 If Cash store should be visible in the app, tick the following **box**.

The screenshot shows the 'Cash stores' management page in the booq application. The left sidebar contains a menu with categories like Dashboard, Articles, Finances, General, and Payment. The main content area displays a table of cash stores. The table has columns for ID, Name, Visible in app, and Allow multiple shifts. One cash store is listed with ID #1 and Name Drawer, with 'Visible in app' set to Yes.

ID	Name	Visible in app	Allow multiple shifts
#1	Drawer	Yes	Yes

The screenshot shows the 'Add Cash store' form. The 'Name' field is filled with 'Wallet'. Under the 'Settings' section, the 'Allow multiple shifts' checkbox is checked, and the 'Visible in app' checkbox is highlighted with an orange box. Below this are fields for 'Sort Order', 'Your reference', and 'ID'. At the bottom, there are 'Save and add new' and 'Save' buttons.

 To add a Sort Order click on the **text field** next to Sort Order and add it.

The screenshot shows the 'Cash stores' management page in the booq application. The page title is '(V) booq Demo EN'. The main content area displays a table with the following data:

ID	Name	Visible in app	Allow multiple shifts
#1	Drawer	Yes	Yes

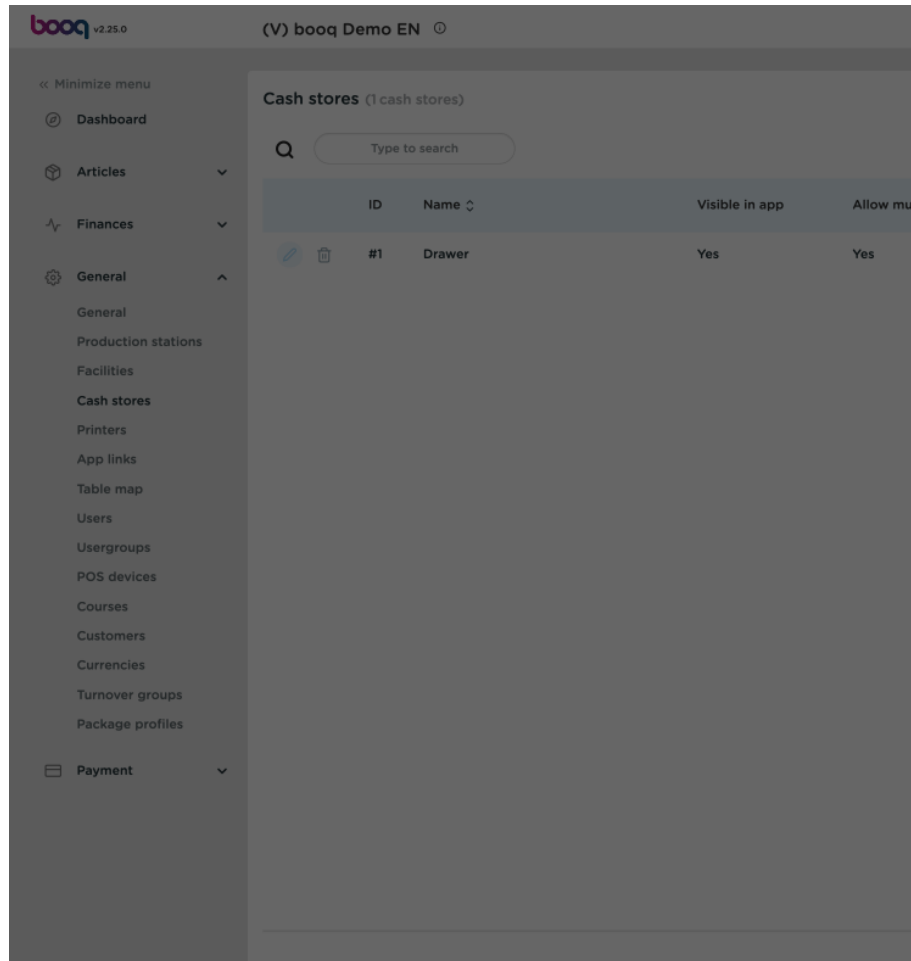

The 'Cash stores' section includes a search bar and a list of menu items on the left sidebar: Dashboard, Articles, Finances, General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Package profiles, and Payment.

The screenshot shows the 'Add Cash store' form. The form title is 'Cash store' with a 'CLOSE' button. The 'Name' field contains the text 'Wallet'. The 'Settings' section includes two checked checkboxes: 'Allow multiple shifts' and 'Visible in app'. The 'Sort Order' field is a text input field highlighted with an orange border. The 'Identification' section includes a 'Your reference' field and an 'ID' field. At the bottom of the form, there are two buttons: 'Save and add new' and 'Save'.

Click on **Save**.
