

You are now in the **admin panel** under the section **table plan**. Here you have an overview of all premises, available and booked tables. **Note: The visual table plan is a feature only included in DISH Professional.**

The screenshot displays the 'DISH RESERVATION' admin panel for a 'Restaurant'. The interface is dark-themed with orange accents. On the left, a sidebar contains navigation icons and a 'Restaurant' section with a table of statistics:

Category	Count	Status
Arrived	0	Blue dot
Next bookings	0	Green dot
Available	8	Grey dot

The main area shows a grid-based table plan for 'Tue, 01/09/2020' at '08:33 am'. Seven tables are visible: T1, T2, T3, T4, T5, T6, and T7, along with a 'Chefs Table'. The interface includes a top navigation bar with the user name '\*HD Test Foodtruck', a search icon, and a refresh icon. A bottom footer contains the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

Adjust the **time bar** to select the date you want to spectate.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar shows restaurant statistics: Arrived (0), Next bookings (0), and Available (8). The main area features a table plan on a grid, with tables labeled T1 through T7 and a 'Chefs Table'. At the top, a time bar is highlighted with an orange box, showing the date 'Tue, 01/09/2020' and time '08:33 am', along with a 'Now' button. The bottom footer contains copyright information: '© 2020 - 2022 Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

When the **table icon** is selected it shows you the overview of available and booked tables. Click on the **watch icon** to see an overview of reservations assigned to the tables.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar menu is visible with a 'Restaurant' section containing a table plan icon (highlighted with an orange box) and a 'watch icon'. The main area shows a grid of tables labeled T1 through T7 and 'Chefs Table'. Table T1 is highlighted in green, indicating it is selected. The top right corner shows the date and time: 'Wed, 02/09/2020 07:33 pm' and a 'Now' button. The bottom right corner contains navigation and search icons. The footer includes the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

 To adjust an **existing reservation** click on it.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar contains navigation icons and a 'Restaurant' section with filters for 'Arrived' (0), 'Next bookings' (1), and 'Available' (7). The main area shows a table plan for 'Wed, 02/09/2020' at '07:33 pm'. The table plan is organized into columns for time slots: 6:00 PM, 7:00 PM, 8:00 PM, 9:00 PM, and 10:00 PM. A vertical line indicates the current time at 07:33 pm. The table plan includes rows for 'Chefs Table' (12 seats) and tables T1 through T7. A reservation for 'John Doe' (2 people) is highlighted in a green box, spanning from 7:00 PM to 9:00 PM. The reservation duration is 120 minutes. The interface also includes a top navigation bar with a search icon, a date and time selector, and a 'Now' button. The bottom of the screen features a footer with a copyright notice and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

You are now able to **change the assigned table** of this reservation and **see the details** of it.

The screenshot displays the DISH Reservation Admin Panel interface. The main view is a table plan for a restaurant, showing a grid of tables (T1 to T7) and their availability status. A reservation for John Doe (2 people) is shown at 07:30 PM, occupying table T1 for 120 minutes. The reservation details panel on the left is highlighted with an orange border, showing the reservation information and options to change the table or view details.

**Reservation Details Panel:**

- Next bookings:** 1
- Table:** T1
- Customer:** John Doe
- Seats:** 2
- Time:** 07:30 PM
- Customer Information:**
  - John Doe
  - 2 people
- Status:** Confirmed
- Actions:** CHANGE TABLE, SEE RESERVATION DETAILS

**Table Plan Grid:**

Table	Capacity	6:00 PM	7:00 PM	8:00 PM	9:00 PM	10:00 PM
Chefs Table	12	Available	Available	Available	Available	Available
T1	2	Available	60 minutes	John Doe (2 people)	120 minutes	Available
T2	4	Available	Available	Available	Available	Available
T3	4	Available	Available	Available	Available	Available
T4	5	Available	Available	Available	Available	Available
T5	2	Available	Available	Available	Available	Available
T6	6	Available	Available	Available	Available	Available
T7	8	Available	Available	Available	Available	Available

By clicking in an **grey area** you start assigning a new reservation to a table.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar shows restaurant details for 'John Doe' with 2 seats, confirmed status, and options to change the table or see reservation details. The main area features a table plan grid for 'Restaurant' on 'Wed, 02/09/2020' at '07:30 pm'. The grid shows various tables (T1-T7) and their availability. A reservation for 'John Doe' (2 people) is shown for 120 minutes starting at 07:30 pm. A grey area in the table plan is highlighted with an orange border, indicating where to click to assign a new reservation.

Restaurant	6:00 PM	7:00 PM	8:00 PM	9:00 PM	10:00 PM
Chefs Table (12 seats)	Available	Available	Available	Available	Available
T1 (2 seats)	Available	60 minutes	John Doe (2 people) 120 minutes	Available	Available
T2 (4 seats)	Available	Available	Available	Available	Available
T3 (4 seats)	Available	Available	Available	Available	Available
T4 (5 seats)	Available	Available	Available	Available	Available
T5 (2 seats)	Available	Available	Available	Available	Available
T6 (6 seats)	Available	Available	Available	Available	Available
T7 (8 seats)	Available	Available	Available	Available	Available

Click on the **plus icon** to add a reservation.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar lists restaurant tables: Chefs Table (12 seats), T2 (4 seats), T3 (4 seats), T4 (5 seats), T5 (2 seats), T6 (6 seats), and T7 (8 seats). Each table entry has a plus icon to its right. The main area shows a calendar view for Wednesday, 02/09/2020, at 06:30 pm. A reservation for 'John Doe' (2 people) is shown for table T1, spanning from 6:00 PM to 7:00 PM (60 minutes) and 7:00 PM to 9:00 PM (120 minutes). The interface includes a top navigation bar with the restaurant name, date, time, and a 'Now' button. The bottom of the screen contains a footer with a pause icon, copyright information, and links for FAQ, Terms of use, Imprint, and Data Privacy.

Now fill in the **required information** for the reservation. Click on **create reservation** to save the new event.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar menu is visible with icons for home, reservation, kitchen, customer, settings, and help. The main content area is divided into two sections: a reservation form on the left and a table plan on the right.

**Reservation Form (Left Panel):**

- Table:** T2, 4 seats, 18:30
- Customer information:**
  - First name:
  - Last name:
  - Party size:
  - Email address:
- Duration time:** 120 min
- Status:** AVAILABLE
- Buttons:** CREATE RESERVATION, DONT SAVE

**Table Plan (Right Panel):**

The table plan shows a grid of tables (T1-T7) and their availability for different time slots (6:00 PM, 7:00 PM, 8:00 PM, 9:00 PM, 10:00 PM). A reservation for 'John Doe' is shown for table T1, with a duration of 120 minutes, starting at 6:00 PM and ending at 8:00 PM. The reservation is highlighted in green.

Restaurant	6:00 PM	7:00 PM	8:00 PM	9:00 PM	10:00 PM
Chefs Table (12 seats)	Available	Available	Available	Available	Available
T1 (2 seats)	Available (60 minutes)	John Doe (120 minutes)	Available	Available	Available
T2 (4 seats)	Available	Available	Available	Available	Available
T3 (4 seats)	Available	Available	Available	Available	Available
T4 (5 seats)	Available	Available	Available	Available	Available
T5 (2 seats)	Available	Available	Available	Available	Available
T6 (6 seats)	Available	Available	Available	Available	Available
T7 (8 seats)	Available	Available	Available	Available	Available

At the bottom of the page, there is a footer with the text "Designed by Hospitality Digital GmbH. All rights reserved." and links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

To adjust the different premises click on the **layered icon**.

The screenshot displays the DISH Reservation Admin Panel interface. At the top, it shows the date "Wed, 02/09/2020" and the time "07:33 pm". The main area is a table plan for a restaurant, with a sidebar on the left containing various navigation icons. The sidebar includes a "Restaurant" section with a layered icon (three overlapping squares) highlighted. The table plan shows a grid of tables (T1 to T7) and their availability status. A booking for "John Doe" is shown for table T1, with a duration of 120 minutes. The interface also includes a "Now" button and a footer with copyright information and links for FAQ, Terms of use, Imprint, and Data Privacy.

Restaurant	6:00 PM	7:00 PM	8:00 PM	9:00 PM	10:00 PM
Chefs Table (12)	Available	Available	Available	Available	Available
T1 (2)	Available	60 minutes	John Doe (2) 120 minutes	Available	Available
T2 (4)	Available	Available	Available	Available	Available
T3 (4)	Available	Available	Available	Available	Available
T4 (5)	Available	Available	Available	Available	Available
T5 (2)	Available	Available	Available	Available	Available
T6 (6)	Available	Available	Available	Available	Available
T7 (8)	Available	Available	Available	Available	Available

Here you can edit existing areas by clicking the **pencil icon** or create new ones by clicking **add areas**.

When you edit an area you are able to turn on/off the area and tables by using the **switch**. You as well can delete a table by clicking **delete**.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar titled 'Restaurant' contains a list of tables with their respective counts, toggle switches, and 'Delete' buttons:

- Chefs Table**: 12 seats, toggle on, Delete button
- T1**: 2 seats, toggle on, Delete button
- T2**: 4 seats, toggle on, Delete button
- T3**: 4 seats, toggle on, Delete button
- T4**: 5 seats, toggle on, Delete button
- T5**: 2 seats, toggle on, Delete button

Below the list is an '+ Add Tables' button and a 'SAVE AND BACK' button. At the bottom of the sidebar is a 'DELETE AREA' button. The main area shows a grid with table icons labeled T1 through T7 and a 'Chefs Table' icon. The top right corner shows '\*HD Test Foodtruck' and a language selector. The bottom right corner has navigation icons and a footer with 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

Click on **add tables** to create a new one.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar contains a list of table configurations under the heading "Restaurant". Each configuration includes a name, a count, a toggle switch, and a "Delete" button. The configurations are:

- Chefs Table**: 12, toggle on, Delete
- T1**: 2, toggle on, Delete
- T2**: 4, toggle on, Delete
- T3**: 4, toggle on, Delete
- T4**: 5, toggle on, Delete
- T5**: 2, toggle on, Delete

At the bottom of the sidebar, there is a button labeled "+ Add Tables" which is highlighted with an orange border. Below this are buttons for "SAVE AND BACK" and "DELETE AREA".

The main area of the interface is a dark grid representing the table plan. It contains several table icons labeled T1 through T7, and a larger "Chefs Table" icon. The icons are arranged on the grid as follows:

- T1, T2, T3, T4, T5 are in a top row.
- T6, T7 are in a middle row.
- Chefs Table is in a bottom row.

At the top right of the main area, there are zoom and pan controls. At the bottom right, there are navigation arrows and a search icon. The footer of the interface includes the text "Designed by Hospitality Digital GmbH. All rights reserved." and links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

You then are able to enter a **table name** and the **available seats**.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar contains a list of tables (T3 to T7) with their respective seat counts and 'Delete' buttons. Below this list is a form for adding a new table, which is highlighted with an orange border. The form includes a text input field labeled 'Enter table name', a numeric input field, and a 'Delete' button. At the bottom of the sidebar are buttons for '+ Add Tables', 'SAVE AND BACK', and 'DELETE AREA'. The main area of the interface shows a grid-based table plan with various table shapes and sizes, labeled T1 through T7, and a 'Chefs Table'. The top right corner of the interface shows the user's name '\*HD Test Foodtruck' and navigation icons. The bottom right corner contains a search icon and navigation arrows. The footer of the page includes the copyright notice '© 2020 - 2022 Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

✚ By drag and drop you can adjust the **location** of the new table.

The screenshot displays the DISH Reservation Admin Panel interface. On the left sidebar, under the 'Restaurant' section, there are configuration options for tables T3 through T7, each with a 'Delete' button and a 'Delete Area' button at the bottom. A new table configuration is being added, with an input field for 'Enter table name' and a 'Delete' button. The main area shows a grid with table icons labeled T1 through T7 and 'Chefs Table'. A new table icon is highlighted with an orange square, indicating it is being dragged. The bottom navigation bar includes 'SAVE AND BACK' and 'DELETE AREA' buttons. The footer contains the text 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

When you are done adjusting the area click on **save and back**.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar titled "Restaurant" contains a list of table configurations, each with a toggle switch, a name, a quantity input field, and a "Delete" button. The configurations are: Chefs Table (12), T1 (2), T2 (4), T3 (4), T4 (5), and T5 (2). Below the list is an "Add Tables" button. At the bottom of the sidebar, a "SAVE AND BACK" button is highlighted with an orange border. The main area shows a grid with table icons labeled T1 through T7 and a "Chefs Table" icon. The bottom bar also includes a "DELETE AREA" button. The top right corner shows the user's name "\*HD Test Foodtruck" and a navigation menu. The bottom right corner contains navigation icons and a footer with links for "FAQ", "Terms of use", "Imprint", and "Data Privacy".

 If you want to delete an area, the area needs to be **turned off**.

Then click on **delete area**.

Confirm the process by clicking **yes, continue to delete**.

To create a new area click on **add areas**.

The screenshot displays the DISH Reservation Admin Panel interface. On the left, a sidebar menu is visible with the title 'AREAS' and two listed areas: 'Restaurant' and 'Terrace'. Below these, a button labeled '+ Add Areas' is highlighted with an orange border. The main content area shows a message: 'Restaurant is closed at this time - please select a different time slot.' The top of the interface includes the 'DISH RESERVATION' logo, the user name '\*HD Test Foodtruck', and navigation elements for date and time (Tue, 01/09/2020, 09:10 am) and a 'Now' button. The footer contains a copyright notice 'Designed by Hospitality Digital GmbH. All rights reserved.' and links for 'FAQ', 'Terms of use', 'Imprint', and 'Data Privacy'.

Enter a **name** and add **tables** as you have seen before. Then click on **save and back** to apply the new area.
