The screenshot displays the user interface of the DISH website. On the left is a sidebar menu with options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address, DISH WEBLISTING, and an expanded Account section containing Your data and Profile. The main content area shows a profile summary with 'Last name*' as 'Trainer' and 'E-mail*' as 'training@hd.digital', with a 'SAVE' button. Below this is the 'Change your password' section, which includes a message: 'To change the password of your DISH account, please click the following link.' and a prominent orange button labeled 'CHANGE YOUR PASSWORD'. The 'Delete establishment' section follows, featuring a warning message: 'Your DISH RESERVATION accounts are untouched by this action and will continue to exist.' and a detailed explanation that deleting the establishment 'Test Bistro Training' will erase all associated data and cannot be undone. A red button labeled 'DELETE ESTABLISHMENT "TEST BISTRO TRAINING"' is at the bottom of this section. The top of the page includes a header with the establishment name 'Test Bistro Train..', a language selector set to 'English', and a 'VISIT WEBSITE' button.
