Click on **+Add production station**.

The screenshot displays the DISH POS v2.58.4 interface. The top navigation bar includes the version number, a video icon labeled '(V) Demo EN Video', a graduation cap icon for 'DISH POS Tutorials', an 'Update available' notification, and a user profile for 'dish_en_video@hd.digital'. On the left, a sidebar menu is visible with categories like 'Dashboard', 'Articles', 'Finances', and 'General'. Under 'General', 'Production stations' is selected. The main content area shows a search bar with the placeholder 'Type to search', a 'Show 50 records' dropdown, and a prominent orange button labeled '+ Add production station' which is highlighted with a red box. Below the button, a table header for 'Production station' is visible.

Enter the **name** of the production station.

Now you have created a **Production station**. To edit it, click on the **pencil icon**.

The screenshot displays the DISH POS v2.58.4 interface. The top navigation bar includes the version number, a demo environment indicator '(V) Demo EN Video', a tutorial link 'DISH POS Tutorials', an update availability notification, and a user profile 'dish_en_video@hd.digital'. The left sidebar menu is expanded to show 'Production stations' under the 'General' category. The main content area is titled 'Production station (1 production station)' and features a search bar, a 'Show 50 records' dropdown, and an '+ Add production station' button. A table lists the production stations, with the first entry 'Keuken Production' having a pencil icon for editing.

Confirm by clicking on **Delete**.

The screenshot displays the D I S H POS v2.58.4 interface. The top navigation bar includes the logo, version number, a video player control, the title "DISH POS Tutorials", an update notification, and a user profile. A sidebar on the left lists various menu items, with "Production stations" highlighted. The main content area shows a list of production stations, with "Keuken Production" selected. A confirmation dialog box is centered on the screen, asking "Are you sure to delete the selected item?". The dialog has two buttons: "Cancel" and "Delete". The "Delete" button is highlighted with an orange border, indicating it is the intended action.

 That's it. You're done.

The screenshot displays the DISH POS v2.58.4 interface. The top navigation bar includes the version number, a video icon labeled "(V) Demo EN Video", a graduation cap icon for "DISH POS Tutorials", an "Update available" notification, and a user profile for "dish_en_video@hd.digital".

The left sidebar menu is expanded to the "General" section, which contains the following items: General, Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, Translations, and Package profiles.

The main content area is titled "Production station (0 production station)". It features a search bar with the placeholder text "Type to search", a menu icon, and a "Show 50 records" dropdown. A prominent orange button labeled "+ Add production station" is located in the top right corner of the content area. Below the search bar, a large orange box contains the text "Production station".
