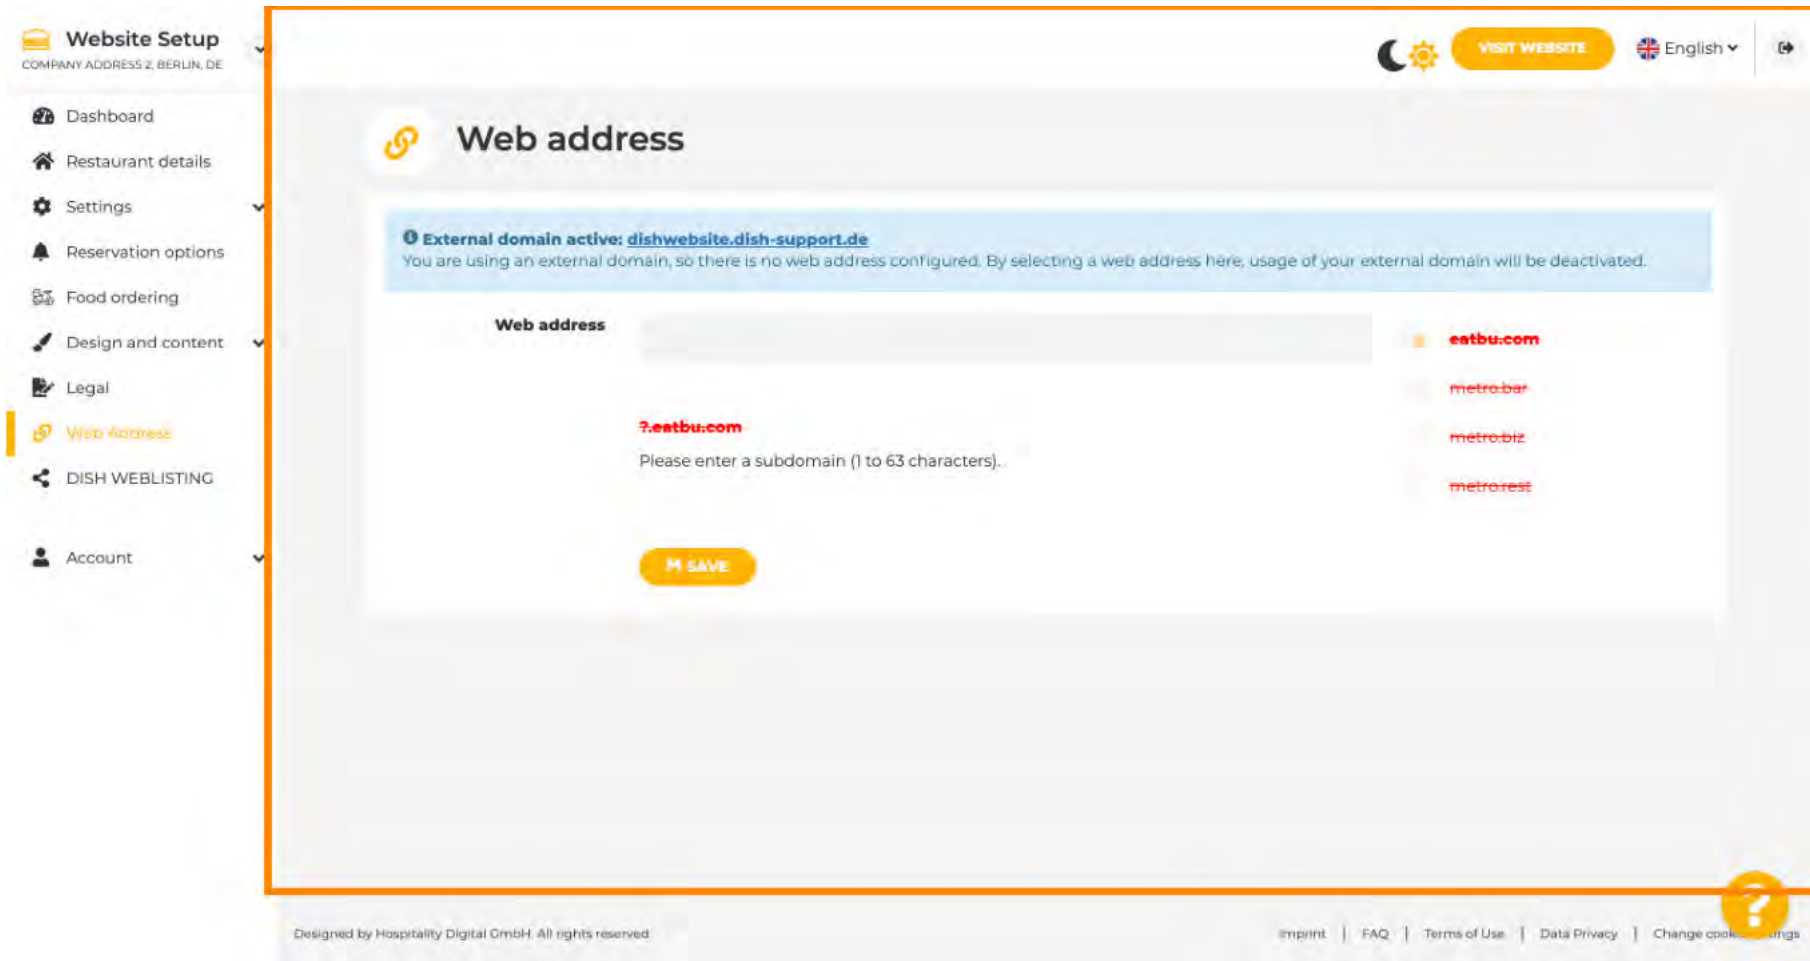

Go to the next section y click on **web address**.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, **Log in**, **Web Address** (highlighted with an orange box), DISH WEBLISTING, and Account. The main content area is divided into two sections. The top section, titled 'Website Setup', contains fields for 'VAT ID', 'Responsible person', 'Supervisory Authority', and 'Additional information', each with a corresponding input field and a 'SAVE' button. The bottom section, titled 'Privacy policy', contains a text area for the policy and two radio button options: 'Use our default privacy policy' (selected) and 'Use your own privacy policy'. A 'SAVE' button is also present at the bottom of this section. The footer includes a copyright notice '© 2021 - 2022 Hospitality Digital GmbH. All rights reserved.' and a list of links: Imprint, FAQ, Terms of Use, Data Privacy, and Change cookie settings. A question mark icon is located in the bottom right corner.

Change your **web address** here or use your **external domain** for this website.

The screenshot shows the 'Website Setup' interface for DISH. The left sidebar contains a menu with the following items: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, **Web Address** (highlighted), DISH WEBLISTING, and Account. The main content area is titled 'Web address' and features a blue informational banner stating: 'External domain active: dishwebsite.dish-support.de. You are using an external domain, so there is no web address configured. By selecting a web address here, usage of your external domain will be deactivated.' Below this, there is a 'Web address' input field, a list of suggested domains (eatbu.com, metro.bar, metro.biz, metro.rest), and a 'SAVE' button. The footer includes the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'imprint', 'FAQ', 'Terms of Use', 'Data Privacy', and 'Change cookie settings'.

That's it. You now are able to edit your website.
