

Click on **FACILITIES**.

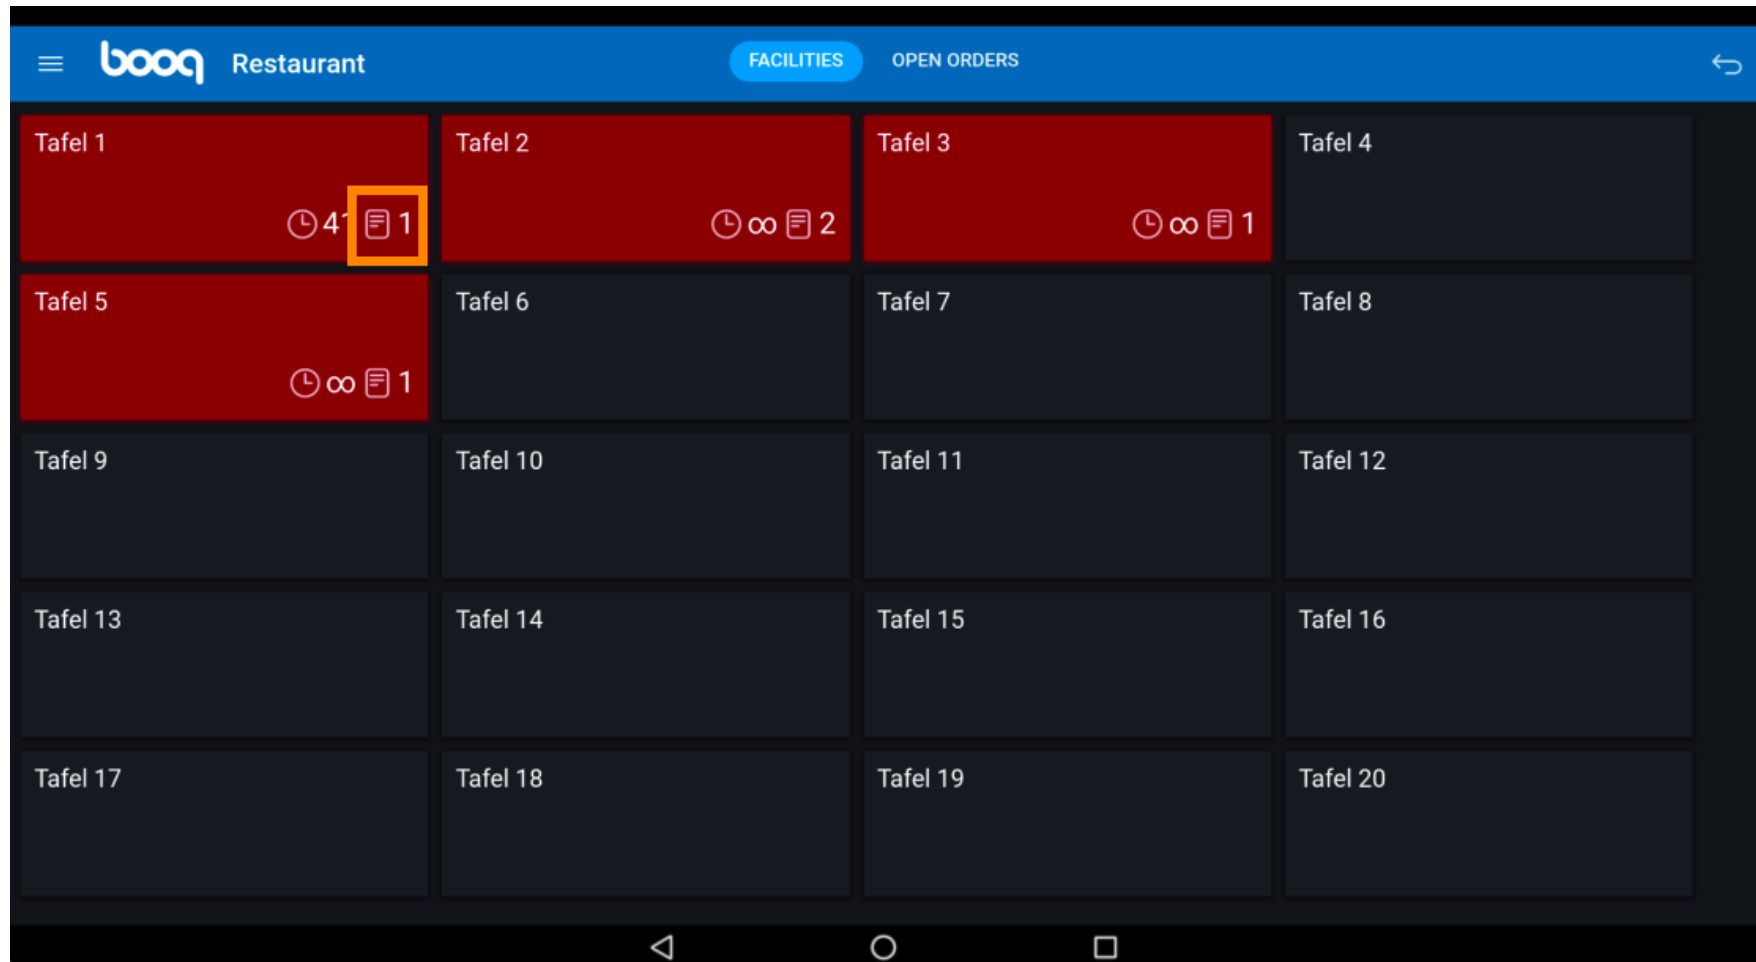

-  Select your **facility** by clicking on it. In our case we selected **Restaurant**.

 The **clock icon** shows you how long ago the last product was added to the table.

 The **paper icon** shows the numbers of orders on the table.

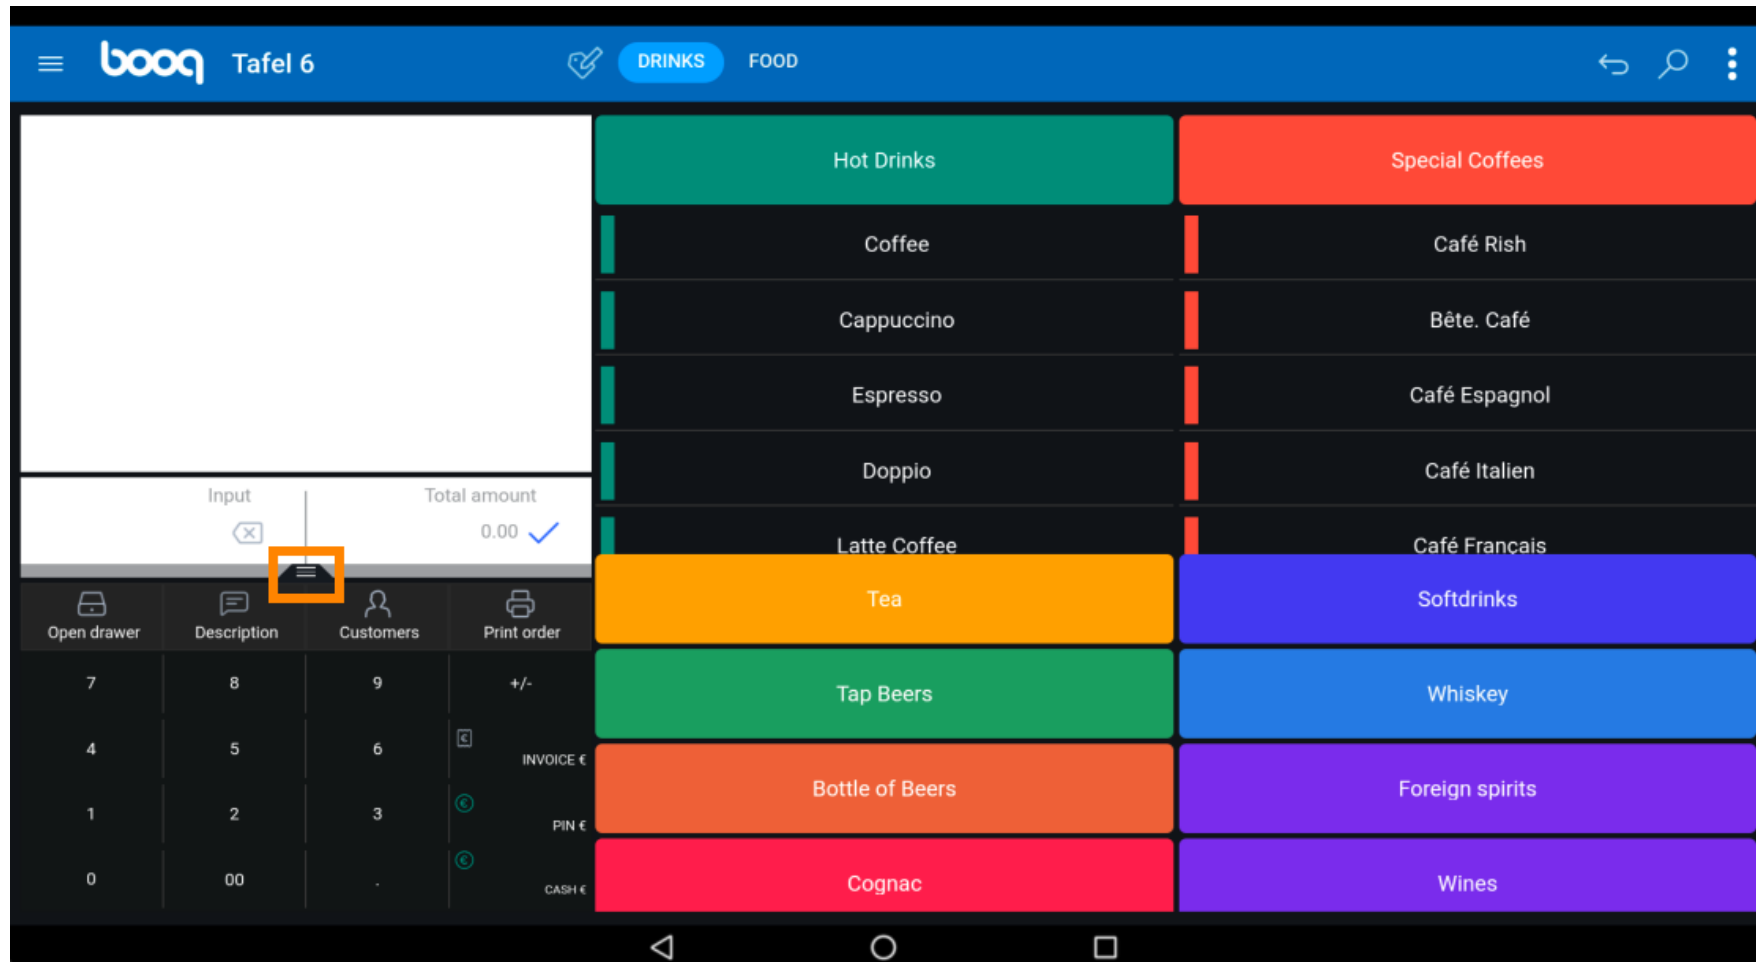

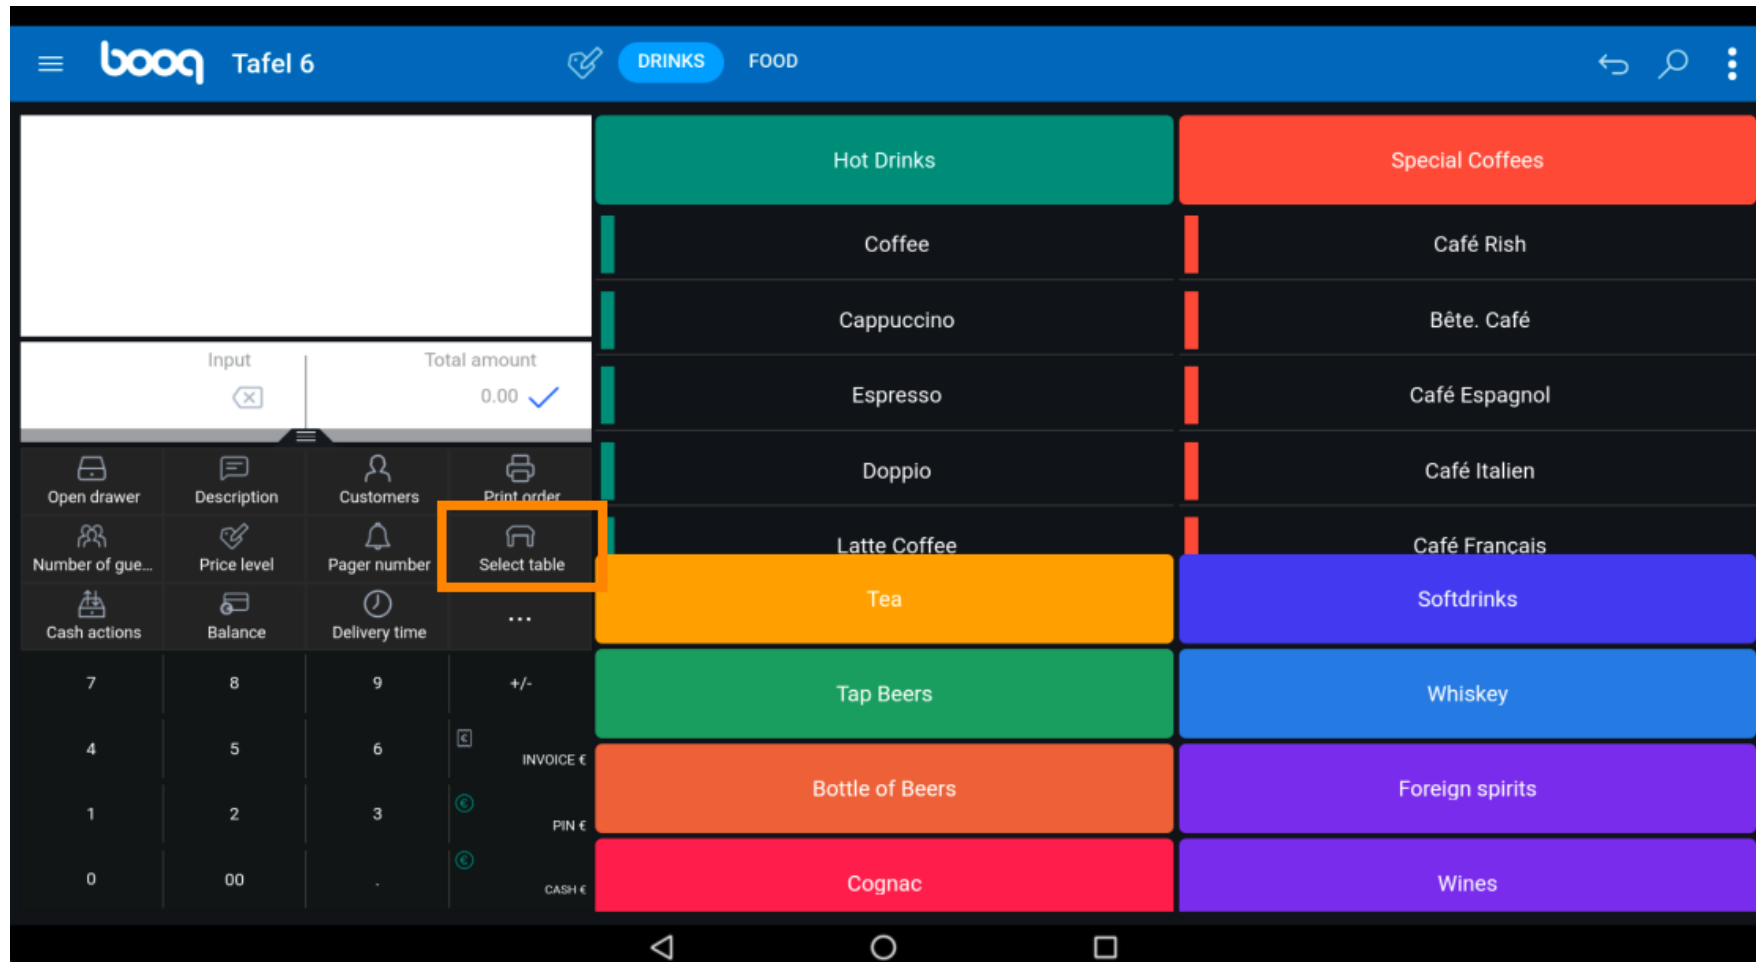

Click on another **table**.

 Click on the following **highlighted field** and drag it up to see further features.

 Click on **Select table**.

 Enter the **table number** you wish to connect with another table.

The screenshot shows the booq POS interface. The top bar displays the booq logo, 'Tafel 6', and navigation options for 'DRINKS' and 'FOOD'. The main menu is divided into sections: 'Hot Drinks' (green), 'Tap Beers' (green), and 'Bottle of Beers' (orange). The 'Hot Drinks' section includes items like Coffee, Cappuccino, Espresso, Doppio, and Latte Coffee. The 'Tap Beers' section includes Tea. The 'Bottle of Beers' section includes Cognac. A numeric keypad is visible at the bottom left, and a separate numeric keypad is shown on the right side of the screen, which is highlighted with an orange border. This keypad is used for entering a table number. The keypad has buttons for digits 0-9, a 'C' button, and an 'OK' button.

Click on **OK**. That's it. You're done.

The screenshot shows the booq POS interface for 'Tafel 6'. The top header includes the booq logo, a hamburger menu, and the text 'Tafel 6'. To the right of the header are tabs for 'DRINKS' and 'FOOD', and a field labeled 'Enter table number' containing the value '2'. The main menu area is divided into several categories: 'Hot Drinks' (green), 'Coffee' (dark green), 'Cappuccino' (dark green), 'Espresso' (dark green), 'Doppio' (dark green), 'Latte Coffee' (dark green), 'Tea' (orange), 'Tap Beers' (green), 'Bottle of Beers' (brown), and 'Cognac' (red). Below the menu is a keypad with various function buttons: 'Open drawer', 'Description', 'Customers', 'Print order', 'Number of gue...', 'Price level', 'Pager number', 'Select table', 'Cash actions', 'Balance', 'Delivery time', and a three-dot menu. At the bottom left is a numeric keypad with digits 7-0 and a '+/-' button. At the bottom right is another numeric keypad with digits 7-0 and a 'C' button. The 'OK' button on this keypad is highlighted with an orange border. The bottom of the screen shows the Android navigation bar.
