

 La septième étape consiste à ajouter une **description** qui sera affichée sur votre site Web.

The screenshot shows the 'up-to-date' website configuration interface. At the top, there is a navigation bar with the logo 'up-to-date' and 'TEST STREET 2, BERLIN, DE' on the left, and 'English' and a refresh icon on the right. Below the navigation bar is a progress indicator with nine steps: 1. Opening hours, 2. Options, 3. Offerings, 4. Domain, 5. Menu, 6. Imprint, 7. Description (highlighted in orange), 8. DISH WEBLISTING, and 9. Preview. The main content area is titled 'Description' with a speech bubble icon. Below the title, there is a bolded instruction: 'This is the text displayed on your website, and gives your customers a first impression of your business.' There are two input fields: 'Welcome title' with the placeholder text 'A greeting to your visitors, this appears on the top of your website' and 'Tagline' with the placeholder text 'Search Impactful: This is a title for your website description'. At the bottom left, there is a 'Description' label, and at the bottom right, there is a circular icon with a house and a checkmark.
