Click on the particular **Menukaart** you wish to add the new product to.

The screenshot shows the DISH POS v2.58.4 interface. The top navigation bar includes the version, user 'Demo EN Video', 'DISH POS Tutorials', and a user profile 'dish_en_video@hd.digital'. The left sidebar contains a 'Minimize menu' button and several menu items: Dashboard, Articles (expanded), Product groups, Price levels, Menu (expanded), French menus, Option menus, Price management, Time periods, Promotions, Finances, General, Payment, and Self-service. The main content area is titled 'Menu' and features a 'Show your reference' toggle and an '+ Add menu' button. Below this is a table with three columns: 'Menus', 'Selected menu', and 'Products'. The 'Menus' column contains radio buttons for 'Enterprise menu' and 'Store menu', and a search input field. The 'Selected menu' column contains instructions on creating subfolders and using references. The 'Products' column contains instructions on adding products to menu cards. A search bar with the text 'Type to search' is present, and below it, a 'No results found' message is displayed. The 'Menukaart' item is highlighted with an orange box.

Select the sub menu in which the products needs to be placed, via the **arrow down button**.
