The screenshot shows the 'up-to-date' website configuration interface. At the top, there is a navigation bar with the logo 'up-to-date' and the address 'TEST STREET 2, BERLIN, DE'. On the right, there is a language selector set to 'English' and a refresh icon. Below the navigation bar is a progress indicator with nine steps: 1. Opening hours, 2. Options, 3. Offerings, 4. Domain, 5. Menu, 6. Imprint, 7. Description (highlighted in orange), 8. DISH WEBLISTING, and 9. Preview. The main content area is titled 'Description' with a speech bubble icon. Below the title, there is a bolded instruction: 'This is the text displayed on your website, and gives your customers a first impression of your business.' There are two input fields: 'Welcome title' with the placeholder 'A greeting to your visitors, this appears on the top of your website' and 'Tagline' with the placeholder 'Search Impactful: This is a title for your website description'. At the bottom left, there is a 'Description' label, and at the bottom right, there is a circular icon with a house and a checkmark.
