

Please complete the steps below to activate your terminal.

## START YOUR DISH ORDER TERMINAL

- 1 Connect your device via the included USB-C (A) cable to the power outlet and charge the battery. If the charging icon isn't shown, check that the USB interface is properly connected.
- 2 Turn the device on by pressing the power key (B) for a few seconds.
- 3 Please wait until the terminal has started and you can see the home screen. This can take a short moment.

## CONNECT TO YOUR WIFI

- 4 Tap on settings.
- 5 Tap on WiFi and wait until the list of the available WiFi connections is displayed.
- 6 Choose the WiFi network that you want to connect to.
- 7 Enter the WiFi access code if requested.
- 8 Tap on the button "connect".

## ACTIVATE YOUR TERMINAL

- 9 Open the DISH Order App in your terminal.
- 10 Follow the instructions within the app to start the onboarding process.
