Now click **+Add production station.**

The screenshot displays the booq v2.25.0 interface. The top navigation bar includes the booq logo, the text '(V) booq Demo EN', and a user profile icon labeled 'Demo booq'. A left-hand sidebar menu is visible, with the 'General' section expanded to show 'Production stations'. The main content area is titled 'Production station (0 production stations)' and features a search bar with the placeholder text 'Type to search'. A blue button with a white plus sign and the text '+ Add production station' is highlighted with an orange border in the top right corner of the main content area.

Enter the **name** of the production station.

Select the **Production attribute**.

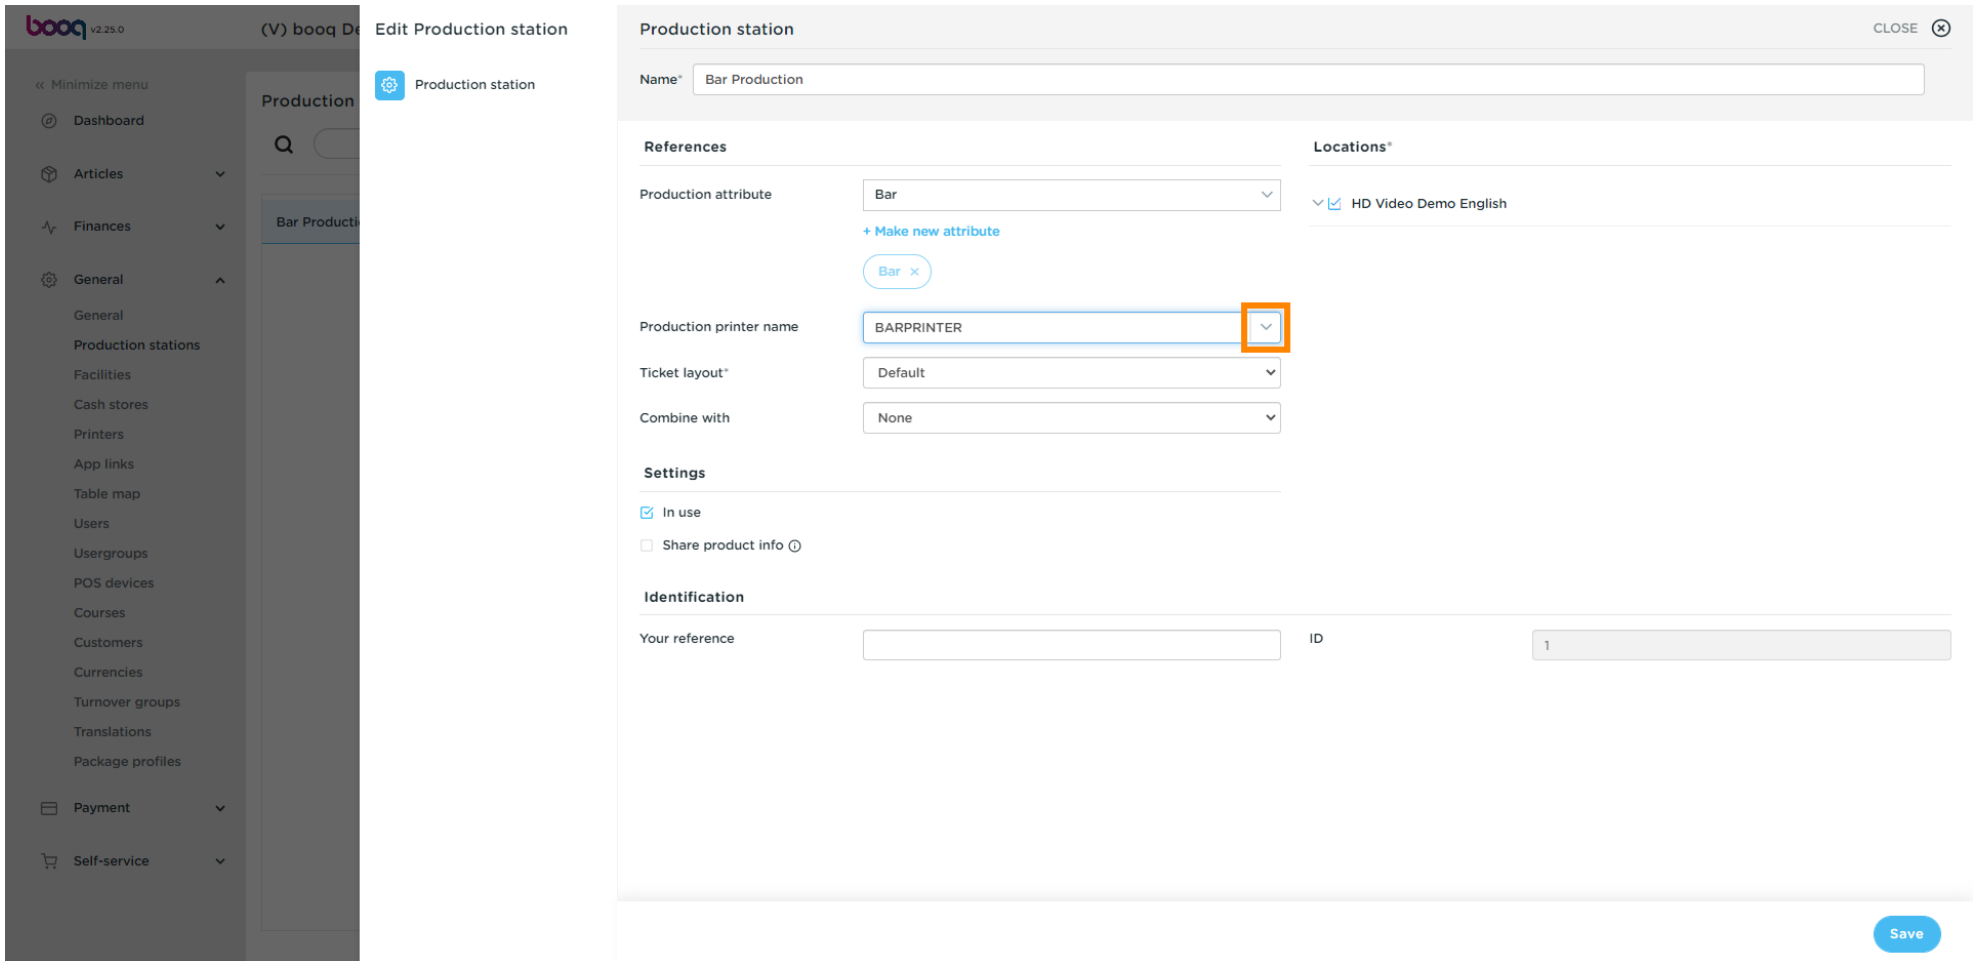

The screenshot shows the left sidebar of the booq v2.25.0 application. The sidebar is dark grey with white text. At the top, it says "Add Production station" with a gear icon. Below that, there is a "Production station" button with a gear icon. The main menu items are: Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, Package profiles, and Payment.

The screenshot shows the "Production station" configuration form. The form has a title bar with "Production station" and a "CLOSE" button. The "Name" field is set to "Bar". The "References" section has a "Production attribute" dropdown menu with three options: "Bar" (selected), "Bar", and "Keuken". The "Locations*" section has a checkbox for "HD Video Demo English". The "Settings" section has a checked "In use" checkbox and an unchecked "Share product info" checkbox. The "Identification" section has a "Your reference" field and an "ID" field. A "Save" button is located at the bottom right of the form.

Click the **dropdown** to select a production printer

Confirm by clicking **OK**. That's it, you're done.

The screenshot shows the booq v2.25.0 interface. The top bar includes the logo, version number, and user information. A sidebar on the left contains a menu with categories like Dashboard, Articles, Finances, General, and Payment. The main content area is titled "Production station (1 production stations)" and features a search bar and a "+ Add production station" button. A table lists a production station named "Bar" with edit and delete icons. A modal dialog is open in the center, asking "Are you sure to delete the selected item?". The "Ok" button in the dialog is highlighted with an orange square, indicating the next step in the process.
