The screenshot shows a registration form for DISH. At the top right, there is a language selector set to 'English' and a user icon. The main heading is 'What type of business do you have?'. There are two radio button options: 'Private (a personal or family business that works as a sole trader)' and 'Company (a business that is registered and works as a company)'. Below the 'Private' option, a note states: 'Please note that the Imprint for "Private Business" does not contain the following fields, so we will remove them from your profile: - Business name - District court - Additional information - Commercial registration number'. The 'Company' option is currently selected. Below this, the section 'Restaurant owner general information' contains several text input fields: 'First name*', 'Last name*', 'Street address*', 'Postcode*', 'Town*', and 'Country*'. The 'First name' and 'Last name' fields are side-by-side. The 'Street address' field is a single line. The 'Postcode' and 'Town' fields are side-by-side. The 'Country' field is at the bottom. A yellow circle with a question mark is located at the bottom right of the form area.

 Po pridaní všetkých informácií stlačte **pokračovať**.
