If you want to make changes to the **EFT devices** (in this example we have 2) or want to **add** a new one, it is advisable to contact the **DISH POS service desk**. They can advise on the impact of the change.

The screenshot shows the DISH POS v2.58.4 interface. The top navigation bar includes the store name "(V) Demo EN Video", a tutorial link "DISH POS Tutorials", an update notification "Update available", and a user profile "dish\_en\_video@hd.digital". The sidebar menu is expanded to the "Payment" section, which includes "Payment methods", "Payment menus", "EFT devices", and "Online providers". The main content area displays "Eft Devices (2 eft devices)" with a table of two devices. A red box highlights the table content.
