

Welcome to the fiskaltrust.Portal. In this tutorial, we are going to show you what to do if you want to replace the TSE, if it gets stolen or develops a defect.

The screenshot displays the fiskaltrust portal interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a navigation menu including: Overview, User info, Company info, PosOperator, PosDealer, Rollout Management, Tools, PosSystems, Metrics, Configuration, Digital Receipt (Preview), Shop, Help, and Sign out. The main content area features a search bar at the top and two panels: 'Master data of user' and 'Master data of company'. The user panel shows a profile icon, a telephone icon, and details for an employee of 'DISH Digital Solutions GmbH Test Cafe', including localization information like language and time zone. The company panel shows a building icon and details for 'DISH Digital Solutions GmbH', including an email address and address in Düsseldorf. Below these panels is a 'List of PosDealers or consultants' section with a search bar and a download icon. The footer contains contact information for fiskaltrust Deutschland GmbH and a copyright notice for 2024.

The first step is to click on **Configuration**.

The screenshot displays the Fiskaltrust web application interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a navigation menu. The 'Configuration' menu item, represented by a gear icon, is highlighted with an orange border. The main content area is light gray and contains several panels. At the top right, there is a search bar for the knowledge base and user profile information. Below this, there are two panels: 'Master data of user' and 'Master data of company'. The 'Master data of user' panel shows a user profile with fields for Telephone, Employee of company (DISH Digital Solutions GmbH Test Cafe), and Localization (Language: en-US, Time Zone: (UTC+01:00) Amsterdam, Berlin, Bern, Rome, Stockholm, Vienna, Offset: 1, Now: 2/2/2024 2:56:25 PM UTC => 2/2/2024 3:56 PM Local, Decimal: 14.94 UTC total hours). The 'Master data of company' panel shows 'DISH Digital Solutions GmbH' with fields for E-Mail, Address (Metro-Straße 1, 40235 Düsseldorf), and Telephone. Below these panels is a 'List of PosDealers or consultants' section with a search bar and a download icon. At the bottom of the page, there is a footer with contact information for Fiskaltrust Deutschland GmbH and a version number.

A drop-down menu is going to open, and you'll have to click on **Signature Creation Unit**.

The screenshot displays the Fiskaltrust web application interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a navigation menu. The menu items include: Overview, User info, Company info, PosOperator, PosDealer, Rollout Management, Tools, PosSystems, Metrics, Configuration, CashBox, Queue, Helper, **Signature Creation Unit** (highlighted with an orange box), Template, and Update. The main content area is light gray and contains two panels: 'Master data of user' and 'Master data of company'. The 'Master data of user' panel shows a user profile icon, a telephone icon, and details for an employee of company 'DISH Digital Solutions GmbH Test Cafe', including localization information like language (en-US), time zone, and offset. The 'Master data of company' panel shows a building icon and details for 'DISH Digital Solutions GmbH', including address (Metro-Straße 1, 40235 Düsseldorf) and contact information. Below these panels is a section titled 'List of PosDealers or consultants' with a search bar and a download icon. At the bottom of the page, there is a footer with contact information for Fiskaltrust Deutschland GmbH and a version number.

In the top right corner of the page that opens, you'll have to click on **+ Add**.

The screenshot displays the Fiskaltrust web application interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a navigation menu including 'DISH Digital Solutions ...', 'Rollout Management', 'Tools', 'PosSystems', 'Metrics', 'Configuration', 'CashBox', 'Queue', 'Helper', 'Signature Creation Unit', 'Template', 'Update', 'Digital Receipt', 'Shop', 'Help', and 'Sign out'. The main content area is titled 'Configuration / Signature Creation Unit' and contains a 'List of Signature Creation Units' table. A search bar is positioned above the table. The table has columns for 'Description', 'Outlet', 'Active', and 'Expiration date'. Each row includes a chevron icon on the left and a set of action icons (download, settings, search) on the right. A '+ Add' button is highlighted with a red box in the top right corner of the table area. Below the table is an 'Export as CSV' button and a pagination control showing 'First page', '<', '1 / 2', '>', and 'Last page'. The top right of the page features a search bar, a language selector (EN), a notification icon with '1', and a user profile icon.

Description	Outlet	Active	Expiration date	
> Cashbox with in memory TSE (flewis)	1			⚙️ 🔍
> Demo Case 28	1	✓	Failed to parse certificate. ⚠️	📄 ⚙️ 🔍
> HD Online Demo Germany VM	1	✓	Failed to parse certificate. ⚠️	📄 ⚙️ 🔍
> Cashbox with in memory TSE (flewis)	1	✓	Failed to parse certificate. ⚠️	📄 ⚙️ 🔍
> hd-video-en	1			⚙️ 🔍
> Internorga demo B1	1	✓	Failed to parse certificate. ⚠️	📄 ⚙️ 🔍
> Demo Case 2	1	✓	Failed to parse certificate. ⚠️	📄 ⚙️ 🔍

Give a proper name to your new signature and select the package named **SCU.DE.Swissbit** from the dropdown menu in the field named Package name. **Note: you also have to select an outlet in order to be able to continue.**

The screenshot shows the Fiskaltrust configuration interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a menu including 'DISH Digital Solutions ...', 'Rollout Management', 'Tools', 'PosSystems', 'Metrics', 'Configuration', 'CashBox', 'Queue', 'Helper', 'Signature Creation Unit', 'Template', 'Update', 'Digital Receipt (Preview)', 'Shop', 'Help', and 'Sign out'. The main content area has a search bar at the top and a breadcrumb trail: 'Configuration / Signature Creation Unit / DISH Digital Solutions GmbH'. Below this is a form titled 'Assign another signature creation unit to your company. Enter your data and click save.' The form contains four fields: 'Description \*' (empty), 'Package name' (dropdown with 'fiskaltrust.Middleware.SCU.DE.CryptoVision'), 'Package version' (dropdown with '1.3.49'), and 'Outlet \*' (dropdown with 'Select...'). At the bottom of the form are 'Save' and 'Cancel' buttons. A red rectangular box highlights the 'Description \*' and 'Package name' fields.

Click on **Save**.

The screenshot shows the Fiskaltrust configuration interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a menu including 'DISH Digital Solutions ...', 'Rollout Management', 'Tools', 'PosSystems', 'Metrics', 'Configuration', 'CashBox', 'Queue', 'Helper', 'Signature Creation Unit', 'Template', 'Update', 'Digital Receipt (Preview)', 'Shop', 'Help', and 'Sign out'. The main content area has a search bar at the top and a breadcrumb path: 'Configuration / Signature Creation Unit / DISH Digital Solutions GmbH'. Below this is a form titled 'Assign another signature creation unit to your company. Enter your data and click save.' with the following fields: 'Description \*' (text input with 'Test 1'), 'Package name' (dropdown menu with 'fiskaltrust.Middleware.SCU.DE.Swissbit'), 'Package version' (dropdown menu with '1.3.48'), and 'Outlet \*' (dropdown menu with '1, Hospitality Digital GmbH, Metro-Straße 1, DE 40235 Düsseldorf'). At the bottom of the form are two buttons: 'Save' (highlighted with a red box) and 'Cancel'.

In the device path field, you'll have to write **/media/swissbit**.

The screenshot shows the configuration page for the 'Signature Creation Unit' in the Fiskaltrust system. The package name is 'fiskaltrust.Middleware.SCU.DE.Swissbit' and the version is '1.3.48'. The 'Device path' field is highlighted with a red box and contains the text 'T:'. Below this, there is a button to 'Add custom configuration'. The 'Description \*' field contains 'Test 1'. The 'Package name' and 'Package version' fields are pre-filled with 'fiskaltrust.Middleware.SCU.DE.Swissbit'. A 'url' field is present, and there are buttons for selecting protocols: 'gRPC', 'http (REST)', 'http (SOAP)', and 'net.pipe (SOAP)'. 'Save' and 'Cancel' buttons are at the bottom.

Then click on **http(REST)** to add an endpoint.

The screenshot shows the Fiskaltrust configuration interface. On the left is a dark sidebar with the 'fiskaltrust.' logo and a menu including 'DISH Digital Solutions ...', 'Rollout Management', 'Tools', 'PosSystems', 'Metrics', 'Configuration', 'CashBox', 'Queue', 'Helper', 'Signature Creation Unit', 'Template', 'Update', 'Digital Receipt', 'Shop', 'Help', and 'Sign out'. The main content area is titled 'Configuration / Signature Creation Unit / Configuration'. It displays package information: 'Package name: fiskaltrust.Middleware.SCU.DE.Swissbit' and 'Package version :1.3.48'. Below this, the 'Device path' is set to '/media/swissbit'. An 'Add custom configuration' button is present. The configuration form includes fields for 'Description \*' (Test 1), 'Package name' (fiskaltrust.Middleware.SCU.DE.Swissbit), and 'Package version' (1.3.48). At the bottom, there is a 'url' input field and a selection of protocols: '+', 'gRPC', 'http (REST)', 'http (SOAP)', and 'net.pipe (SOAP)'. The 'http (REST)' option is highlighted with a red box. 'Save' and 'Cancel' buttons are at the bottom left.

Click **Save** for not losing the progress made.

The screenshot displays the Fiskaltrust configuration interface. On the left, a dark sidebar contains the 'fiskaltrust.' logo and a navigation menu with items like 'DISH Digital Solutions ...', 'Rollout Management', 'Tools', 'PosSystems', 'Metrics', 'Configuration', 'CashBox', 'Queue', 'Helper', 'Signature Creation Unit', 'Template', 'Update', 'Digital Receipt', 'Shop', 'Help', and 'Sign out'. The main area is titled 'Configuration / Signature Creation Unit / Configuration'. It shows package information: 'Package name: fiskaltrust.Middleware.SCU.DE.Swissbit' and 'Package version :1.3.48'. Below this, the configuration for 'fiskaltrust.Middleware.SCU.DE.Swissbit' is shown, with a 'Device path' of '/media/swissbit'. An 'Add custom configuration' button is present. The configuration form includes a 'Description \*' field with 'Test 1', a 'Package name' field with 'fiskaltrust.Middleware.SCU.DE.Swissbit', and a 'Package version' dropdown set to '1.3.48'. At the bottom, there is a text input field containing 'rest://localhost:1501/77d24e96-d144-4ccb-ba3e-a7d7d3124cc7' and several protocol buttons: '+', 'gRPC', 'http (REST)', 'http (SOAP)', and 'net.pipe (SOAP)'. A 'Save' button is highlighted with a red box, and a 'Cancel' button is located to its right.
