

- 👉 În tabloul de bord, atingeți **pictograma meniului derulant** pentru a deschide meniul de editare.

 Va fi afișat panoul de administrare. Acum selectați **contul**.

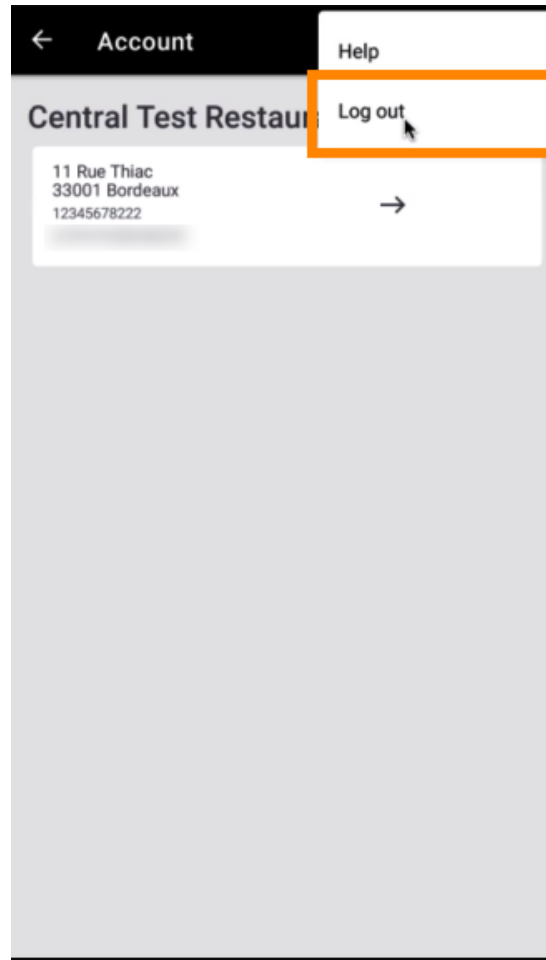

👉 Apoi faceți clic pe cele **trei puncte** din colțul din dreapta sus.

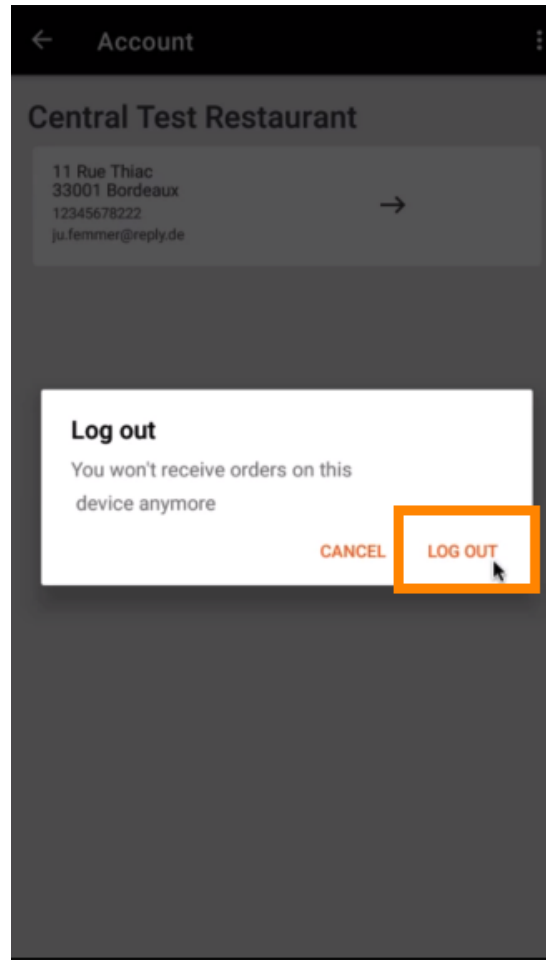

Și selectați **deconectare**.

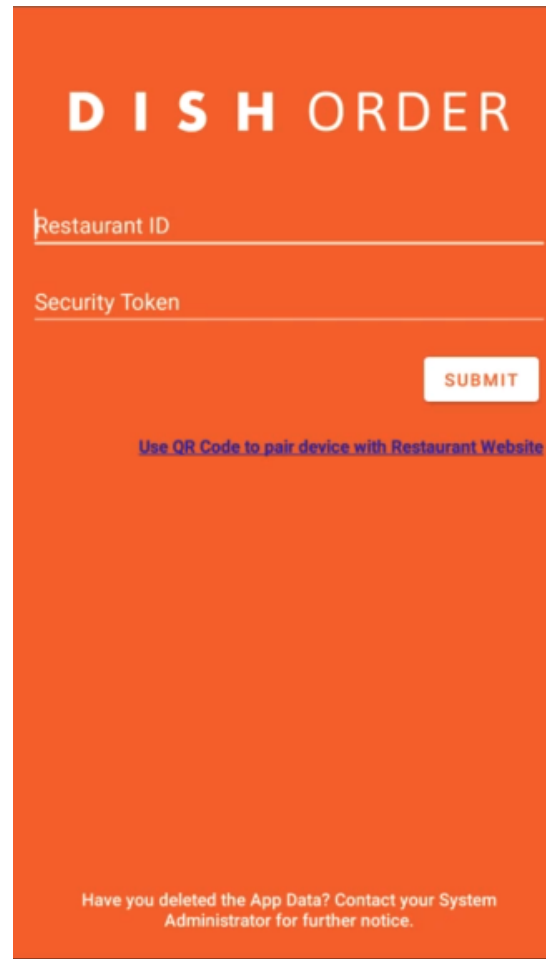

Faceți din nou clic pe **deconectare** pentru a vă confirma acțiunea.

Veți fi redirecționat către pagina de autentificare. Aici vă puteți autentifica din nou. Asta e. Ați terminat.

The screenshot shows a login screen for the DISH ORDER application. The background is a solid orange color. At the top, the text "DISH ORDER" is displayed in white, uppercase letters. Below this, there are two input fields: "Restaurant ID" and "Security Token", both with white text and a white underline. To the right of the "Security Token" field is a white button with the text "SUBMIT" in orange. Below the input fields, there is a link in blue text that says "Use QR Code to pair device with Restaurant Website". At the bottom of the screen, there is a small white text box with the message: "Have you deleted the App Data? Contact your System Administrator for further notice."
