

Open het **platform** en klik op de **pijl** naast HD Video Demo English om te zien welk gebied bestaat.

The screenshot displays the booq v2.25.0 interface. The top navigation bar includes the booq logo, the text "(V) booq Demo EN", and a user profile icon labeled "Demo booq". A left-hand sidebar contains a "Minimize menu" button and a list of categories: Product groups, Price levels, Menus, French menus, Option menus, Time periods, Promotions, Finances, General (selected), and Payment. The "General" category is expanded, showing sub-items: General, Production stations, Facilities (selected), Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, and Package profiles. The main content area is titled "Facilities" and features a search bar with the placeholder "Type to search". Below the search bar is a warning message: "Be extra careful when you use QR ordering through CMS: QR codes are linked to facilities. Once created, these QR codes cannot be reassigned to a different facility." Underneath the warning is a table with the heading "Facilities" containing one entry: "HD Video Demo English" with a small icon and a pencil icon for editing. At the top right of the main content area, there are two buttons: "+ Generate area" and "+ Add facility".

Klik op **Gebied genereren**.

The image displays three screenshots of the 'booq v2.25.0' software interface, specifically focusing on the 'Facilities' management section.

Left Screenshot: Shows the main navigation menu on the left with options like 'Product groups', 'Price levels', 'Menus', 'French menus', 'Option menus', 'Time periods', 'Promotions', 'Finances', 'General', 'Production stations', 'Facilities', 'Cash stores', 'Printers', 'App links', 'Table map', 'Users', 'Usergroups', 'POS devices', 'Courses', 'Customers', 'Currencies', 'Turnover groups', 'Package profiles', and 'Payment'. The 'Facilities' section is highlighted. The main content area shows a search bar and a list of facilities under the heading 'Facilities'. A warning message states: 'Be extra careful when you use QR ordering the created, these QR codes cannot be reassigned'. The facilities listed are 'HD Video Demo English', 'Restaurant', and 'Terrace'.

Middle Screenshot: Shows the 'Generate Area' for a specific facility. It has two tabs: 'Sales point' (selected) and 'Menu'. The 'Sales point' tab shows a form with 'Name' set to 'Terrace Test' and 'Parent' set to 'HD Video Demo English'. Below this is a 'References' section with fields for 'Price level' (set to 'None'), 'Table prefix*', 'Table postfix start*', 'Table postfix end*', and 'Seats'.

Right Screenshot: Shows the 'Sales point' form for the 'HD Video Demo English' facility. The 'Name' field is 'Terrace Test' and the 'Parent' dropdown is set to 'HD Video Demo English'. The 'References' section is visible, showing the same fields as the middle screenshot. A 'Save' button is located at the bottom right.
