

De zevende stap is het toevoegen van een **beschrijving** die op uw website wordt weergegeven.

The screenshot shows the 'up-to-date' website setup interface. At the top, there is a navigation bar with the logo 'up-to-date' and 'TEST STREET 2, BERLIN, DE' on the left, and 'English' and a refresh icon on the right. Below the navigation bar is a progress indicator with nine steps: 1. Opening hours, 2. Options, 3. Offerings, 4. Domain, 5. Menu, 6. Imprint, 7. Description (highlighted in orange), 8. DISH WEBLISTING, and 9. Preview. The main content area is titled 'Description' with a speech bubble icon. Below the title, there is a bolded instruction: 'This is the text displayed on your website, and gives your customers a first impression of your business.' There are two sections for input: 'Welcome title' with the description 'A greeting to your visitors, this appears on the top of your website' and a corresponding text input field; and 'Tagline' with the description 'Search Impactful: This is a title for your website description' and a corresponding text input field containing the example 'A tagline like "Your home away on Main Street"'. At the bottom left, there is a 'Description' label, and at the bottom right, there is a circular icon with a house and a checkmark.

Begroet uw bezoekers met een **welkomstitel** . Typ het in het daarvoor bestemde tekstveld.

Below the title, there is a bold heading: 'This is the text displayed on your website, and gives your customers a first impression of your business.' Underneath, there are two sections for editing: 'Welcome title' with a text input field containing a vertical bar, and 'Tagline' with a text input field containing the example 'A tagline like "Your home away on Main Street"'. At the bottom left, the word 'Description' is written in bold. At the bottom right, there is a circular icon with a house and a checkmark.

Geef een korte introductie van uw etablissement en typ deze in de editor. Opmerking: het wordt weergegeven op de website onder de titel die u eerder hebt ingevoerd.

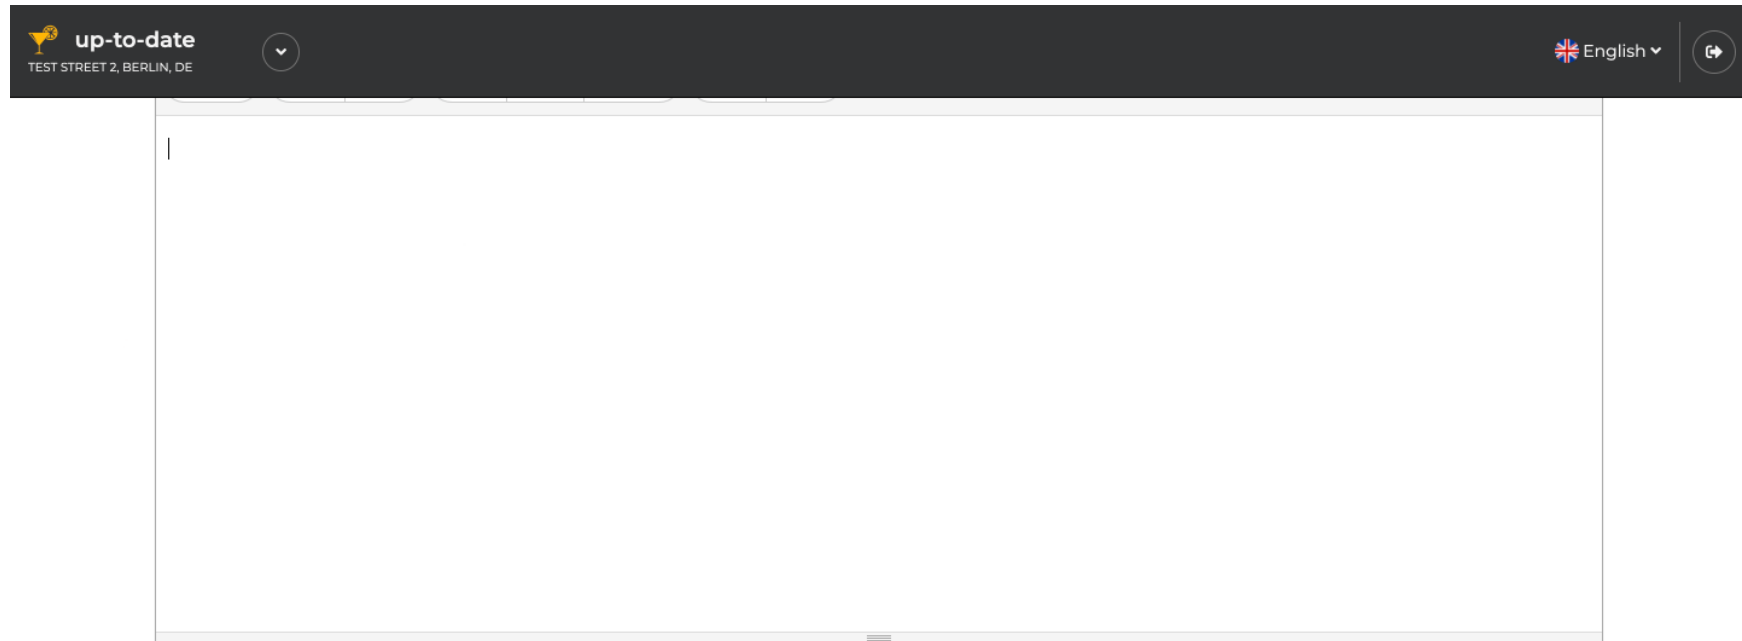

Description

The image shows a text editor interface. At the top, there is a toolbar with several icons: a pencil, a bold 'B' button, an italic 'I' button, a bulleted list icon, a numbered list icon, a link icon, and a refresh icon. Below the toolbar is a large, empty text area with a vertical cursor at the beginning of the first line. The entire editor area is enclosed in a thin orange border.
