

 A sétima etapa é adicionar uma **descrição** que será exibida em seu site.

The screenshot shows the configuration interface for a website. At the top, there is a header with the logo "up-to-date" and the address "TEST STREET 2, BERLIN, DE". On the right, there is a language selector set to "English" and a refresh icon. Below the header is a progress bar with nine steps: 1. Opening hours, 2. Options, 3. Offerings, 4. Domain, 5. Menu, 6. Imprint, 7. Description (highlighted in orange), 8. DISH WEBLISTING, and 9. Preview. The main content area is titled "Description" with a speech bubble icon. Below the title, there is a bolded instruction: "This is the text displayed on your website, and gives your customers a first impression of your business." There are two input fields: "Welcome title" with the placeholder text "A greeting to your visitors, this appears on the top of your website" and "Tagline" with the placeholder text "Search Impactful: This is a title for your website description". At the bottom left, there is a "Description" label, and at the bottom right, there is a circular icon with a house and a checkmark.

Cumprimente seus visitantes com um **título de boas-vindas** . Digite-o no campo de texto designado.
