 **Zmeňte** svoju webovú adresu pomocou domény poskytovanej spoločnosťou DISH.

The screenshot shows the 'Web address' configuration page in the DISH management interface. The page is titled 'Web address' and features a sidebar on the left with navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account. The main content area is divided into three sections:

- Web address:** A form with a text input field containing 'hd-test-jo' and a dropdown menu showing domain options: eatbu.com (selected), metro.bar, metro.biz, and metro.rest. Below the input field, the text 'hd-test-jo.eatbu.com' is displayed in green, followed by the note 'This is your current web address.' and a yellow 'SAVE' button.
- External domain:** A section with a text input field containing 'YourExistingDomain.com' and a yellow 'CHECK DOMAIN' button. Above the input field, there is a note: 'Have you already registered a domain and want to use it for this website? Enter your domain name and we will check whether you can use it. In case some configuration with your domain provider is required, we will tell you how to do it in the subsequent step.'
- Domain Status:** The beginning of a section that is partially cut off at the bottom of the screenshot.

The interface includes a top navigation bar with the restaurant name 'At Jono's', location 'TESTSRASSE 1, DÜSSELDORF, DE', a 'VISIT WEBSITE' button, a language selector set to 'English', and a help icon (question mark) in the bottom right corner.

 Kliknite na **textové pole** a pridajte požadovanú doménu.

The screenshot shows the 'Web address' configuration page in the DISH management interface. The page is titled 'Web address' and features a sidebar on the left with navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account. The main content area is divided into two sections: 'Web address' and 'External domain'. In the 'Web address' section, there is a text input field containing 'hd-test-jo', which is highlighted with an orange border. Below the input field, the current web address 'hd-test-jo.eatbu.com' is displayed, along with a 'SAVE' button. To the right, a list of domain options is shown: eatbu.com (selected), metro.bar, metro.biz, and metro.rest. The 'External domain' section contains a text input field for 'Domain*' with the placeholder 'YourExistingDomain.com' and a 'CHECK DOMAIN' button. The top of the interface includes the restaurant name 'At Jono's', location 'TESTSRASSE 1, DÜSSELDORF, DE', a 'VISIT WEBSITE' button, and a language selector set to 'English'. A question mark icon is visible in the bottom right corner of the interface.

The screenshot shows the 'Web address' management interface for 'At Jono's'. The page is divided into two main sections: 'Web address' and 'External domain'.

Web address section:

- Current web address: `hd-test-jo`
- Selected domain: `eatbu.com`
- Resulting address: `hd-test-jo.eatbu.com`
- Text: "This is your current web address."
- Buttons: `SAVE`

External domain section:

- Text: "Have you already registered a domain and want to use it for this website? Enter your domain name and we will check whether you can use it. In case some configuration with your domain provider is required, we will tell you how to do it in the subsequent step."
- Input field: `Domain*` with value `YourExistingDomain.com`
- Button: `CHECK DOMAIN`

The 'External domain' section is highlighted with an orange border, and a question mark icon is visible in the bottom right corner of this section.

Kliknite na **textové pole** a pridajte svoju vlastnú doménu.

The screenshot displays the management interface for 'At Jono's' restaurant. The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account. The main content area is divided into sections:

- Web address:** Shows the current address 'hd-test-jo' and the full address 'hd-test-jo.eatbu.com'. A 'SAVE' button is present.
- External domain:** Includes a text prompt: 'Have you already registered a domain and want to use it for this website? Enter your domain name and we will check whether you can use it. In case some configuration with your domain provider is required, we will tell you how to do it in the subsequent step.' Below this is a text input field labeled 'Domain*' containing 'YourExistingDomain.com' and a 'CHECK DOMAIN' button.
- Domain Status:** Shows a green dot and the text 'Published'.

Additional UI elements include a top navigation bar with 'VISIT WEBSITE', 'English', and a help icon (question mark in a circle) in the bottom right corner.

Kliknite na **SKONTROLUJTE DOMÉNU**.

The screenshot shows the user interface for managing the website 'At Jono's'. The top navigation bar includes the restaurant name, address, a 'VISIT WEBSITE' button, and a language selector set to 'English'. A sidebar on the left lists various settings categories, with 'Web Address' highlighted in orange. The main content area is divided into two sections: 'External domain' and 'Domain Status'. In the 'External domain' section, there is a 'SAVE' button at the top, followed by a text input field for the domain name containing 'www.thejonoribeiro.com'. Below the input field is a 'CHECK DOMAIN' button, which is highlighted with an orange border and a hand cursor icon. The 'Domain Status' section shows a green dot next to the word 'Published', indicating the website is online. It also displays the date and time 'Thu, Apr 21, 13:26 PM' and provides instructions on how to visit the website or unpublish it. An 'UNPUBLISH MY WEBSITE' button is located at the bottom of this section. A yellow question mark icon is visible in the bottom right corner of the interface.

Tu vidíte naše ďalšie kroky, ktoré musíte vykonať na obrazovke nastavenia vášho poskytovateľa domény.

The screenshot shows the 'At Jono's' website management interface. The left sidebar contains navigation options: Dashboard, Restaurant details, Settings, Reservation options, Food ordering, Design and content, Legal, Web Address (highlighted), DISH WEBLISTING, and Account. The main content area displays a red 'CANCEL DOMAIN CONFIGURATION' button at the top. Below it, a blue notification box states: 'domain have not yet been configured. Please follow the adjacent instructions.' The central focus is a large orange-bordered box titled 'How to configure the DNS settings of thejonoribeiro.com'. This box contains a 7-step numbered list:

- 1 Login to your domain providers' administration interface using your credentials.
- 2 Open the domain configuration section and see configuration for domain **thejonoribeiro.com**.
- 3 Open DNS settings for domain **thejonoribeiro.com**.
- 4 Enter a new DNS entry or modify an existing one. You can either use a **CNAME** or an **A** record on your domain, either on the domain itself, on its www subdomain or on both. For **CNAME** record: Enter the target address "**website.dev.dish.co**". For **A** record: use the IP address of **website.dev.dish.co: 35.201.75.247** For further details please check your domain provider.
- 5 It can take up to several hours until the changes become active. We will notify you by email once your website is available at **thejonoribeiro.com**.
- 6 For further explanations about specific terms, click [here](#) (glossary)
- 7 Please note: When you use an A Record for your custom domain, please make sure that there is no AAAA record set. If there is an existing AAAA record please remove it before you continue. CAA record: The domain must either have no CAA record at all or it must have one CAA record containing "**0 issue letsencrypt.org**". Additional other CAA records may also exist - it is important that one exists that allows Let's Encrypt.

Below the list, a paragraph reads: 'In case you need further assistance, please contact our support hotline. The following links to the help pages of the top 7 european domain providers might be of help, as well:'

- 1&1
- Strato
- GoDaddy
- Namecheap
- Google
- Netim
- OVH

In the bottom right corner of the screenshot, there is a yellow circle with a question mark icon.
